Ambassador of Ignorance**

REMEMBER

It is God's will that you silence the ignorance of the foolish people by doing good. – 1 Peter 2:15

READ

Read Ephesians 5:15-17. These verses tell us that when we follow what God wants, we are acting wise; but when we do what God does not want us to do, we are being foolish. Doing good things and acting wisely shows God's wisdom to others.

THINK

1. When have you done something foolish? What happened?
2. What are three ways you can show wisdom by doing good today?
3. How many Bible verses can you find about wisdom? (Hint: start with James 3:17 and Proverbs 16:16.)

Doing God's will shows wisdom!
