### REMEMBER

“But God proves His own love for us in that while we were still sinners, Christ died for us!” -Romans 5:8  
or

“For God loved the world in this way: He gave His One and Only Son, so that everyone who believes in Him will not perish but have eternal life.” -John 3:16

### READ

Read Romans 8:31-39. Even though the Bible is made up of many different books, they all tell one true and amazing story about God’s unending love for us. God always has and always will pursue, love, and bless His people in order to restore the perfect relationship with Him that was lost in the garden, and even made the ultimate sacrifice for us in His son, Jesus. When we experience hard times and hurt, we can remember that God is for us and have hope in His perfect plan.

### THINK

1. What is a Bible story that is special to you? How does God pursue His people in that story?
2. Think about one story from the Old Testament and one story from the New Testament. How are they different? How are they similar?
3. Scripture says that God is jealous for us. What does that mean to you?
4. Name three ways that God blesses people in the Bible. Where do you see those blessings in your life?
5. How can you share God’s love with the people in your life?

### DO

*Create a word collage*

1. Take a big piece of paper and put it where you will see it every day.
2. After you read each day, write one word on the paper that represents what you learned about God. For example, you may write heals when you read about Jesus healing a blind man. Try to write a different word every day.
3. Get creative and use a lot of colors.
4. At the end of the book, you will have an awesome collage of 365 words that describe God!
