REMEMBER

I praise you, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well. — Psalm 139:14 (ESV)

READ

Read Psalm 139:13–15 in your Bible. These verses tell us that God knew us before we were even born. He “knit” us together. Knitting is a detailed process that takes skill and attention. So these verses are explaining that the work of forming each and every human was a careful and intricate process. This kind of special creation points us to something bigger—God the creator!

At times we may doubt there is anything remarkable about us at all. But because God took such special care in each and every part of our creation, we can know we were not simply thrown together. We were created with a specific purpose. Don't let what makes you unique seem unimportant. After all, God's Word says you were wonderfully made!

THINK

1. Webster didn't think God made him wonderful. Have you ever felt the same way? When?
2. Make a list of qualities that make your friends and family special. Share your list with each of them!
3. Think about how carefully God made each of us. None of us is exactly the same! Can you list three things that are unique about you?
4. Ask your friends and family what they think makes you wonderful. Were you surprised at their answers?
5. Webster realized that being willing and able to help people was something that made him wonderful. What about you? Can you think of a new wonderful quality God gave you?
