REMEMBER

“Anyone who lives by the truth comes to the light, so that his works may be shown to be accomplished by God.” – John 3:21

READ

Read Proverbs 12:22. This verse tells us that God hates lying but loves truthfulness. Being honest and telling the truth makes God happy. Next time you think about telling a lie, think about how it makes God feel. Telling the truth is always better than lying.

THINK

1. When have you told a lie? What happened?
2. Why is it important to be truthful?
3. How many Bible verses can you find about truthfulness? (Hint: start with John 8:32 and Proverbs 16:13.)

Honesty makes God happy!
