"Then he said to me, 'These words are faithful and true."

Revelation 22:6a, Christian Standard Bible

Featuring the CHRISTIAN STANDARD BIBLE

Faithful and True: These words remind us that God's Word reveals his character and will to us, transforms our lives, and leaves us in awe of his glory. At LifeWay, we strive to be faithful and true to the Word of God in all that we do, and we know that God is faithful and true to guide us as we publish biblical resources for life.

We are excited to feature the Christian Standard Bible[®] (CSB). A translation that is accurate to the original languages while still remaining accessible for Christians to engage on a daily basis can be very helpful as an individual grows in their spiritual maturity. We also know that God's Word is meant to be shared. A translation that balances fidelity and readability opens the door for every believer to share the Bible with someone who has read it for a lifetime, or with someone who has never before encountered its life-changing message.

CSB

DIFFERENTIATING BIBLE TRANSLATIONS

OPTIMAL EQUIVALENCE—A BEAUTIFUL BALANCE: The CSB was created using Optimal Equivalence, a translation philosophy that balances linguistic precision to the original languages and readability in contemporary English. In the many places throughout Scripture where a word-for-word rendering is clearly understandable, a literal translation is used. When a word-for-word rendering might obscure the meaning for a modern audience, a more dynamic translation is used. This process assures that both the words and thoughts contained in the original text are conveyed as accurately as possible for today's readers.

BIBLE TRANSLATION CONTINUUM

Bible translations shown in the top half of the chart are original translations directly from ancient languages to English. Versions shown below the line began with the English text of another Bible translation.

OPTIMAL BLEND OF LITERAL AND READABLE

BEST COMBINATION OF LITERAL AND READABLE: Seeking to provide Chinese-speaking people across the world with an accurate and understandable Bible in contemporary Chinese, Global Bible Initiative (formerly Asia Bible Society) conducted an extensive analysis of English Bible translations using computational linguistics. This research shows the Christian Standard Bible is both highly literal to the original language and readable, achieving an optimal balance of the two.

LITERAL VS. READABLE

FREQUENTLY ASKED QUESTIONS ABOUT THE CHRISTIAN STANDARD BIBLE

How is the CSB different From the HCSB?

The CSB is a revision of the HCSB, updating translation and word choices to improve on the HCSB's balance of faithfulness and clarity, as well as to enhance the shareability of the translation to new Christians or those who have never read a Bible.

Why was the Christian Standard Bible updated?

We are committed to improving our translation based on advances in biblical scholarship, and input from Bible scholars, pastors, and readers. Taking all of these items into consideration, the CSB has improved on the HCSB's faithfulness to the original text and clarity for a modern audience.

Why was the word "Holman" removed from the name of this translation?

We are proud of the heritage of Holman Bible Publishers, which dates back to 1743, making us the oldest North American Bible publisher. While we are retaining that name for our publishing entity, the Holman name in the Bible translation name often created unnecessary confusion. "Christian Standard Bible" removes some of those questions and increases appeal to the broad audience that the CSB is designed to serve.

What denominations were involved in creating the CSB?

One hundred scholars from 17 denominations translated the HCSB from the original Hebrew, Greek, and Aramaic manuscripts. Keeping that trans-denominational focus, the revision and oversight committee of the CSB is comprised of top biblical scholars from a variety of conservative, evangelical denominations, including Southern Baptist, Lutheran, Presbyterian, conservative Anglican and non-denominational Bible churches.

How does the Christian Standard Bible compare to other translations?

The CSB strikes a balance between the more formal ("word-for-word") translations and the more dynamic ("thought-for-thought") translations. We believe that you don't have to choose between faithfulness to the original text and clarity; the CSB text has been proven to optimize both. The CSB reflects our commitment to Optimal Equivalence more literal than the NIV, more understandable than the ESV, making it ideal not only for preaching and study, but for sharing with others.

Is there CSB training available for my sales associates?

Yes. Training materials are available for your staff to be equipped to talk about the CSB. Contact your sales representative or call 1-800-251-3225.

CSB Fisher of Men Bible

General Editor, Luís Ángel Díaz-Pabón

What does the Bible say about forgiveness and thanksgiving? Loneliness and depression? What verses would you use to share your faith or answer difficult questions about other world religions? Where in the Bible would you find answers about your purpose in life? We know the Word of God has the answers to all of these topics and so many more, but oftentimes we don't know where to find them.

The *CSB Fisher of Men Bible* is a one-of-a-kind tool that is designed to help you navigate through the Word of God for almost any life situation or topic of conversation. It features a twenty-eight page guide that is divided into six main themes: counseling, devotion, evangelism, church, christian doctrine, and apologetics.

From felt-need topics such as marriage, finances, and forgiveness, to spiritual growth topics like apologetics and Christian doctrine, *The CSB Fisher of Men Bible* guides you to the first verse in a chain of a particular topic. There you will find a brief commentary as well as the second reference verse in the chain. Most chains have four to five Bible verses.

Life Essentials Study Bible

General Editor, Gene A. Getz

In the *Life Essentials Study Bible*, renowned Bible teacher Gene Getz complements the full text of the popular HCSB translation by elaborating on 1,500 principles in Scripture that are as relevant today as when the sixty- six books of the Bible were written. Distilling these truths into principles, Getz helps the reader more easily remember and effectively apply the Bible's wisdom to everyday life. He explains how each of these principles represents a supracultural truth—one that can and should be applied at any moment in history and in every cultural situation.

In addition, the *Life Essentials Study Bible* was created with an integrated digital study system--more than 250 hours of free online coaching content led by Getz--that fosters a greater understanding of the Bible's grand story.

Along the way, Getz adds pertinent questions in print to inspire personal reflection or group discussion of each principle. There's also an introduction to each book of the Bible and its list of corresponding principles, plus a topical index and cross references for all 1,500 principles. Other features of this dynamic study Bible—available in six different editions—include a two-piece gift box (leather editions only) as well as a presentation page.

FEATURES

- 1,500 principles embedded in the Bible text keep you right where you want to be—the Bible.
- Free access to in-depth video and audio teachings on each of the 1,500 principles. Over 250 hours of coaching.
- The principles are applicational0 in practice tying the whole biblical story together.
- Discover supra-cultural principles that emerge from the unfolding biblical story.
- Each principle can be applied in every culture and at any moment in history.
- Principles developed by Dr. Gene Getz—over 60 years in ministry.
- The Life Essentials Study Bible was in development for over 7 years.

Reading God's Story A Chronological Daily Bible

God's Grand Story. Your Story.

Reading God's Story will take you on a one-year journey through the entire Bible as the sequence actually unfolded in three easy-to-remember acts and 17 memorable scenes. This unique design will help you clearly see the grand story of the Bible as well as better understand how the smaller parts fit within the larger story. Unlike other chronological Bibles, this arrangement is not date specific, so you can begin using this edition at any point in the calendar year.

NKJV Minister's Pocket Bible

A truly useful Minister's Bible should be portable so that the minister can use it graveside, bedside at the hospital, officiating a wedding, and other settings where he is not standing behind a pulpit that allows him to set down large Bibles. The *Minister's Pocket Bible* places the necessary helps in the middle of the Bible in a larger font than the Bible text. This placement and typesetting approach allows the Bible to be balanced, easily remain open in the minister's hand, and be easily legible.

- All "helps" in the center of the Bible so it will lay flat
- Easy-to-read font
- Full selection of "helps" including:
- A Classic Wedding Ceremony
- A Contemporary Wedding Ceremony
- Funeral preparation
- Funeral Sermon
- Funeral for a Child
- Funeral for a Student
- Funeral for a Suicide Victim
- Invocation Prayers
- Pastoral Prayers for Worship
- Offertory Prayers
- Benedictions

churchfails

100 Blunders in Church History (& What We Can Learn from Them) DAVID STABNOW, GENERAL EDITOR

churchfails is a collection of 100 articles describing people who claim to be Christians doing foolish things and what we can learn from them. Each article will include a picture of the subject.

From the Introduction: "Groucho Marx once said, 'I refuse to join any club that would have me as a member.' If Christianity is a club, it has featured innumerable inglorious members. As abashed affiliates of said club, what can we do? We can try to deny our past and present peccadilloes, but covering up a crime is like poking a polecat—it's worse in the end. So, we can rant and rave, or we can laugh and learn. This book settles on the second strategy."

FEATURES

- Provides over 100 examples with photos
- Humorous, engaging real life stories are a welcome break, but still educational

Commentary on Romans

Biblical Theology for Christian Proclamation

The *Biblical Theology for Christian Proclamation* commentary series explores the theology of the Bible in considerable depth, spanning both Testaments. General Editors include T. Desmond Alexander, Andreas J. Kostenberger, and Thomas R. Schreiner with contributing authors from a variety of backgrounds and perspectives, though all affirm the inerrancy and inspiration of Scripture. All volumes provide a discussion of introductory matters, including the book's historical setting and the literary structure. Also included is an exegetical treatment of all the relevant passages in succinct commentary-style format. The major contribution of each volume, however, is a thorough discussion of the most important themes of the biblical book in relation to the canon as a whole. What distinguishes this series is its orientation toward Christian proclamation. Within its pages, the authors seek to relate biblical theology to our every day lives and to the life of the church. The desire behind this commentary series is to equip those in Christian ministry who are called by God to preach and teach the precious truths of Scripture to their congregations.

FEATURES

- Series brings a unique approach to market offering the combination of both exegetical commentary and a comprehensive biblical theology application
- Provides a discussion of introductory matters—including the historical setting and the literary structure of a given book of Scripture, an exegetical treatment of all the relevant passages in succinct commentary-style format, as well as a thorough discussion of the most important themes of the biblical book in relation to the canon as a whole

The Holman Apologetics Commentary on the Bible

The Gospels and Acts MICHAEL J. WILKINS, CRAIG A. EVANS, DARRELL L. BOCK & ANDREAS J. KÖSTENBERGER

The four Gospels and the book of Acts tell stories of Jesus' life and the birth of Christianity. Are these stories true history or just religious fiction? Christians accept the stories as true and say that the entire Bible is a reliable communication inspired by God. Against this, non-Christians have argued that the Bible is a book of legends, myths, and historical inaccuracies—just another example of human religious endeavor. In this volume, four world-class New Testament scholars address challenges to the reliability of the Gospels and Acts. In order to identify the most important challenges, the authors drew from the literature of skeptics and New Testament critics, plus they included questions that many Christians ask as well. The result is the most comprehensive defense of the Gospels and Acts that has ever been published.

The primary purpose of the *Holman Apologetics Commentary on the Bible* is to equip readers to defend the reliability of Scripture and the historic evangelical understanding of its teachings. It is designed for use by general readers, though scholars will find it a probing and welcome resource as well. A secondary purpose is to encourage awareness and discussion of Bible difficulties that are not commonly mentioned from the pulpit or even the seminary lectern.

This is not a verse-by-verse commentary. The authors were provided an index that identified verses known to be relevant to the topics of apologetics and biblical reliability. They restricted their comments to these verses, plus any others that they recognized as germane to the aims of this project. Typically, each commentary note begins by stating the challenge or challenges regarding the text at hand. We attempt to state the case in all its potency, as a critic would state it. This approach takes seriously the critical viewpoint and helps ensure that the reader feels the full weight of the challenge. The contributors take each challenge seriously and seek to describe viable solutions that support faith and align with a high view of Scripture.

FEATURES

- The most comprehensive volume ever produced in defense of the Gospels and Acts
- Not a verse-by-verse commentary. The authors were provided an index that identified verses known to be relevant to the topics of apologetics and biblical reliability
- Each commentary note begins by stating the challenge or challenges regarding the text at hand
- Equips readers to defend the reliability of Scripture and the historic evangelical understanding of its teachings
- Encourages awareness and discussion of Bible difficulties that are not commonly mentioned from the pulpit or even the seminary lectern

Each of these authors (Michael J. Wilkins on Matthew, Craig A. Evans on Mark, Darrell L. Bock on Luke and Acts, and Andreas J. Köstenberger on John) is aware not only of recent criticisms of these documents but criticisms that have arisen over the two-millennia since the documents were written. Moreover, each of these authors comes with the conviction that the historical reliability and truthfulness of these documents is of enormous consequence and worth careful consideration.

Holman Illustrated Bible Dictionary

OVER 500 NEW PHOTOS, 280 UPDATED ARTICLES!

CHAD BRAND AND ERIC MITCHELL

For 25 years the *Holman Illustrated Bible Dictionary* has been the go-to Bible reference resource for lay Bible students, teachers, pastors, academic courses, and libraries. Those who have used it have praised its comprehensiveness, conciseness, and clarity. Over 6,500 articles from Aaron to Zuzite are written to equip the reader for greater competence in understanding and interpreting the Scriptures. Each article is structured to begin with a concise definition followed by a thorough development of the topic. Some 700 full-color photos, maps, reconstructions, and charts enrich the experience of those who use the dictionary for personal study, academic work, and preparation for teaching and preaching the Bible.

Contemporary Bible readers are separated from the original documents by 2,000 to 3,500 years. Bridging this chasm requires linguistic, literary, geographical, historical, and cultural information that the *Holman Illustrated Bible Dictionary* provides. This third edition of the Dictionary makes available up-todate archaeological information that illuminates the biblical text.

FEATURES

- The dictionary will have over 500 new photographs and 280 new or updated articles, a large percentage of which provide recent archaeological information for use in understanding the Bible.
- Consistent #1 Selling Bible Dictionary across multiple channels.
- Popular features include over 700 color photos, 80+ color maps, a pronunciation guide, the latest archaeological excavation information, time lines, extensive cross-referencing, unique scale drawings and more!
- Great cross marketing opportunity with the new *Holman Illustrated Bible Commentary*, which features a complimentary design.

NVI Biblia del Lector

NVI READER'S BIBLE

La Biblia es una colección de escritos destinados a ser leídos como un todo. A través de los años, se han insertado subdivisiones para facilitar su uso, al poder encontrar y citar porciones específicas. El problema es que, con frecuencia, esto la hace parecer un libro de referencia. En consecuencia, nos dirigimos a los pasajes y versículos claves, olvidando su contexto y perdiendo su significado más amplio. La *Biblia del Lector* te permite profundizar en la Escritura como una narrativa continua, eliminando las limitaciones creadas por los subtítulos, capítulos y versículos. Este formato te permitirá tener una experiencia única en tu caminar con Dios. Se podría incluso decir que experimentarás las Escrituras "como lo hicieron sus lectores originales".

- Primera Biblia del Lector disponible en español
- · Sin capítulos ni versículos, para una experiencia de lectura más natural
- Una sola columna con un diseño espacioso
- · Hermoso diseño en tapa dura forrada en tela

Fecha de publicación: 15 de Octubre, 2018 Release Date: October 15, 2018 Páginas/Pages: 1750 Tamaño/Trim Size: 5.375 x 8.5 Tamaño del Iomo/Spine Width: 1.25" Cantidad en la caja/Carton Qty.: 12 Derechos/Rights: Mundiales/Worldwide BISAC: BIBLES/Nueva Version International/Text The Bible is a collection of writings meant to be read and reflected on as a whole. Throughout the years, subdivisions were inserted for ease of use and referencing. Unfortunately, looking as a reference work, it is often used as such. People go to key verses and passages and contemplate on these at the expense of their broader context and meaning. The *Biblia del Lector* allows the reader to delve into Scripture as a narrative. This format provides great fluidity to the reading and leaves to one side the limitations that the subtitles, chapters, and verse numbers impose. It takes the readers to a unique experience in their walk with God. One could even say: as if they were its original readers.

- First Spanish Reader's Bible in the market
- No chapter of verse markings for a more natural reading experience
- Single column, spacious design
- Beautiful, durable cloth-over-board design

READING & BUYING AUDIENCE

- Pastors/leaders
- Students to adults looking to experience God's Word in its original form

MARKETING HIGHLIGHTS

- First Spanish Reader's in the market
- Invites readers to a fresh encounter with God's Word

Descubra el Evangelio según Juan el Pescador

RVR 1960 FISHER OF MEN, GOSPEL OF JOHN Edited By Dr. Luis Ángel Díaz-Pabón

Este Evangelio es una práctica herramienta para hablar de Jesús y dar los primeros pasos en la vida cristiana. Son conceptos fundamentales para crecer en la fe. El punto de partida es el índice temático, donde se inician las distintas cadenas de versículos bíblicos que dan respuestas a temas específicos. Estas ayudas en cadena están organizadas en seis grupos: La salvación, la vida en el amor de Dios, la Palabra de Dios, la vida llena del Espíritu Santo, la familia de Dios y la importancia de compartir nuestra fe.

Las 22 cadenas están estructuradas a fin de encontrar con rapidez los versículos que necesita para los temas tratados.

A lo largo del texto del Evangelio de Juan, los versículos claves están sombreados para identificarlos con mayor facilidad, y además se incluyen notas aclaratorias a pie de página que explican la idea principal de manera sencilla. También hay artículos escritos por su Editor General, el Dr. Luis Ángel Díaz-Pabón, que explican y amplían los temas de la salvación, la oración y la Biblia.

The Gospel of John is a helpful tool to talk about Jesus and walk the first steps of the Christian life. It includes essential concepts to growth in our faith. The starting point is a topical index where chain references are listed to help find biblical answers to specific topics. These chains are organized in six different areas: Salvation, living in God's love, the Word of God, a Spirit-filled life, God's family, and sharing one's faith. All twenty-two chains are structured so it's easy to find Bible verses for specific topics. Throughout the Gospel of John, key verses are highlighted so the reader finds them easily. There are also explanatory notes at the bottom of the page, where the main concept is explained in simple terms. Also included are articles written by the General Editor, Dr. Luis Ángel Díaz-Pabón, and they explain and expand topics such as salvation, prayer, and the Bible.

MARKETING HIGHLIGHTS

- Includes six Scripture chain topics: salvation, living in God's love, the Word of God, a Spirit-filled life, God's family, and sharing one's faith
- Twenty-two total chains structured in a way that makes it easy to find Bible verses for specific topics
- Throughout the Gospel of John, key verses are highlighted so the reader finds
 them easily

DR. LUIS ÁNGEL DÍAZ-PABÓN is president of the Global Missionary Society and leads several ministries including La Capilla del Rey (The King's Chapel), a church in Miami, Florida. Born into a Christian family, he accepted Christ at age fifteen in New York City and later began his work as an evangelist in Puerto Rico in 1973. RVR 1960 Biblia de estudio para mujeres

RVR 1960 STUDY BIBLE FOR WOMEN Edited by Dorothy Patterson Kelley, Rhonda Harrington Kelley

La Biblia de Estudio para Mujeres te dará herramientas para profundizar más en la Palabra de Dios. Tal vez el aspecto más poderoso de esta Biblia son las «hebras» de estudio especializado tejidas con esmero de principio a fin, que te señalan la historia más grande de Dios y permiten que el Espíritu Santo escriba Sus verdades reveladas en tu corazón.

En *La Biblia de Estudio para Mujeres*, te unirás a una multitud de mujeres académicamente preparadas en los idiomas originales de la Biblia y apasionadas por la Palabra de Dios. Con ellas te sumergirás de manera íntima y profunda en la Escritura, para recibir las herramientas que te ayuden a desentrañar las riquezas y la majestad de Su Palabra, y para encender la pasión para guiar a otros a tu alrededor a que hagan lo mismo. *La Biblia de Estudio para Mujeres* incluye el texto completo de la Biblia Versión Reina Valera 1960. Algunas de sus características son: extensos comentarios en notas, estudios de palabras, respuestas a preguntas difíciles, notas doctrinales, artículos bíblicos sobre la condición de la mujer, perfiles de personajes, aplicaciones «Escritas sobre Mi Corazón», extensas introducciones a los libros, páginas de presentación, mapas intercalados con el texto, cuadros y líneas del tiempo, una sección de mapas a todo color y una concordancia.

The Study Bible for Women will equip you to reach deep into God's Word. Perhaps the single most powerful aspect of this Bible are the "threads" of specialized study thoughtfully woven throughout, pointing you to God's larger story and allowing the Holy Spirit to write His revealed truths on your heart.

In *The Study Bible for Women*, you'll join a host of other women, all academically trained in the original languages of the Bible and passionate about God's Word, for an intimately deep dive into Scripture that will equip you to unlock the riches and majesty of His Word, and ignite a passion to mentor others in your life to do the same. *The Study Bible for Women* includes the full text of the Holman Christian Standard Bible, a clear, contemporary English translation that's faithful to the original languages of the Bible.
