REMEMBER

In humility, value others above yourselves, not looking to your own interests but each of you to the interests of others.

—Philippians 2:3-4

READ

Read Acts 20:35. We can all agree, it is easy to think of ourselves first. But this verse tells us that it is even better to think of others. And Jesus says we will actually be happier when we do put others first! Doug wasn't getting anywhere when he focused on getting what he wanted, but things really took off when he focused on giving to others.

THINK

1. What would have happened if Doug had stayed in the wagon screaming for a ride? Do you think he would have ever gotten a ride? Why or why not?
2. Doug seemed sad and lonely in the wagon when he couldn't find someone to push. But by the end of the book, both Doug and Sparky look very happy. What changed?
3. Doug and Sparky had different abilities that allowed them to help each other in different ways. What abilities has God given you that you can use to help others? Can you think of a friend you can offer to help?
4. Doing something kind for someone else is a way to show people what Jesus is like. How has Jesus been kind to you?
