REMEMBER

Give thanks in everything. - 1Thessalonians 5:18

READ

Way back in Genesis 1:9-13, when God was creating the earth, He made sure that we would have much to be thankful for at harvest time. On that third day, He thought up all sorts of different plants, vegetables, and fruit trees to give us lots of yummy food to eat. He even threw in the colorful, falling leaves as a bonus! When you think of the bounty of this season, be sure to thank the God of all seasons, the God who created a beautiful autumn and a plentiful harvest just for you.

THINK

1. Why do you think God made the seasons?
2. What are your favorite things about autumn?
3. If you could make the Thanksgiving menu, what would be on it?
4. List three blessings that you can only enjoy during the fall.
5. What are you most thankful for?

DO

Create a Tree of Thanks.

1. Collect two or three different kinds of leaves.
2. Trace the leaves onto colored paper and cut them out until you have five leaves.
3. On brown paper, draw and cut out a tree trunk with five branches.
4. Write the words of 1 Thessalonians 5:18 on the trunk.
5. Write one thing that you're thankful for on each leaf. Thank God for each one!
6. Tape or glue one leaf onto each branch.
7. Hang your Tree of Thanks where you can see it and be thankful all season long!

*Look at the blessings all around.
Give thanks!*
