# CHRISTIAN STANDARD BIBLE

FAITHFUL AND TRUE

With an ongoing commitment to both scholarship and readability, the Christian Standard Bible<sup>®</sup> (CSB) is positioned to serve more people and churches than ever before.

The CSB is proven to be the optimal blend of fidelity and readability:

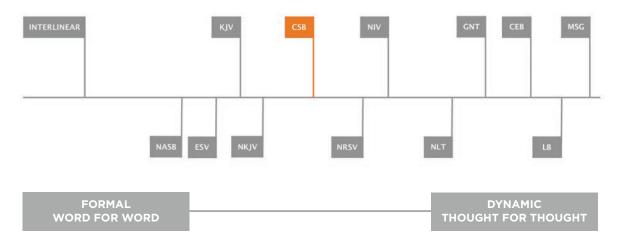

- A highly accurate text for faithful sermon preparation and serious study, translated straight from the biblical languages by scholars who love God's Word
- A text that delivers exceptional readability and clarity for Bible readers, including those who may be less familiar with the traditional vocabulary retained in some translations of the Bible

Whether used for preaching, group or personal study, discipleship, or private devotions, the Christian Standard Bible consistently brings God's transforming truth to life, making it easier to understand, apply, and share with others.

# DIFFERENTIATING BIBLE TRANSLATIONS

**OPTIMAL EQUIVALENCE—A BEAUTIFUL BALANCE:** The CSB was created using Optimal Equivalence, a translation philosophy that balances linguistic precision to the original languages and readability in contemporary English. In the many places throughout Scripture where a word-for-word rendering is clearly understandable, a literal translation is used. When a word-for-word rendering might obscure the meaning for a modern audience, a more dynamic translation is used. This process assures that both the words and thoughts contained in the original text are conveyed as accurately as possible for today's readers.

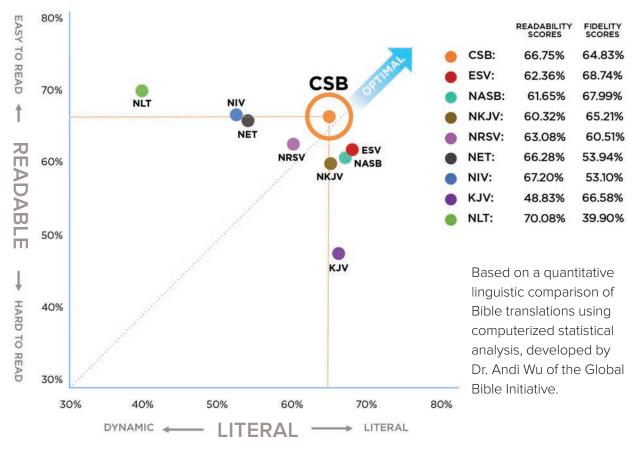

#### **BIBLE TRANSLATION CONTINUUM**

Bible translations shown in the top half of the chart are original translations directly from ancient languages to English. Versions shown below the line began with the English text of another Bible translation.

# OPTIMAL BLEND OF LITERAL AND READABLE

**BEST COMBINATION OF LITERAL AND READABLE:** Seeking to provide Chinese-speaking people across the world with an accurate and understandable Bible in contemporary Chinese, Global Bible Initiative (formerly Asia Bible Society) conducted an extensive analysis of English Bible translations using computational linguistics. This research shows the Christian Standard Bible is both highly readable, achieving an optimal balance of the two.

#### LITERAL VS. READABLE

#### QUESTIONS AND ANSWERS ABOUT THE CHRISTIAN STANDARD BIBLE

#### How is the CSB different From the HCSB?

The CSB is a revision of the HCSB, updating translation and word choices in order to improve on the HCSB's balance of faithfulness and clarity, as well as enhance the shareability of the translation to new Christians or those who have never read a Bible.

#### Why was the Christian Standard Bible updated?

We are committed to improving our translation based on advances in biblical scholarship, and input from Bible scholars, pastors, and readers. Taking all of these items into consideration, the CSB has improved on the HCSB's faithfulness to the original text and clarity for a modern audience.

#### Why was the word "Holman" removed from the name of this translation?

We are proud of the heritage of Holman Bible Publishers, which dates back to 1743, making us the oldest North American Bible publisher. While we are retaining that name for our publishing entity, the Holman name in the Bible translation name often created more questions than answers (who was Mr. Holman?). "Christian Standard Bible" removes some of those questions and increases appeal to the broad audience that the CSB is designed to serve.

#### What denominations were involved in creating the CSB?

100 scholars from 17 denominations translated the HCSB from the original Hebrew and Greek manuscripts. Keeping that transdenominational focus, our revision and oversight committee is comprised of ten members from Baptist, Presbyterian, Anglican, Lutheran, and Non-Denominational backgrounds.

#### How does the Christian Standard Bible compare to other translations?

The CSB lands in the sweet spot between the more formal ("word-for-word") translations and the more dynamic ("thought-for-thought") translations. We believe that you don't have to choose between faithfulness to the original text and clarity; the CSB text has been proven to optimize both. The CSB reflects our commitment to Optimal Equivalence—more literal than the NIV, more understandable than the ESV, making it ideal not only for preaching and study, but for sharing with others.

#### Will there be CSB training available for my sales associates? If so, when is it available?

Yes. Training materials are available for your staff to be equipped to talk about the CSB.

# BEAUTY, GOODNESS, & TRUTH

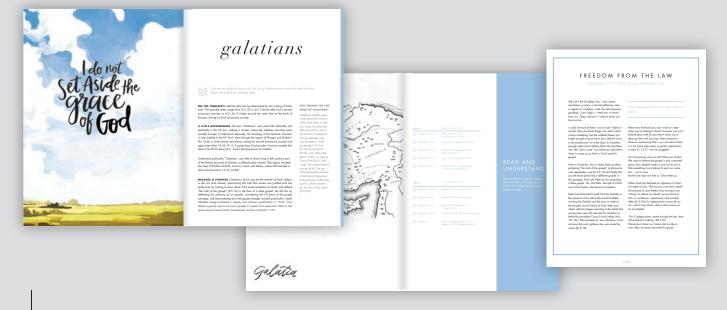

#### Rich Content for a Passionate Community

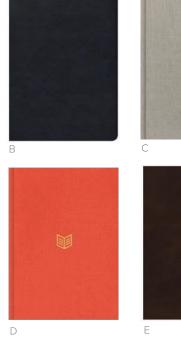

RAECHEL MYERS loves God's Word. A reluctant writer but lover of story, she delights in the evidence of God's beauty, goodness, and truth in everyday life—just ask her kids. Co-founder and CEO of She Reads Truth, Raechel has a bachelor's degree in Housing and Environmental Design, and is not afraid to paint a whole house over a long weekend. She longs to cook artisanal meals, but loves Chinese takeout, wearing too much chambray, and kissing her husband. Raechel is fueled by double tall mochas and her strong passion to direct women to God and His Word. She lives south of Nashville, Tennessee with her three favorite people and an old dog named Scout.

AMANDA BIBLE WILLIAMS is crazy about words. True words are her favorite, one of many reasons she adores her role as Chief Content Officer of She Reads Truth. Amanda first met Jesus in an East Tennessee church pew as a little girl, and now she finds Him daily in the pages of God's Word and in a loud, old farmhouse east of Nashville where she lives with her husband and three young children. She has degrees in English and Psychology and nearly a master's in Religion. Amanda enjoys dancing with her kids, reading herself to sleep, and explaining that her maiden name really is Bible.

# Life Essentials Study Bible

In the *Life Essentials Study Bible*, renowned Bible teacher Gene Getz complements the full text of the popular HCSB translation by elaborating on 1,500 principles in Scripture that are as relevant today as when the sixty- six books of the Bible were written. Distilling these truths into principles, Getz helps the reader more easily remember and effectively apply the Bible's wisdom to everyday life. He explains how each of these principles represents a supracultural truth—one that can and should be applied at any moment in history and in every cultural situation.

In addition, the *Life Essentials Study Bible* was created with an integrated digital study system--more than 250 hours of free online coaching content led by Getz--that fosters a greater understanding of the Bible's grand story.

Along the way, Getz adds pertinent questions in print to inspire personal reflection or group discussion of each principle. There's also an introduction to each book of the Bible and its list of corresponding principles, plus a topical index and cross references for all 1,500 principles. Other features of this dynamic study Bible—available in six different editions—include a two-piece gift box (leather editions only) as well as a presentation page.

- 1,500 principles embedded in the Bible text keep you right where you want to be—the Bible.
- Free access to in-depth video and audio teachings on each of the 1,500 principles. Over 250 hours of coaching.
- The principles are applicational0 in practice tying the whole biblical story together.
- Discover supra-cultural principles that emerge from the unfolding biblical story.
- Each principle can be applied in every culture and at any moment in history.
- Principles developed by Dr. Gene Getz—over 60 years in ministry.
- The Life Essentials Study Bible was in development for over 7 years.

JOHN 2−3 ⊹ 1431

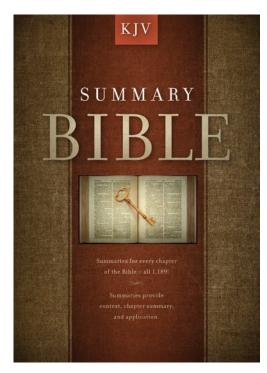

And as Mo'-ses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: That whossever believeth in him should not perish, but have eternal life. Tor God so loved the world, that he gave his only begotten Son, that whossever believeth in him should not perish, but have everlassing life. For God sent not his Son into the world to condemn the world, but that the world through him might be saved. But he that doth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God.

After these things came Je'sus and his disciples into the land of Ju-dias'-s; and there he tarried with them, and baptized. 100 Blunders in Church History (& What We Can Learn from Them) DAVID STABNOW, GENERAL EDITOR

*churchfails* is a collection of 100 articles describing people who claim to be Christians doing foolish things and what we can learn from them. Each article will include a picture of the subject.

From the Introduction: "Groucho Marx once said, 'I refuse to join any club that would have me as a member.' If Christianity is a club, it has featured innumerable inglorious members. As abashed affiliates of said club, what can we do? We can try to deny our past and present peccadilloes, but covering up a crime is like poking a polecat—it's worse in the end. So, we can rant and rave, or we can laugh and learn. This book settles on the second strategy."

# Commentary on Romans

Biblical Theology for Christian Proclamation

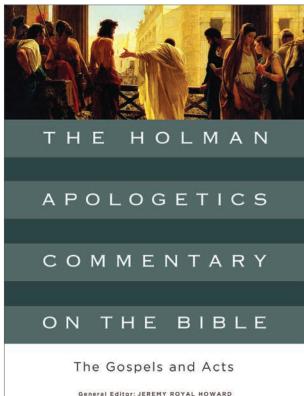

The *Biblical Theology for Christian Proclamation* commentary series explores the theology of the Bible in considerable depth, spanning both Testaments. General Editors include T. Desmond Alexander, Andreas J. Kostenberger, and Thomas R. Schreiner with contributing authors from a variety of backgrounds and perspectives, though all affirm the inerrancy and inspiration of Scripture. All volumes provide a discussion of introductory matters, including the book's historical setting and the literary structure. Also included is an exegetical treatment of all the relevant passages in succinct commentary-style format. The major contribution of each volume, however, is a thorough discussion of the most important themes of the biblical book in relation to the canon as a whole. What distinguishes this series is its orientation toward Christian proclamation. Within its pages, the authors seek to relate biblical theology to our every day lives and to the life of the church. The desire behind this commentary series is to equip those in Christian ministry who are called by God to preach and teach the precious truths of Scripture to their congregations.

### FEATURES

- Series brings a unique approach to market offering the combination of both exegetical commentary and a comprehensive biblical theology application
- Provides a discussion of introductory matters—including the historical setting and the literary structure of a given book of Scripture, an exegetical treatment of all the relevant passages in succinct commentary-style format, as well as a thorough discussion of the most important themes of the biblical book in relation to the canon as a whole

Each of these authors (Michael J. Wilkins on Matthew, Craig A. Evans on Mark, Darrell L. Bock on Luke and Acts, and Andreas J. Köstenberger on John) is aware not only of recent criticisms of these documents but criticisms that have arisen over the two-millennia since the documents were written. Moreover, each of these authors comes with the conviction that the historical reliability and truthfulness of these documents is of enormous consequence and worth careful consideration.

# The Holman Apologetics Commentary on the Bible

The Gospels and Acts MICHAEL J. WILKINS, CRAIG A. EVANS, DARRELL L. BOCK & ANDREAS J. KÖSTENBERGER

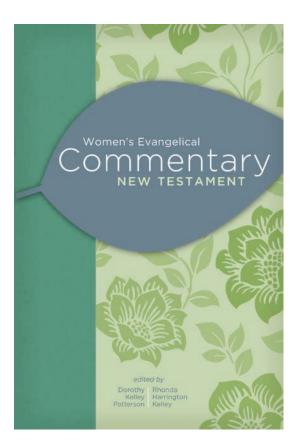

The four Gospels and the book of Acts tell stories of Jesus' life and the birth of Christianity. Are these stories true history or just religious fiction? Christians accept the stories as true and say that the entire Bible is a reliable communication inspired by God. Against this, non-Christians have argued that the Bible is a book of legends, myths, and historical inaccuracies—just another example of human religious endeavor. In this volume, four world-class New Testament scholars address challenges to the reliability of the Gospels and Acts. In order to identify the most important challenges, the authors drew from the literature of skeptics and New Testament critics, plus they included questions that many Christians ask as well. The result is the most comprehensive defense of the Gospels and Acts that has ever been published.

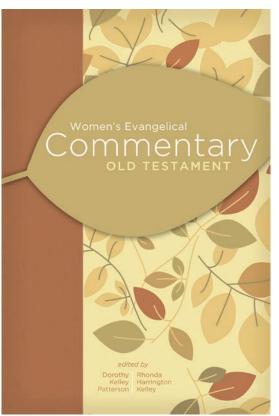

The primary purpose of the *Holman Apologetics Commentary on the Bible* is to equip readers to defend the reliability of Scripture and the historic evangelical understanding of its teachings. It is designed for use by general readers, though scholars will find it a probing and welcome resource as well. A secondary purpose is to encourage awareness and discussion of Bible difficulties that are not commonly mentioned from the pulpit or even the seminary lectern.

This is not a verse-by-verse commentary. The authors were provided an index that identified verses known to be relevant to the topics of apologetics and biblical reliability. They restricted their comments to these verses, plus any others that they recognized as germane to the aims of this project. Typically, each commentary note begins by stating the challenge or challenges regarding the text at hand. We attempt to state the case in all its potency, as a critic would state it. This approach takes seriously the critical viewpoint and helps ensure that the reader feels the full weight of the challenge. The contributors take each challenge seriously and seek to describe viable solutions that support faith and align with a high view of Scripture.

OVER 500 NEW PHOTOS, 280 UPDATED ARTICLES!

CHAD BRAND AND ERIC MITCHELL

For 25 years the *Holman Illustrated Bible Dictionary* has been the go-to Bible reference resource for lay Bible students, teachers, pastors, academic courses, and libraries. Those who have used it have praised its comprehensiveness, conciseness, and clarity. Over 6,500 articles from Aaron to Zuzite are written to equip the reader for greater competence in understanding and interpreting the Scriptures. Each article is structured to begin with a concise definition followed by a thorough development of the topic. Some 700 full-color photos, maps, reconstructions, and charts enrich the experience of those who use the dictionary for personal study, academic work, and preparation for teaching and preaching the Bible.

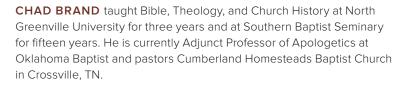

Contemporary Bible readers are separated from the original documents by 2,000 to 3,500 years. Bridging this chasm requires linguistic, literary, geographical, historical, and cultural information that the Holman Illustrated Bible Dictionary provides. This third edition of the Dictionary makes available up-todate archaeological information that illuminates the biblical text.

### FEATURES

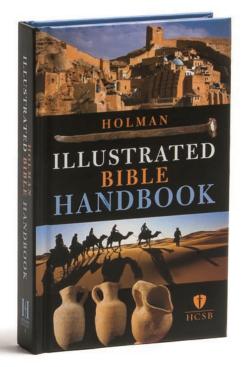

- The dictionary will have over 500 new photographs and 280 new or updated articles, a large percentage of which provide recent archaeological information for use in understanding the Bible.
- Consistent #1 Selling Bible Dictionary across multiple channels.
- Popular features include over 700 color photos, 80+ color maps, a pronunciation guide, the latest archaeological excavation information, time lines, extensive cross-referencing, unique scale drawings and more!
- Great cross marketing opportunity with the new *Holman Illustrated Bible Commentary*, which features a complimentary design.

# The Secret of the Talpiot Tomb

Unraveling the Mystery of the Jesus Family Tomb

The Secret of the Talpiot Tomb is a full-color text and visual presentation of the most compelling evidence for Jesus' victory over death. Written by research professor Gary Habermas, considered by many to be the world's leading apologist for the historicity of Jesus' resurrection, this case for Christ's immortality is placed in the context of new claims made about the alleged bones of Jesus having been discovered in the so-called Talpiot Tomb located in southeast Jerusalem.

### FEATURES

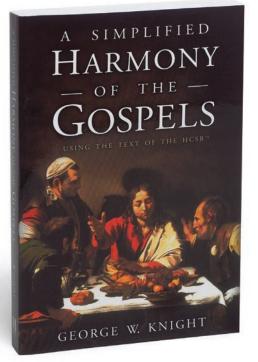

- The compelling case for Jesus' resurrection as a historical event is presented here with great clarity, precision, and colorful design.
- Takes account of the ongoing debate between scholars over the claim that the Talpiot Tomb contained Jesus' bones.
- Provides believers with a frame of reference with which they can evaluate and respond to other such sensational claims that will be forthcoming.
- Counters current wave of best-selling atheist books such as God Is Not Great, The God Delusion, and Letters to a Christian Nation.

## Biblia Peshitta

#### PESHITTA BIBLE

Biblia basada en el texto Peshitta, un antiguo manuscrito bíblico en arameo, el idioma del Señor Jesús y Sus apóstoles. El resurgimiento del interés actual por el arameo bíblico se manifiesta principalmente en la traducción del texto Peshitta al español. Este texto, obra cumbre de la literatura aramea, dejó registrado para la posteridad el mensaje del evangelio en un idioma claro, sencillo y directo, que es el significado de "Peshitta." El lector encontrará notas explicativas a pasajes de relevancia.

Bible based on the Peshitta text, an ancient Bible manuscript written in Aramaic, the language spoken by our Lord Jesus and His apostles. The current renewed interest in biblical Aramaic is mainly conveyed by the translation of the Peshitta text into Spanish. This work, the ultimate masterpiece in Aramaic literature, left the message of the gospel and the apostles as a historical record in a "clear, simple, straightforward" language, and this is—incidentally—what the word *Peshitta* means. In the final section of this work, the reader will find footnotes explaining relevant text selections.

#### **READING AUDIENCE**

- Pastors and lay teachers of the Word of God
- Seminary professors and students
- Serious students of the Word

- Previous edition has sold over 112,000 units
- The Peshitta Bible uses the ancient manuscript of the language that Jesus spoke
- An excellent tool for comparing translations
- Since Aramaic was the common language in Jesus' culture, this translation gives insight into how a first-century audience would have understood the Scriptures
- An excellent supplementary tool for students of biblical languages

RVR 1960 Biblia de estudio para mujeres

RVR 1960 STUDY BIBLE FOR WOMEN by Dorothy Patterson Kelley, Rhonda Kelley

La Biblia de Estudio para Mujeres te dará herramientas para profundizar más en la Palabra de Dios. Tal vez el aspecto más poderoso de esta Biblia son las «hebras» de estudio especializado tejidas con esmero de principio a fin, que te señalan la historia más grande de Dios y permiten que el Espíritu Santo escriba Sus verdades reveladas en tu corazón.

En *La Biblia de Estudio para Mujeres*, te unirás a una multitud de mujeres académicamente preparadas en los idiomas originales de la Biblia y apasionadas por la Palabra de Dios. Con ellas te sumergirás de manera íntima y profunda en la Escritura, para recibir las herramientas que te ayuden a desentrañar las riquezas y la majestad de Su Palabra, y para encender la pasión para guiar a otros a tu alrededor a que hagan lo mismo. *La Biblia de Estudio para Mujeres* incluye el texto completo de la Biblia Versión Reina Valera 1960. Algunas de sus características son: extensos comentarios en notas, estudios de palabras, respuestas a preguntas difíciles, notas doctrinales, artículos bíblicos sobre la condición de la mujer, perfiles de personajes, aplicaciones «Escritas sobre Mi Corazón», extensas introducciones a los libros, páginas de presentación, mapas intercalados con el texto, cuadros y líneas del tiempo, una sección de mapas a todo color y una concordancia.

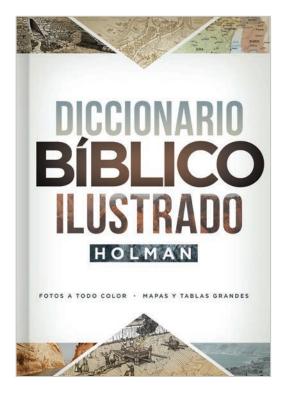

The Study Bible for Women will equip you to reach deep into God's Word. Perhaps the single most powerful aspect of this Bible are the "threads" of specialized study thoughtfully woven throughout, pointing you to God's larger story and allowing the Holy Spirit to write His revealed truths on your heart.

In *The Study Bible for Women*, you'll join a host of other women, all academically trained in the original languages of the Bible and passionate about God's Word, for an intimately deep dive into Scripture that will equip you to unlock the riches and majesty of His Word, and ignite a passion to mentor others in your life to do the same. *The Study Bible for Women* includes the full text of the Holman Christian Standard Bible, a clear, contemporary English translation that's faithful to the original languages of the Bible.
