READ

God said, "This is the sign of the covenant I am making between Me and you and every living creature with you, a covenant for all generations: I have placed My bow in the clouds, and it will be a sign of the covenant between Me and the earth." – Genesis 9:12-13

THINK

1. When was the last time you saw a rainbow? How did it make you feel?
2. What is God's plan to save us from our sin?

REMEMBER

God will keep His promise to us to save us just like He kept His promise to Noah.

This is the story of how a great sea was parted and of how God rescued His people.
