REMEMBER

"Let us think about each other and help each other to show love and do good deeds. You should not stay away from the church meetings...you should meet together and encourage each other."

–Hebrews 10:24-25 NCV

READ

Read Ephesians 2:19-22. Here Paul describes how the church is not a building in one particular place, but a living structure. Each believer is like a stone in this wonderful building where God lives through His Spirit. Although this concept is abstract, a young child can understand that other children all over the world who believe in and worship Jesus are a part of God's big, big church, just as he or she is!

THINK

1. What are some things you do when you go to church?
2. What is your favorite Bible story?
3. Can you sing a favorite song about Jesus?
4. What are some different ways people worship God?
5. How big is God's church?
