REMEMBER

Accepting one another and forgiving one another if anyone has a complaint against another. Just as the Lord has forgiven you, so you must also forgive. – Colossians 3:13

READ

Read Ephesians 4:32. This verse tells us to be compassionate and forgiving. God offers us forgiveness no matter how much wrong we have done. Brothers and sisters sometimes fight and argue but must always ask forgiveness and offer forgiveness to each other.

THINK

1. Has anyone ever asked you for forgiveness?
2. Is there someone you often argue with?
3. How many Bible verses can you find about forgiveness?
(Hint: start with Matthew 6:14-15 and Mark 11:25.)

Forgiveness comes from God.
