## REMEMBER

“You will seek Me and find Me when you search for Me with all your heart.” Jeremiah 29:13

## READ

In this world, people search for many treasures—treasures of money, fame, and power. But Matthew 6:19–21 warns that these treasures will not last. Money can be stolen, fame can be destroyed, and power is easily lost. But the treasures of heaven can never be destroyed or stolen—and the greatest of these treasures is God Himself. The great news of Jeremiah 29:13 is that God is a treasure who is easily found, if we will just search for Him with all our heart.

## THINK

1. What is your greatest treasure?
2. What is hidden in heart? Things of earth, or things of God?
3. Do you share your treasures, especially the treasure of God?
4. What are other heavenly treasures? Hint: Read Galatians 5:22-23
5. Read Psalm 139:13-14. Do you see that *you* are a treasure to God?

## DO

A Bible Treasure Hunt

Gather some friends and a Bible, and then head outside to hunt for some of the natural treasures God has made. Look up these verses to figure out what you need to find. How quickly you can find them all?
