Featuring the **CHRISTIAN STANDARD BIBLE**

Accurate. Readable. Shareable. The Christian Standard Bible is a translation for everyone—a translation you can take to seminary and read to your kids. A translation that new believers can understand and that every believer can return to for lifelong discipleship.

The CSB captures the Bible’s original meaning without sacrificing clarity. It’s an optimal blend of accuracy and readability—in the many places throughout Scripture where a word-for-word rendering is clearly understandable, a literal translation is used. When a word-for-word rendering might obscure the meaning for a modern audience, a more dynamic translation is used.

The result is a translation that communicates both the words and the thoughts of the original text clearly and accurately to today’s readers. A translation pastors can preach from and one you can share with your neighbor hearing God’s Word for the very first time.

Every Christian is unique.

We don’t all talk the same, look the same, or think the same. But we can all gather around the same Bible.

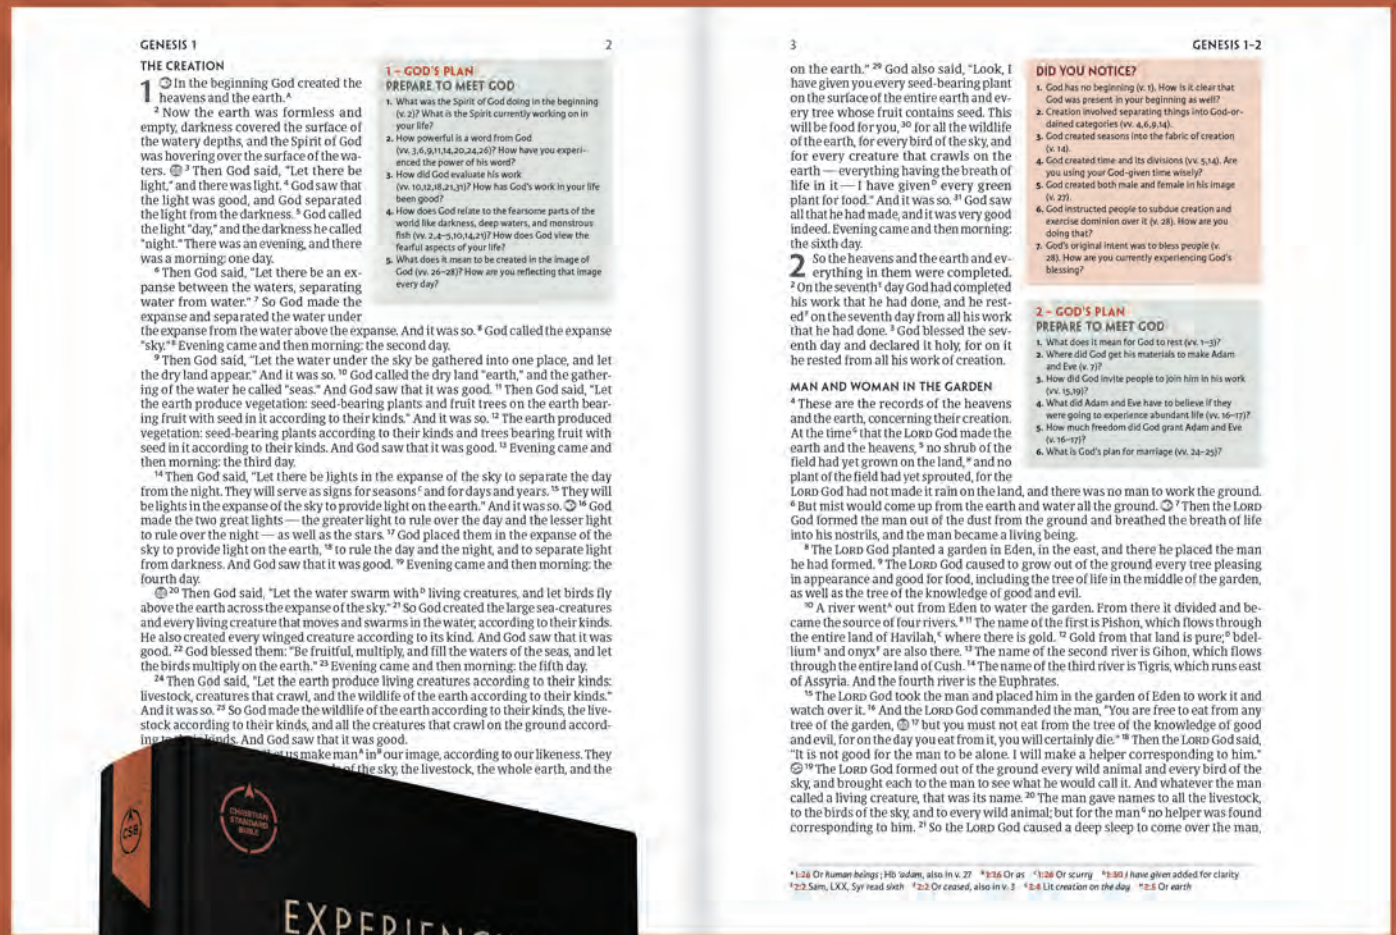

For every person in your church, the Christian Standard Bible is an exceptionally clear and faithful translation—so your whole congregation can meet God through his life-transforming Word.

Accurate. Readable. Shareable. [Learn more at CSBible.com](https://CSBible.com)

H O S A N N A *Revival*

CSB Notetaking Bible, Hosanna Revival Edition

Hosanna Revival was created on the belief that as people of a broken and boring life, we are in desperate need of revival. When something is new and beautiful, it can become fun, exciting, and yours. For that reason, our founder, Katie, began re-binding and hand-painting beautiful Bibles in 2015. Years later, our mission is the same: we work to excite women about engaging in Scripture by creating beautiful and intentional tools for their lives. We make beautiful Bibles, journals, and other lovely things because we believe they can be used to draw us closer to our Creator, and that's what we're all about.

Psalms in 30 Days, CSB Edition

GENERAL EDITOR TREVIN WAX

Across the generations, many Christians have made a habit of praying monthly through all 150 psalms—the biblical songs that undergird much of our corporate worship and individual devotion. Over thousands of years of memorization, recitation, and singing, the people of God have found in the Psalms a God-centered view of reality that speaks to all our joys, trials, times of suffering, and experiences of faith and doubt.

In *Psalms in 30 Days*, author and teacher Trevin Wax has adapted a centuries-old approach to reading the Psalms by providing a "Morning," "Midday" and "Evening" pattern, following the Scriptural precedent for praying three times a day. This journey through the Psalms features other songs from the Bible, confessions of faith, and written prayers from faithful Christians who have gone before us. Here is a guide to praying through the Psalms each month by lifting our eyes, three times a day, to see and experience the goodness and faithfulness of God in the midst of all things.

Trevin Wax is senior vice president for Theology and Communications at Lifeway Christian Resources.

Psalms in 30 Days features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

Holman Illustrated Guide to Biblical Geography

Reading the Land
PAUL H. WRIGHT

The *Holman Illustrated Guide to Biblical Geography* includes more than 200 images and over fifty maps to provide a coherent and meaningful set of pegs on which to hang the events that march across the biblical stage. For many Bible readers (and teachers), one king, one battle, one story often blurs into the next. A geographical grid provides an objective structure to make sense of the biblical narrative. Historical and cultural geography give hue and texture to what are sometimes seen as rather flat, black-and-white pages of the biblical text.

- Chapters include:
- Exploring the World of the Bible
 - Building Blocks of Biblical Geography
 - The Land of Ancient Israel: The Southern Regions (Judah/Judea)
 - The Land of Ancient Israel: The Central Regions (Israel/Samaria)
 - The Land of Ancient Israel: The Northern Regions (Galilee)
 - Transjordan
 - Afterword: Geography of the Heart

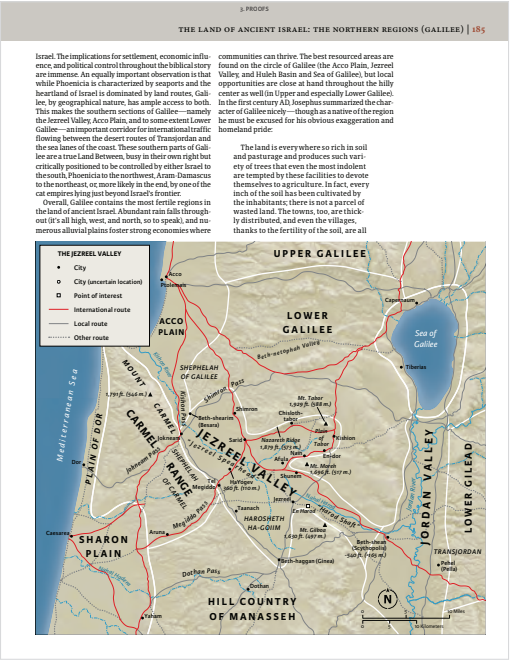

Biblical geography has great apologetic value. The biblical writers had to be accurate when presenting geographical material. Unlike some matters of history and doctrine, their assertions about the realities of landforms and climate, or about the relation of one city to another, or about the use of strategic routes could easily be verified both by their first readers as well as by contemporary readers. Verifiable geographic information provides a solid foundation on which to place and evaluate the veracity of other truth claims in the biblical text.

MARKETING HIGHLIGHTS

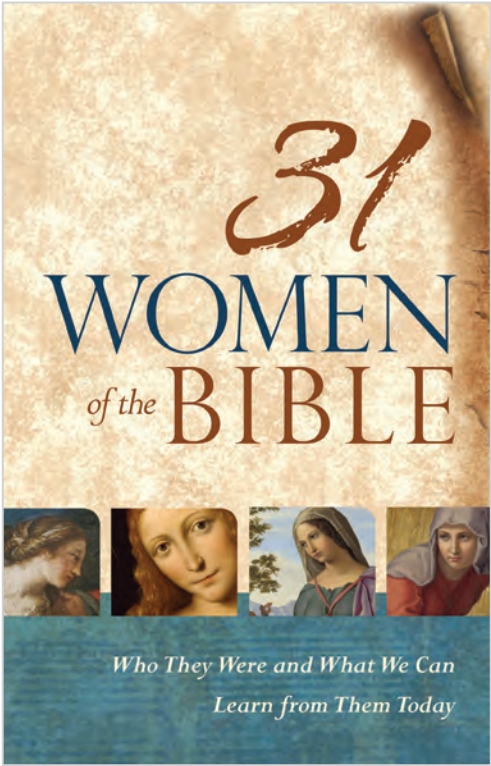

- A unique experience of the Biblical landscape and the places and events readers have encountered in the Bible
- One of the few resources to include a wealth of real-life photography from the Holy Land
- Easily accessible to a wide variety of people hoping to experience the Bible in a new way

PAUL H. WRIGHT is president of Jerusalem University College – Institute of Holy Land Studies, in Jerusalem, Israel. Born in the rich farmland of Illinois to a long line of farmers, teachers, and Bible readers, Paul has an inborn appreciation of how geography has shaped the biblical text. He and his wife Diane have lived in Jerusalem for twenty-five years, where he has taught biblical historical geography, on-site, to thousands of students, helping them come alive to the Bible. Paul received a Ph.D. in Bible and Ancient Near East from Hebrew Union College and is ordained in the Baptist General Conference.

¿Cómo ordeno mi vida?

HOW DO I ORDER MY LIFE?

The COVID-19 pandemic has revealed our christian generation’s deficiencies regarding selfcare and how to put our life in order. We need a biblical, balanced, and practical perspective. There are two ways to approach this, and as in every dichotomy, acting upon one extreme or the other does not guarantee a healthy balance. We often ask ourselves things like: What does God say about selfcare? How can I take care of myself and organize my life in a wholesome way? Isn’t that selfish?

La pandemia del COVID-19 ha venido a revelar las deficiencias de nuestra generación de creyentes en el tema del autocuidado y de cómo ordenar nuestras vidas. Necesitamos una perspectiva bíblica, balanceada y práctica. Actualmente hay dos vertientes del discurso y como toda dicotomía, dichos extremos no necesariamente nos llevan a un balance sano. Nos hacemos preguntas como: ¿Qué dice Dios acerca del autocuidado? ¿Por qué y cómo puedo cuidarme y ordenar mi vida de manera integral? ¿No es egoísta?
