REMEMBER

In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. – John 1:1-2

READ

John 1:1-18 puts the big picture of God's story – the story of redemption through Jesus Christ – into perspective. From the very beginning, starting even before the Creation and Adam and Eve, God had a plan, a perfect plan of sacrifice and grace to reveal His unending, undying love for us. As you read the stories in It's All About Jesus, you will see and understand that the Bible is not just a collection of stories but one unified story. And you'll discover how each story points to Jesus Christ.

THINK

1. Name two or three Bible stories that fit together.
2. What do these stories have in common?
3. What can we learn about Jesus and the gospel in these stories?
4. Can you see any of your story in any of these stories?
5. Is there anything in these stories that helps you love Jesus more and live more for Him?

DO

The Bible is one big story that is all about Jesus. To help reinforce this message, create a giant "Big Story Circle" timeline, somewhat like this book's cover image.

1. On a large poster board, draw a "Big Story Circle."
2. Separate the Big Story Circle into 100 little squares that represent the stories that point to Jesus. (Get your parents to help if you need to!)
3. Choose a starting square. After reading your first story, add a title or image to that square that represents that story (for example, a slingshot or rock for David and Goliath). Continue with the next square the next time you read a story.
4. After reading through the entire storybook, display your new Big Story Circle.
