Psalms 100:1–2 tells the whole earth to shout and sing and praise God. All of creation praises God in its own way. The plants praise God by blooming flowers and sharing their beauty with us. The stars praise Him by shining with His glory and power and reminding us that He's a big God. We can praise Him by singing, but we can also praise Him by showing His love to others and obeying Him.

1. What animal noises can you make? Which one is your favorite?
2. Would you like to sleep with the animals like Mary, Joseph, and Jesus did?
3. What songs do you know that help you praise Jesus and thank God for Christmas?
4. What are other ways that you can spread the love of Jesus Christ and good news with delight?
