The Blessed Life

A 90-Day Devotional through the Teachings and Miracles of Jesus

KELLY MINTER

The Blessed Life is a 90-day devotional that walks through Matthew 5–9, covering Jesus's Sermon on the Mount and a collection of His miracles. Matthew brings Jesus's teachings and healings together in a wonderfully crafted segment of his Gospel that is packed with treasures for the modern reader. While many have thought Jesus' sermon an unrelated string of nearly impossible teachings, *The Blessed Life* helps both the brand new and seasoned believer find continuity and uncover its practical truths, day by day. It also explores the unparalleled love and compassion Jesus has for the sick, marginalized, religious and nonreligious alike, and how His matchless power brought miracles to bear upon those He encountered.

With accessible and down-to-earth writing, beloved author and Bible teacher Kelly Minter seeks to bring together both the teachings and healings of Jesus while sharing her own heart along the way. She shares historical and cultural elements of Jesus's day, and references to the original language when illuminating, while keeping her writing style practical and inviting. *The Blessed Life* is for anyone wanting to know the mind and heart of Jesus more deeply, and who's willing to take a slow and reflective 90-day journey with Him.

Never Cast Out

How the Gospel Puts an End to the Story of Shame

JASMINE L. HOLMES

Body shaming. Marriage shaming. Single shaming. Mom shaming. Lifestyle shaming. Race shaming. Religious shaming. It seems no matter which direction we turn, women can't shake the shame that is constantly piled on top of us.

Author and podcaster Jasmine L. Holmes knows this struggle all too well. Though shame has been a constant companion (and even a snare) throughout her life, God has broken the chains of shame in Jasmine's life through the power of the gospel. In this Christ-centered, empowering book, prepare to discover:

- The story of shame: where it comes from, what it is, what makes it different from guilt or conviction, and why it's so pervasive.
- The problem with shame: why the typical methods of throwing off shame don't actually work.
- The end of shame: how Jesus puts an end to shame by offering a better covering, a better image, and a better message than the world can.
- The way to fight shame: how to use practical and powerful ways to fight shame in daily life, breaking its chains in the power of the gospel and resting in the One who has taken all your shame away for good.

The story of shame is a powerful one. But even stronger are the arms of the One who carried your shame and will never cast you out. Are you ready to experience Him and finally be free?

- Women who follow Jasmine on social media, listen to her podcast, and have read her books
- Readers of Brene Brown's books such as *Daring Greatly* and others where she discusses her shame research

HOLMES is a cohost of the TGC podcast *Let's Talk* and the author of *Carved in Ebony: Lessons from the Black Women Who Shape Us* and *Mother to Son: Letters to a Black Boy on Identity and Hope*. A Short Guide to Spiritual Disciplines

How to Become a Healthy Christian

MASON KING

In our journey to grow as a Christian, the question we often ask is, "What am I supposed to do?" The question we need to be asking is, "What kind of person do I need to become?"

Spoiler: God isn't hiding the answer. God wants us to know who He is, who we are now, and who He wants us to become in life. He's not waiting for a future version of you to love, but He does have a future version of you in mind. Contrary to a culture that wants decades of change in a matter of weeks, the future version of you takes a lifetime to grow—much like a tree.

In his debut book on spiritual growth, Mason King (executive director over Groups and Care at The Village Church Institute) helps you learn how to grow as a Christian by regularly offering up your emotions, attention, and limits to God, which, in turn, makes you more present not only to Him, but to yourself and others in your everyday life. Through practicing simple daily disciplines individually and with others, you can learn to place yourself next to the river of God to flourish for life.

audience

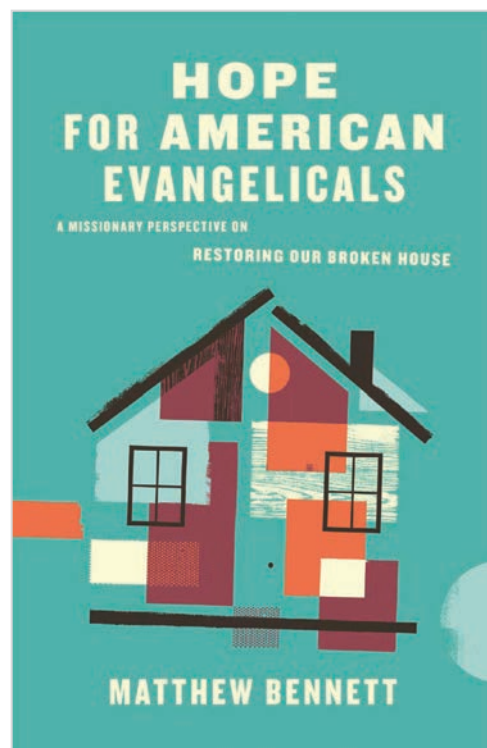

- New and seasoned believers who want to become healthy Christians
- Members of The Village Church and those connected to him through the church's Institute program
- Pastors, children's ministers, and church leaders looking for a book to give new believers at their churches

Hope for American Evangelicals

A Missionary Perspective on Restoring Our Broken House

MATTHEW BENNETT

Is the American evangelical house in order? Is it in need of a remodel? Or—even worse—should we sell the house altogether and look for another home?

In *Hope for American Evangelicals*, professor and former missionary Matthew Bennett inspects the American evangelical home. Perhaps, like him, you love evangelical doctrine, love the community in which you've been spiritually nurtured, and want to see it again become a thriving, hospitable environment for guests. But perhaps, also like Bennett, you think the home needs some touching up before this can be true.

In this book, with insights from Lesslie Newbigin, Bennett helps readers inspect the American evangelical house through the eyes of a missionary. As you join him on the tour, you'll learn about:

- American evangelicalism's neighborhood: how we can contextualize the gospel in our communities
- Our dining room: ethnic diversity as a proof of the gospel's truth
- Our living room: the connection between our theology and the actual lives we live
- Our bedroom: sexual idolatry in the church
- Our yard: the difference between a manicured ministry and a missional ministry
- Our address: the relationship between our heavenly citizenship and our national citizenship

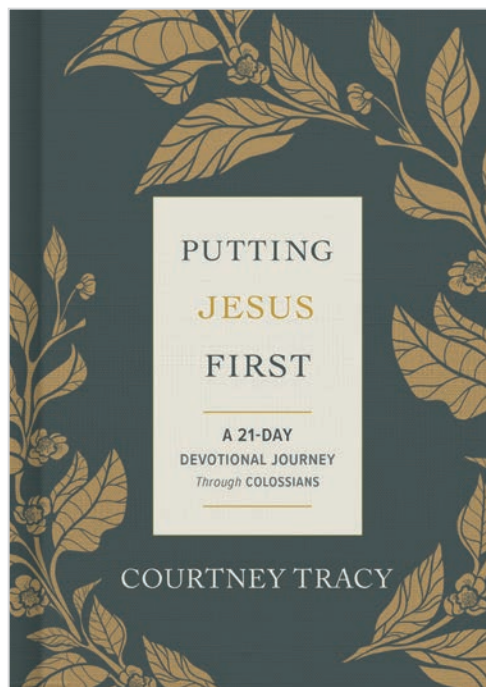

audience

- Evangelical Christians in the west in their 20s–30s
- Theologically and politically focused Christians seeking to better know how to think about the western church

Missional Leadership

Taking Initiative for the Glory of God and the Good of the World

CHARLES W. SMITH

We don't need a strategy. *We need a Father.*

We live in an age that is simultaneously fascinated with, and fearful of, leadership. An endless barrage of conferences, books, blogs, and podcasts testify to a growing interest in the field. Yet, it seems so few are converting their interest into action. Like fans at an NFL football game, many of us are intrigued by the spectacle and may even daydream about stepping into the arena. Ultimately, our fear of embarrassment and injury keeps us in the stands.

In his debut book, author, coach, and leadership professor Charles Smith helps readers understand that in response to our fear, leaders often forgo leadership altogether. Many of us are too scared to lead, but too proud to appear disengaged. Stuck in the middle, we simulate leadership. But God is calling us out of the stands and into the arena. He is calling us to follow Him deep into the wild and restless world around us.

We are not going alone—He has gone before us and promises to go with us. He will surely give us everything we need.

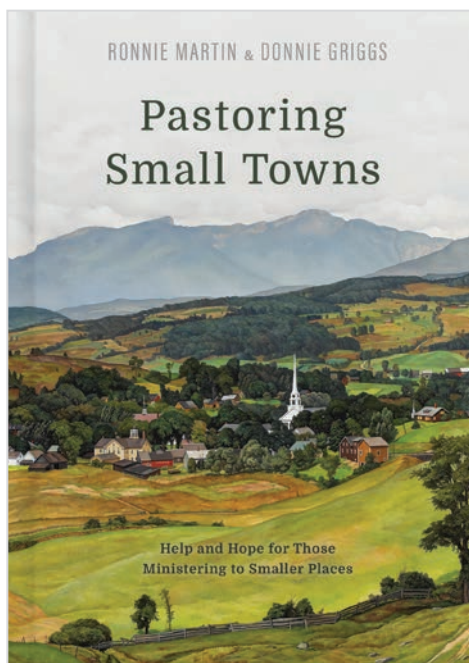

audience

- Pastors; church and ministry leaders
- Seminary students and those preparing for pastoral ministry
- Readers of other books like *The Leadership Formula*, *Designed to Lead*, *Turnaround*, *Big Results Leadership*, and others

marketing highlights

Pastoring Small Towns

Help and Hope for Those Ministering to Smaller Places

RONNIE MARTIN and DONNIE GRIGGS

Small town life is quite different from life in a big city. There is not as much traffic. People recognize each other at the grocery store. Local sporting events carry a different cultural weight, and it may not be out of the ordinary to wait behind a tractor or get used to the smell of a nearby factory. These communities are unique, and pastoring here is an extraordinary task.

Ronnie Martin and Donnie Griggs are well-aware of this reality. In *Pastoring Small Towns*, their hope is to equip pastors and ministry leaders to take on the different nuances that come with pastoring smaller communities. They point out the cultural realities of these places and give pastors the tools to effectively engage their people with the gospel.

audience

- Young pastors leading churches in small towns
- Seminary students and those preparing for pastoral ministry
- Buyers of books like *Deep Discipleship*, *Reclaiming Rural*, and others

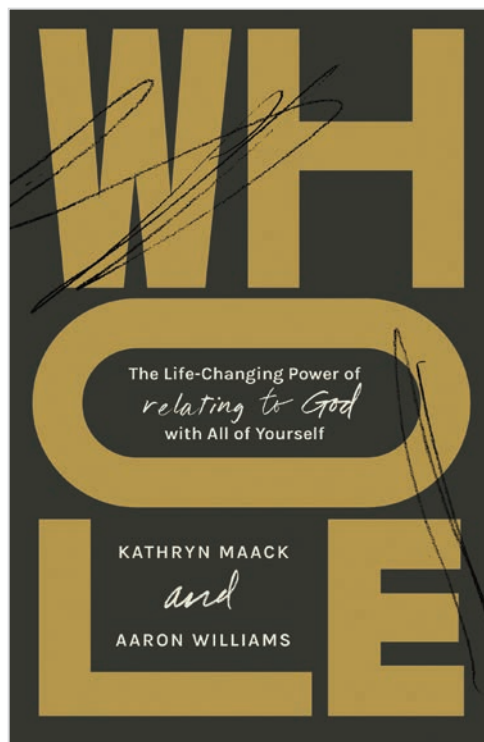

marketing highlights

- This book meets a felt need among recent seminary graduates and young pastors who are often unprepared to pastor a church in a small town, where the strategy is different
- Ronnie Martin and Donnie Griggs show readers the importance of building relationships and trust with church members/the community
- B&H will leverage the authors' connections with ministry leaders and purchasers of Lifeway Christian Resources

DONNIE GRIGGS was born and raised in a small town called Morehead City, in coastal North Carolina, where he planted One Harbor Church. Donnie's passion is to see churches in small towns and rural areas equipped and empowered to radically engage culture and make disciples. Because of this passion, in addition to leading One Harbor Church, Donnie also travels frequently in the United States and internationally to help strengthen and encourage other church leaders and planters.

RONNIE MARTIN is founder and lead pastor of Substance Church (EFCA) in Ashland, Ohio. Before pastoral ministry, Ronnie was an internationally known recording artist, producing and releasing over fifteen albums for the Tooth and Nail Records label. In addition to pastoring Substance, Ronnie is also the director of Leader Renewal for Harbor Network, a church planting collective based out of Louisville, Kentucky. He has authored six books, including the upcoming *The God Who Is with Us* (Oct. 2022, B&H), and regularly speaks at conferences for pastors and church planters.

Whole

The Life-Changing Power of Relating to God with All of Yourself

KATHRYN MAACK and AARON WILLIAMS

Do you ever feel like your spiritual life is incomplete? That makes sense, because we can tend to separate things God always meant to go together. We say we are a thinker or a feeler. A “be” person or a “do” person. A “truth” lover or a “Spirit” lover.

While separating these things seems normal to many Christians, doing so is actually as crazy as calling yourself an “inhaler” or an “exhaler”—after all, both are necessary to survive! If you’re feeling like you’re missing something on your spiritual journey, this segmented view of relating to God could be the problem. It might just be that in your efforts to choose the right side of or, you are forfeiting the life-changing power that comes with and.

In *Whole*, journey along with Kathryn Maack and Aaron Williams (founders of Dwell Ministries) as they explore the spiritual change that’s possible when you bring God not only the parts of yourself that feel natural to bring, but the held-back parts too. As you walk alongside them, you’ll learn how to reunite these areas of your Christian life:

- head + heart
- truth + spirit
- being + doing
- sinner + saint

God never meant for you to relate to Him with only part of yourself. He wants every part of you. So don’t hold back; bring the whole. And watch what happens!

audience

- Those who engage with, follow, and attend events from Dwell Ministries
- Followers and readers of books by John Mark Comer, Jennie Allen, and Louie Giglio
- Individuals interested in the holistic approach to mind and body wellness, and those who use the enneagram to learn about themselves and their motivations

marketing highlights

- *Whole* communicates the flagship message behind Dwell and will be the go-to resource for this ministry
- Readers will learn to bring their full selves to God including the side they’ve been holding back.
- This book meets a felt need among Christians who feel segmented in their spiritual lives and looking for transformation

KATHRYN MAACK is the cofounder of Dwell Ministries. She loves creating experiences that draw people to the joy of life with God. She and her husband BJ live in Little Rock, Arkansas, and have four kids: Libby, Anna, Rachel, and Andrew.

Trembling Faith

How a Distressed Prophet Equips Us to Trust God in a Chaotic World

TAYLOR TURKINGTON

At times, our chaotic world reveals hints of the utter brokenness in which we live, like a peek behind the veneer. Neighbors taking advantage of others, unjust verdicts, and unfair beginnings. As people of faith in a powerful God, we want to lift our faces to heaven to cry out or bury our face in our hands to whisper prayers. Either way we utter things like “God, please help,” “God, what are you doing?” and “God, those people are terrible!”

We aren’t alone in those words we lift to heaven.

In fact, our frustrating and exhausting experience with chaos, injustice, and corruption is much like that of the distressed prophet Habakkuk in the Old Testament. He said those very things. When we’re looking for answers or just additional words for our prayers, his book is for us. His story is a prayer session—a surprisingly relevant one—open for eavesdroppers. We follow his journey of wrestling with evil, and we hear from God on how to live. Habakkuk doesn’t see “living by faith” as a cliché to be written on a pillow or bumper sticker, but a way to survive.

As you join Taylor Turkington (Bible teacher and former director of TGC Women’s Training Network) through the timeless story of Habakkuk, you will look at the situation of your own heart and world, and here you will find some of the most powerful chapters of the Bible that both confront and console you. You will learn that the only way to not just survive, but find lasting hope is through gritty, trembling, wrestling faith in the God who works in our chaotic world.

The Deacon Ministry Handbook

A Practical Guide for Servant Leadership

If you ask any pastor about what keeps their church moving forward, they will all likely point to the serving work of the deacon. These special men who are known for their unique leadership from the role of the servant are the foundation of healthy churches, no matter the size. They make visits to those that are homebound or those who are sick and pray and care for those in need.

Aspiring deacons see the actions of these servants, forming their understanding quite well on what a deacon does, but this does not equate to understanding what a deacon is. Through this book Alan Witham and other men who have served the church well for decades bring clarity to the role of a deacon by providing a practical guide for the role of the deacon.

- Elders, pastors, and those in leadership positions

marketing highlights

The Ways of God, Updated Edition

How God Reveals Himself Before a Watching World

RICHARD BLACKABY

Have you ever wondered how God is at work in this world? How is God accomplishing His purposes and revealing His will to His people, ever molding them into the holy people He wants them to be?

In this updated edition of the bestselling book by Dr. Henry Blackaby, his son, Richard Blackaby, discusses how Christians might approach understanding the ways of God, holding in tension the glory of His work that is too great for the mind to behold. God's ways reflect His nature and glory, contrasting how they are different from the ways of man and are constant and consistent with His Word. God is working to call His people into holiness and into a deeper relationship with Him. Eternal and mysterious are the ways of God!

Mind the Gap

Leading Your Church to Deeper Agility and Effectiveness in Any Environment

CLINT GRIDER

The traps ministry leaders fall into are many. If every seat is filled during a service, one might assume what they are doing is working and people's lives are being changed. If classrooms are packed, one might be tempted to think their people are fully involved in what is happening at their church, but is attendance a trustworthy metric for evaluating the health of the church?

In *Mind the Gap*, Clint Grider offers a thoughtful and practical approach to answering the deeper question that plagues many pastors' minds: "Is what I'm doing actually working?" Clint offers an approach through the extended metaphor of the underground railway system found in the United Kingdom to connect many of the "gaps" that exist in ministry.

audience

- Pastors
- Seminary students
- Ministry leaders

marketing highlights

- Clint Grider has led nonprofit organizations for more than twenty years, and is an expert on strategic leadership
- *Mind the Gap* expresses the importance of being an effective leader with the purpose of pointing people to Christ

CLINT GRIDER has been a respected vision optimizer, momentum catalyzer, and leader of churches, ministries, and other nonprofit organizations for more than twenty years. He identifies key strengths and systemic nuances at the core of an organization's culture. His skillful and philanthropic leadership has been proven in multiple environments such as churches, universities, medical research, global ministries, and entrepreneurial settings.

Grider serves as chief integration officer and senior lead navigator for Auxano, a leading not-for-profit consulting firm serving several hundred select clients per year. He received his bachelor's in business administration and marketing from Baylor University, master's in educational psychology from Baylor, and PhD in educational administration from Texas A&M. How Marriage Points Us to God's Love

SAM ALLBERRY

Ethan and Lila are confused. Tons of people are at their grandparents' house to celebrate—but they can't think of a reason for the party! When the kids learn it's their grandparents' fiftieth wedding anniversary, Ethan and Lila are still stumped.

What's so special about marriage?

In this sweet and essential picture book, author Sam Allberry invites readers to learn along with the main characters that God gave humans marriage to be like a sign. In the way street signs help us find important places such as a hospital, airport, or playground, marriage helps us understand God's special love. When a man and woman keep loving each other—even when they're sick or old or let each other down—we catch a glimpse of God's love, which never, ever runs out on us. By the end of the story, young readers will understand marriage isn't primarily about us; it's primarily about God.

Sam Allberry is a well-respected author on the topic of human sexuality. He has written multiple books on the subject, including *Is God Anti-Gay?*, *What God Has to Say about Our Bodies*, *Why Does God Care Who I Sleep With?*, and *7 Myths about Singleness*.

God at Work in the Bible's Tales of Home

CAROLINE SAUNDERS

In *The Story of Home*, author Caroline Saunders takes the reader through a journey of Old and New Testaments, tracing the theme of home. After the first man and woman leave their perfect garden home, every place since—from Egypt to the Promised Land to Babylon to Jerusalem—does not quite feel the same. God's people build tabernacles and temples to be closer to God, but that homesick feeling remains.

Who will help God's people? Who will make a way home?

Through the wood of the cross and the nails in His hands, God's Son, Jesus, builds the way home! His home is for everyone who is lonely and lost; it's for everyone who longs to live with God. It's the homiest of homes—better than any tabernacle, temple, or garden. No one makes a home like God!

With stunning illustrations and lyrical prose, *The Story of Home* is sure to captivate young readers with its powerful visuals and a compelling, biblical storyline. This book is a follow-up to the first picture book in the series, *The Story of Water: God at Work in the Bible's Watery Tales*.

Dietrich Bonhoeffer

The Teacher Who Became a Spy

MOLLY FRYE WILMINGTON

Not every story of a Christian hero includes a world war, a cruel enemy, secret missions, and even a code for you to break. But Dietrich Bonhoeffer's story does.

In the pages of this unique picture book, Shep the sheepdog narrator shares the powerful tale of how a teacher named Bonhoeffer bravely followed Jesus during a scary time in world history. Hear how Bonhoeffer the teacher broke down racial, religious, and economic barriers to teach others and how Bonhoeffer the spy used clever thinking and crucial codes to defy the Nazis and help the Jews, even when it cost him his life.

Using comforting narration and imagery of a Good Shepherd and a cruel wolf, this book helps children understand the intersections of faith, perseverance, and suffering in an age-appropriate way. Young readers will see how Christians care for those who are different from themselves and will be inspired, as Bonhoeffer was, to trust God in all circumstances and stand firm in faith.

INTRODUCING BIBLE STUDIES *with* VIDEO ACCESS INCLUDED!

As trends in media consumption change from DVDs to streaming video, Lifeway made the decision to invest in technology that would allow for Bible studies to be accessed through mobile devices and smart TVs in addition to our website.

The concept of a Bible study book with video access allows us to use the technology to give all participants easier access to teaching videos. This will alleviate a concern we have heard from many group leaders of members who stop coming to their group after they miss a week of study.

How will customers access the videos that come with their Bible study book with video access?

There is a unique access code printed in each Bible study book. They will access their video content at my.lifeway.com or through the Lifeway On Demand app.

How long will they have access to the videos that come with their Bible study book?

There is no expiration date on the video access that comes with their Bible study book. They'll be able to access it as long as it is available through our Lifeway On Demand video apps.

What are the benefits of video access being included in each Bible study book?

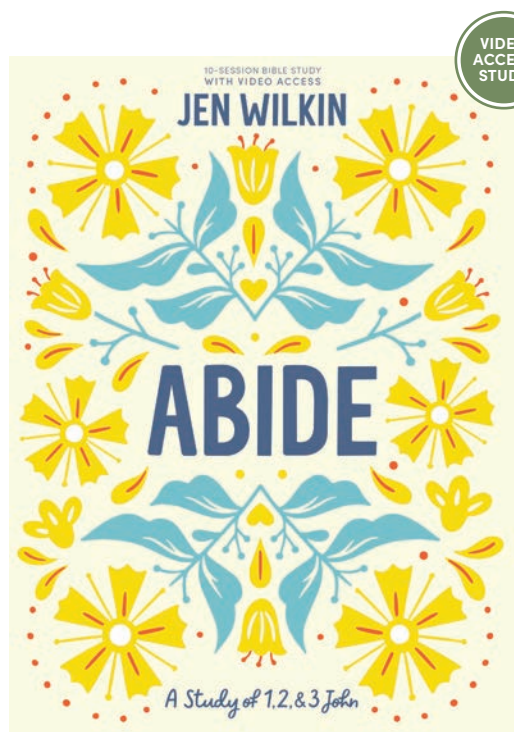

- This provides more flexibility for group meeting time. Groups now have the option to have group members watch video sessions outside of group meetings to allow more time for discussion.
- If a group member misses a weekly group meeting due to sickness or travel, they will be able to access the video content on their own and continue in their study.
- Group members can re-watch video sessions that were particularly impactful on their own time.
- This simplifies what a group leader needs to facilitate Bible study. You'll now get everything you need with just the Bible study book.
- Our goal is to provide an affordable option for both individuals and churches who are looking for Bible study options.

What do churches and individuals need to lead a group?

Each group member will need a Bible study book, which will include video access. There is also a DVD option for groups who want a non-streaming viewing option. For the best experience, we recommend each group member have a Bible study book.

When do group leaders need a DVD Set?

Because the Bible study book includes video streaming access, the purchase of the DVD set is optional (not essential) for group leaders. This option is for groups who may not have reliable streaming internet access.

If you're going through life and find that your mood and manner are tossed to and fro by the waves of circumstance something may be out of sync. Self-help and self-improvement are not the answer. Songs of Praise and Lament

Philippians

Rejoice in the Lord

JUAN SÁNCHEZ

While being thrown in prison may be cause for despair, for the apostle Paul it was a cause for joy. Why? Because through it all the Philippians had walked in partnership with him. Rather than feel abandoned, Paul felt supported. Rather than feel useless, Paul redeemed the opportunity. Through their financial gift, the Philippians participated in Paul's ministry and shared in his imprisonment. And for that, Paul and the Philippians had reason to rejoice. As we study Philippians, we too will learn of the joy of partnership for the sake of the gospel.

Your Relational Strategy to Reach Teen Girls

AMANDA MEJIAS

Did you know that if you've been entrusted with a teen girl in your life, you have been called to girls ministry? Experiencing Life and Freedom in Christ

RYAN MCDERMOTT

When Jesus shows up, dead comes to life.

In the book of John, we read the miraculous story of Jesus raising Lazarus from the dead. As Jesus called to his friend, Lazarus rose from his grave, breathing, moving — fully alive — and yet still bound by the clothes he was buried in. Before stepping into the new life that Jesus called him to, he first had to step out of the old. Is it possible that, like Lazarus, we too are still bound? Held back by fear, or pride, or shame. Wrapped up in sin, or hurt, or anger, or unforgiveness. Jesus has so much more in mind for those he calls back to life.

Are you ready to step out of your grave clothes and into the fullness and freedom that God desires for you?

In this new 6-session study, author Ryan McDermott invites us to shed the old life that has held us back and fully embrace the newness of life that Christ has made possible. Jesus died, not just so that we could have life, but so that we might be unbound and step into a new identity: holy, loved, chosen, and free.

features

- Interactive teaching videos featuring author Ryan McDermott available separately through the Lifeway On Demand app
- Leader Guide in the back of the Bible study book to guide questions and discussion with small groups
- Personal study segments to complete between group sessions
- Biblically rooted and gospel-centered
- 6 small-group sessions
- Free leader resources, including promotional video and social media assets, available for download at lifeway.com

benefits

- Video segments that help teens connect to the theme for that session
- Personal spiritual growth through individual time spent in Bible study with the content
- Overcome setbacks and obstacles on the path to spiritual growth.
- Students will be shown a life that is possible with Christ
- Provides a lens to understanding the sin issues in their life
- Encourages conversation around the importance of community and accountability

RYAN MCDERMOTT has served the local church as a full-time Youth Pastor since the age of 19. His life's mission is to love his wife well, be his kids' hero, lead thousands to Jesus, and help students be brave enough to believe they can change the world. He holds an undergraduate degree in Christian

Leadership and Youth Ministry from Palm Beach Atlantic University and a Masters degree in Ministerial Leadership from Southeastern University. Ryan currently serves as Executive Director of Family Ministry at Christ Fellowship Church, where he has been on staff since May of 2010. He and his wife Christine live in south Florida with their two wonderful kids, Declan and Kinley.

Bibles

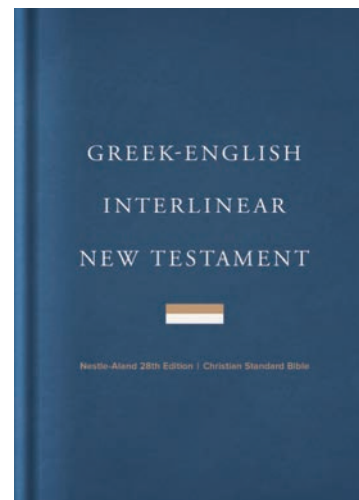

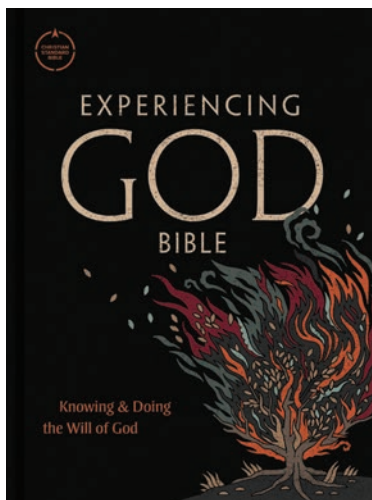

Featuring the **CHRISTIAN STANDARD BIBLE**

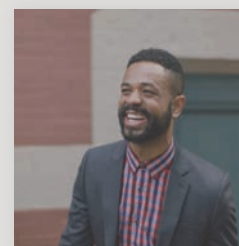

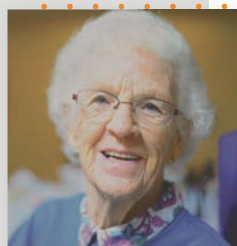

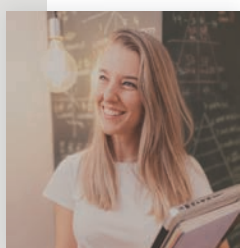

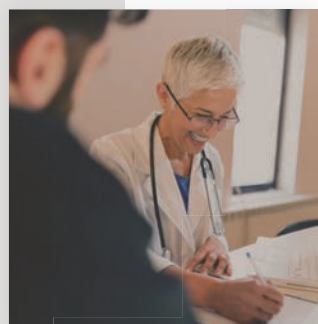

Accurate. Readable. Shareable. The Christian Standard Bible is a translation for everyone—a translation you can take to seminary and read to your kids. A translation that new believers can understand and that every believer can return to for lifelong discipleship.

The CSB captures the Bible’s original meaning without sacrificing clarity. It’s an optimal blend of accuracy and readability—in the many places throughout Scripture where a word-for-word rendering is clearly understandable, a literal translation is used. When a word-for-word rendering might obscure the meaning for a modern audience, a more dynamic translation is used.

The result is a translation that communicates both the words and the thoughts of the original text clearly and accurately to today’s readers. A translation pastors can preach from and one you can share with your neighbor hearing God’s Word for the very first time.

Every Christian is unique.

We don't all talk the same, look the same, or think the same.
But we can all gather around the same Bible.

For every person in your church, the Christian Standard Bible is
an exceptionally clear and faithful translation—so your whole
congregation can meet God through his life-transforming Word.

Our Secular Vocation

Rethinking the Church's Calling to the Marketplace

J. DARYL CHARLES

The divide between the sacred and the secular life has dogged Christians for centuries. Even today, many Christians and church leaders still assume that the workplace is inferior to pastoring, Bible study, mission trips, and the like. This volume provides a different approach: it surveys the persistence of the sacred-secular divide in Christian history to develop a more robust theology of vocation while engaging with both the Old and New Testament. Charles offers a vision for numerous ways Christians are called to live faithfully in the so-called secular world.

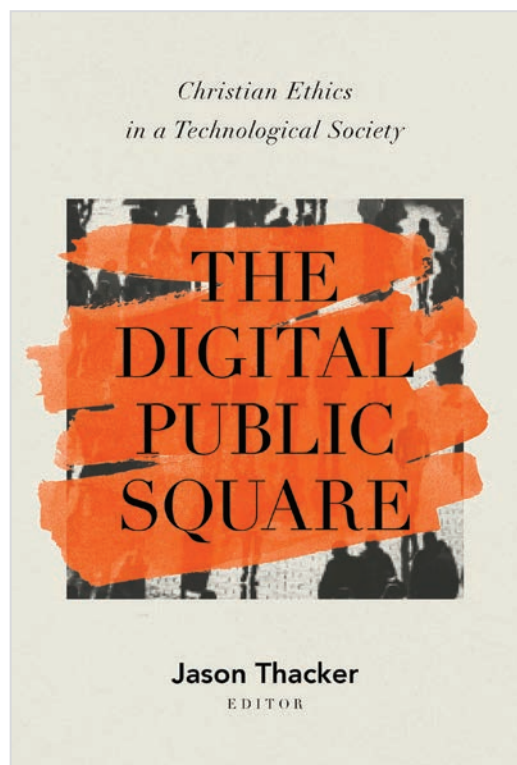

audience

- Undergraduate and graduate students studying theology, worship, and pastoral ministry. This includes scholars interested in historical and biblical surveys of the theology of work and vocation
- Thoughtful trade audiences interested in the intersection of Christian tradition and vocation, as well as those interested in cultural engagement
- Pastors seeking resources on faith and work as they shepherd their congregations

marketing highlights

- This book offers a robust theology of vocation that is contextualized by Christian tradition and seated firmly in Scripture
- The author unites the sacred and the secular by exploring what the Bible and Christian tradition have to say about life in the world
- This title is unique in its “whole-canon” survey of work and vocation, including often neglected parts of Wisdom literature and the major and minor prophets

J. DARYL CHARLES (PhD, Westminster Theological Seminary) is the Acton Institute Affiliated Scholar in Theology and Ethics.

Social Crisis Preaching

Biblical Proclamation for Troubled Times

TYSHAWN GARDNER

This book provides a theology for social crisis preaching by arguing that Christian proclamation is the best prescription for the social crises in our world. *Social Crisis Preaching* positions the pastor as a sacred anthropologist, one who is aware of both the crises in one's community, but also as one who has a firm understanding of the people in the pews. It also equips the preacher with both the hermeneutical and homiletical tools to confront social crisis with biblical integrity. Lastly, this book argues that social crisis preaching develops Christians disciples and congregations, as those who care about and confront the social crisis in their neighbor's community, following the biblical mandate to "love your neighbor as yourself."

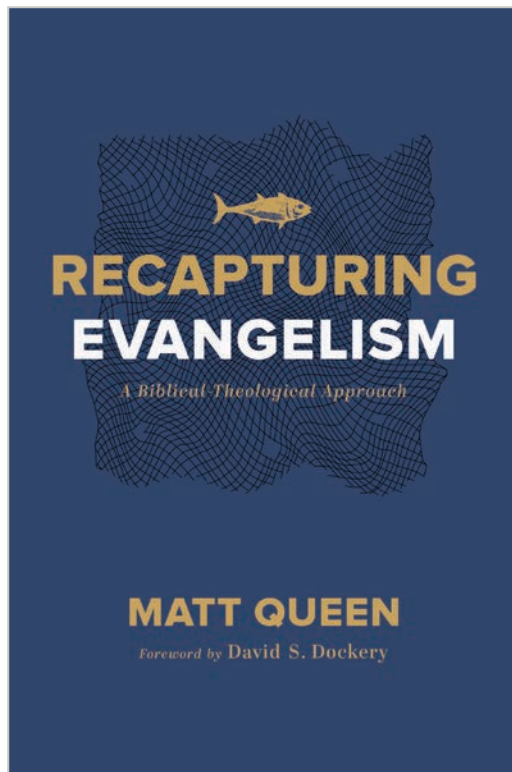

audience

- Pastors, preachers, and other ministry practitioners who want to know more about effectively preaching through times of social upheaval
- Undergraduate and graduate students and professors at Christian colleges and seminaries, specifically in the areas of preaching, homiletics, and pastoral ministry

marketing highlights

- Preaching and shepherding through times of social crisis has become an urgent and felt need across congregations in America, and many are at a loss for how to engage these conversations and their communities in a way that doesn't increase division or controversy. Gardner writes from a place of wisdom and experience to guide ministers in how to effectively speak God's Word into these situations
- The author is a longtime professor & practitioner who specializes in the field of African American preaching tradition, social crisis preaching, and social justice. He is a known and trusted voice in this conversation, which requires a delicate yet steady hand

Clásicos de la fe: Obras selectas de Casiodoro de Reina

CLASSICS OF FAITH: CASIODORO DE REINA

The most popular version of the Spanish translation of the Bible is the "Reina-Valera". But, the men responsible for this work are not talked about enough in our day. This volume of *Clásicos de la Fe* brings us closer to one of these men, Casiodoro de Reina, and introduces us to some of his important works, including A confession of faith, a Catechism, and a selection of letters ranging from his request to allow Spaniards to worship in London (1560) to his response to Olevianus concerning his confession of faith.

Reina's ministry has been influential for generations through the Spanish Bible, and this volume brings us closer to the man and his convictions as he labors to serve God during those difficult years in Europe.

La versión más popular de la traducción al español de la Biblia es la "Reina-Valera". Pero no se habla lo suficiente en nuestros días de los hombres responsables de este trabajo. Este volumen de Clásicos de la Fe nos acerca a uno de estos hombres, Casiodoro de Reina, y nos presenta algunas de sus obras importantes, entre ellas Una confesión de fe, un Catecismo y una selección de cartas que van desde su petición de permitir a los españoles adorar en Londres (1560) hasta su respuesta a Olevianus sobre su confesión de fe.

El ministerio de Reina ha sido influyente durante generaciones a través de la Biblia en español, y este volumen nos acerca al hombre y sus convicciones mientras trabaja para servir a Dios durante esos años difíciles en Europa.

Un hombre libre

A FREE MAN
 MARIO ESCOBAR

The main objection to the christian faith is the problem of evil. Many Christians still do not know how to understand and explain the reality of suffering and death, and how to reconcile the descriptions of a loving, good, and omnipotent God with a world that sometimes seems extremely perverse and out of control. By concluding with how the last chapter of history develops in Revelation and the personal testimonies of how God used evil in the lives of several Christians (including the author's personal testimony), the reader will find answers and hope to biblically understand God's purpose in allowing a fallen world in our time.

La principal objeción a la fe cristiana es el problema del mal. Muchos cristianos todavía no saben cómo entender y explicar la realidad del sufrimiento y la muerte, y cómo reconciliar las descripciones de un Dios amoroso, bueno y omnipotente con un mundo que a veces parece extremadamente perverso y fuera de control. Al concluir con cómo se desarrolla el último capítulo de la historia en Apocalipsis y los testimonios personales de cómo Dios usó el mal en la vida de varios cristianos (incluido el testimonio personal del autor), el lector encontrará respuestas y espera comprender bíblicamente el propósito de Dios al permitir un mundo caído en nuestro tiempo.

¿Quién es Jesús?

WHO IS JESUS?

CÉSAR VIDAL

Abridged version of *Más que un rabino*: Jesus of Nazareth is adored, venerated, and admired by millions and millions of people. God, for some, teacher, for others.

The truth, however, is that His history and true teachings are largely ignored by the masses. Centuries of interpretations and manipulations have hidden the fact that Jesus was not a Christian. Jesus was born, lived and died a Jew, and we cannot fully understand his teachings and impact on religion until we fully understand that fact.

Versión abreviada de Más que un rabino: Jesús de Nazaret es adorado, venerado y admirado por millones y millones de personas. Dios, para algunos, maestro, para otros. La verdad, sin embargo, es que Su historia y sus verdaderas enseñanzas son ignoradas en gran medida por las masas. Siglos de interpretaciones y manipulaciones han ocultado el hecho de que Jesús no era cristiano. Jesús nació, vivió y murió como judío, y no podemos entender completamente sus enseñanzas e impacto en la religión hasta que entendamos completamente ese hecho.

5 cosas para orar por tu mundo

5 THINGS TO PRAY FOR YOUR WORLD

When we watch the news, our hearts break for a world in need. But Christians are not powerless to help: we can pray. In fact, that's exactly what God tells us to do: "petitions, prayers, intercession and thanksgiving [should] be made for all people" (1 Timothy 2 v 1-2). If we're serious about reaching our local community with the gospel, the first thing we'll do is pray.

Trouble is, most of us don't know where to start. How do we pray meaningfully for people who we don't know and will probably never meet? Deep down, the issues seem too big, too emotionally disconnected, and we're not sure our prayers will really make a difference.

That's where this little book is designed to help. It will equip you to pray powerful prayers for the world around you; prayers that really change things, because they're based on God's word.

Each spread takes a passage of Scripture and suggests 5 things to pray for a local, national, or international issue. Because when we pray in line with God's priorities as found in his word, our prayers are powerful and effective (James 5 v 16)—and that's a truly thrilling prospect.

Cuando vemos las noticias, nuestros corazones se rompen por un mundo necesitado. Pero los cristianos no son impotentes para ayudar: podemos orar. De hecho, eso es exactamente lo que Dios nos dice que hagamos: "las peticiones, las oraciones, la intercesión y la acción de gracias [deben] hacerse por todas las personas" (1 Timoteo 2 v 1-2). Si nos tomamos en serio alcanzar a nuestra comunidad local con el evangelio, lo primero que haremos es orar.

El problema es que la mayoría de nosotros no sabemos por dónde empezar. ¿Cómo oramos significativamente por las personas que no conocemos y que probablemente nunca conoceremos? En el fondo, los problemas parecen demasiado grandes, demasiado desconectados emocionalmente, y no estamos seguros de que nuestras oraciones realmente hagan una diferencia. Ahí es donde este pequeño libro está diseñado para ayudar. Te equipará para orar oraciones poderosas por el mundo que te rodea; oraciones que realmente cambian las cosas, porque se basan en la palabra de Dios.

Cada propagación toma un pasaje de las Escrituras y sugiere 5 cosas para orar por un problema local, nacional o internacional. Porque cuando oramos de acuerdo con las prioridades de Dios que se encuentran en su palabra, nuestras oraciones son poderosas y efectivas (Santiago 5 v 16), y esa es una perspectiva verdaderamente emocionante.

Antes de perder tu fe

BEFORE YOU LOSE YOUR FAITH

IVÁN MESA

"I'm deconstructing." Yet another social-media post announces departure from the Christian faith. The cause could be sex, race, politics, social justice, science, hell—or all of the above. For many, Christianity is becoming implausible, even impossible to believe.

While it might be tempting to leave the church in order to find answers, *Before You Lose Your Faith* argues that church should be the best place to deal with doubts. Featuring contributors such as Claude Atcho, Rachel Gilson, Jay Y. Kim, Brett McCracken, Karen Swallow Prior, Derek Rishmawy, and Jared C. Wilson, this book shows deconstructing need not end in unbelief. In fact, deconstructing can be the road toward reconstructing—building up a more mature, robust faith that grapples honestly with the deepest questions of life.

«Estoy deconstruyendo». Otra publicación en las redes sociales anuncia el alejamiento de la fe cristiana. La causa podría ser el sexo, la raza, la política, la justicia social, la ciencia, el infierno, o todo lo anterior. Para muchos, el cristianismo se está volviendo inverosímil, incluso imposible de creer. Si bien puede ser tentador dejar la iglesia para encontrar respuestas, «Antes de perder tu fe» argumenta que la iglesia debe ser el mejor lugar para lidiar con las dudas. Con colaboradores como Claude Atcho, Rachel Gilson, Jay Y. Kim, Brett McCracken, Karen Swallow Prior, Derek Rishmawy y Jared C. Wilson, este libro muestra que la deconstrucción no tiene por qué terminar en incredulidad. De hecho, la deconstrucción puede ser el camino hacia la reconstrucción, construyendo una fe más madura y robusta que lidie honestamente con las preguntas más profundas de la vida.

No desperdices tus emociones

DON'T WASTE YOUR EMOTIONS

ALEJANDRA SURÁ

Our emotions can be confusing. One day is bright, the next day is dark. Thankfully, the Bible does speak about these moments. However, it seems that our hearts continue to live at the mercy of our daily emotions. In this book, Ale Sura wants to reframe your mindset about your emotions, so that whether you find yourself in a valley or happy on the mountain-top, you can come to understand how to honor God with our feelings as we seek to live faithfully in a broken world.

Nuestras emociones pueden ser confusas. Un día son brillantes y el día siguiente son oscuras. Afortunadamente, la Biblia habla de estos momentos. Sin embargo, parece que nuestros corazones continúan viviendo a merced de nuestras emociones diarias. En este libro, Ale Sura quiere replantear tu mentalidad sobre tus emociones, para que ya sea que te encuentres en un valle, o feliz en la cima de la montaña, puedas llegar a entender cómo honrar a Dios con nuestros sentimientos mientras buscamos vivir fielmente en un mundo roto.

De la Biblia a la vida

FROM THE BIBLE TO LIFE

PATRICIA NAMNÚN

In the past few years we have witnessed a significant increase in ministries strategizing around equipping women for their multiple callings (work, home, church, spouse, etc.). The momentum has been nothing short of spectacular as it has answered questions of why and what needs to happen. However, like any movement, the need to show HOW to go about this has not been as clear. In *De la Biblia a la vida* the reader will find answers about their professional life, homemaking, local church ministry, loving your neighbor, etc. that will guide you toward flourishing and faithful lives before the face of God.

*En los últimos años hemos sido testigos de un aumento significativo en los ministerios que elaboran estrategias para equipar a las mujeres para sus múltiples llamamientos (trabajo, hogar, iglesia, cónyuge, etc.). El impulso ha sido nada menos que espectacular, ya que ha respondido a preguntas de por qué y qué debe suceder. Sin embargo, como cualquier movimiento, la necesidad de mostrar cómo hacer esto no ha sido tan clara. En *De la Biblia a la vida* el lector encontrará respuestas sobre su vida profesional, las tareas domésticas, el ministerio de la iglesia local, amar a su prójimo, etc. que lo guiarán hacia vidas florecientes y fieles ante el rostro de Dios.*

ANDREW PETERSON is an award-winning singer-songwriter and author. The second book in his Wingfeather Saga, *North! Or Be Eaten* (2009) won the Christy Award for Young Adult Fiction, and the fourth, *The Warden and the Wolf King* (2014) won World Magazine's Children's Book of the Year in August 2015.

Andrew and his wife, Jamie, have been married for over 24 years and have three children, Aedan, Asher, and Skye.

El Dios del jardín

THE GOD OF THE GARDEN

ANDREW PETERSON

There's a strong biblical connection between people and trees. They both come from dirt. They're both told to bear fruit. In fact, arboreal language is so often applied to humans that it's easy to miss, whether we're talking about family trees, passing along our seed, cutting someone off like a branch, being rooted to a place, or bearing the fruit of the Spirit. It's hard to deny that trees mean something, theologically speaking.

This book is in many ways a memoir, but it's also an attempt to wake up the reader to the glory of God shining through his creation.

One of the first commands to Adam and Eve was to "work and keep" the garden. Award-winning author and songwriter Andrew Peterson, being as honest as possible, shares a story of childhood, grief, redemption, and peace, by walking through a forest of memories: "I trust that by telling my story, you'll encounter yours. Hopefully, like me, you'll see that the God of the garden is and has always been present, working and keeping what he loves."

Sometimes he plants, sometimes he prunes, but in his goodness he intends to reap a harvest of righteousness.

Hay una fuerte conexión bíblica entre las personas y los árboles. Ambos provienen de la suciedad. A ambos se les dice que den fruto. De hecho, el lenguaje arbóreo se aplica tan a menudo a los humanos que es fácil pasarlo por alto, ya sea que estemos hablando de árboles genealógicos, pasando nuestra semilla, cortando a alguien como una rama, estando arraigado en un lugar o llevando el fruto del Espíritu. Es difícil negar que los árboles significan algo, teológicamente hablando. Este libro es en muchos sentidos una memoria, pero también es un intento de despertar al lector a la gloria de Dios brillando a través de su creación. Uno de los primeros mandamientos a Adán y Eva fue "trabajar y guardar" el jardín.

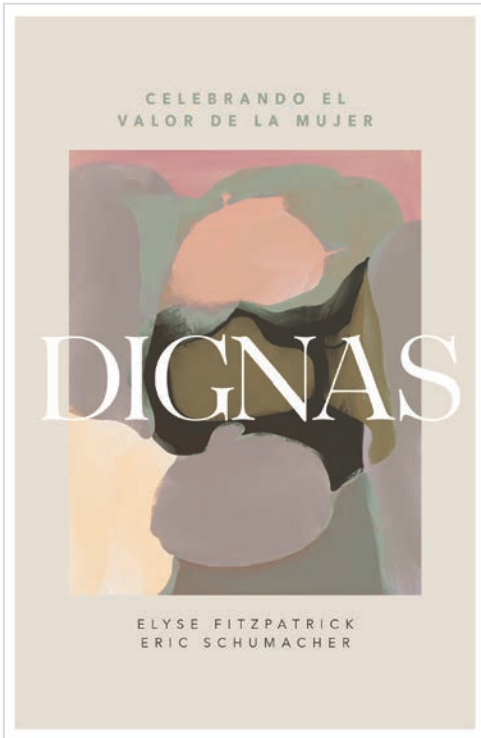

El galardonado autor y compositor Andrew Peterson, siendo lo más honesto posible, comparte una historia de infancia, dolor, redención y paz, caminando a través de un bosque de recuerdos: "Confío en que al contar mi historia, te encontrarás con la tuya. Con suerte, como yo, verás que el Dios del Jardín está y siempre ha estado presente, trabajando y manteniendo lo que ama". A veces planta, a veces poda, pero en su bondad tiene la intención de cosechar una cosecha de justicia.

Dignas

WORTHY

ELYSE FITZPATRICK and ERIC SCHUMACHER

What does the Bible say about the value of women? Does the Bible teach that women are as valuable as men or does it portray them as somehow more flawed, more suspect, or weak and easily deceived?

Beginning from Genesis and working all the way through the storyline of the Bible, Worthy demonstrates the significant and yes, even surprising, ways that God has used women to accomplish His kingdom goals. Because, like men, they are created in His image, their lives reflect and declare His worth. Worthy will enable and encourage both men and women to embrace this true and lofty vision of God's creation, plan, and their value in His eyes.

Bestselling author Elyse Fitzpatrick and pastor Eric Schumacher together invite women to embrace a transformative and empowering view of their Maker, themselves, and the church. But this isn't only a book for women. It is also a book for men, especially leaders, who want to grow in their understanding of God's perspective on women, people who normally make up the majority of their congregations; men who might be wondering if they've missed something amid the abuse scandals that are rocking the church.

¿Qué dice la Biblia acerca del valor de las mujeres? ¿Enseña la Biblia que las mujeres son tan valiosas como los hombres o las retrata como de alguna manera más defectuosas, más débiles y fácilmente engañadas? Comenzando desde Génesis y a través de la historia de la Biblia, Dignas demuestra las formas significativas y sí, incluso sorprendentes, en que Dios ha usado a las mujeres para lograr Sus metas del reino. Porque, como los hombres, son creadas a Su imagen y sus vidas reflejan y declaran Su valor.

Dignas permitirá y alentará tanto a hombres como a mujeres a abrazar esta visión verdadera y elevada de la creación de Dios, Su plan y su valor ante Sus ojos. La autora de éxitos de venta Elyse Fitzpatrick y el pastor Eric Schumacher invitan juntos a las mujeres a adoptar una visión transformadora y empoderadora de su Creador, de sí mismas y de la iglesia.

La batalla contra mi ansiedad

THE BATTLE AGAINST MY ANXIETY

There are many reasons to worry. And one Reason not to. We live in a broken, sad, scary place. We don't need to watch the natural disasters and political unrest in the news to know what our bodies already know. Our bodies get sick. Our minds are fragile. The mortality rate for humans is astonishingly high. There's plenty to worry about, and the world is full of faulty solutions for our anxieties. But true peace comes when we learn to hold God's Word up to what worries us. There, we learn we can't fix ourselves; we can't protect ourselves. Instead, the Bible tells us we can rest, knowing that Jesus walked into the broken, sad, scary places to rescue us and love us. He is the One who fixes. His is the only protection that matters.

Hay muchas razones para preocuparse. Y una razón para no hacerlo. Vivimos en un lugar roto, triste y aterrador. No necesitamos ver los desastres naturales y los disturbios políticos en las noticias para saber lo que nuestros cuerpos ya saben. Nuestros cuerpos se enferman. Nuestras mentes son frágiles. La tasa de mortalidad de los seres humanos es asombrosamente alta. Hay mucho de qué preocuparse, y el mundo está lleno de soluciones defectuosas para nuestras ansiedades.

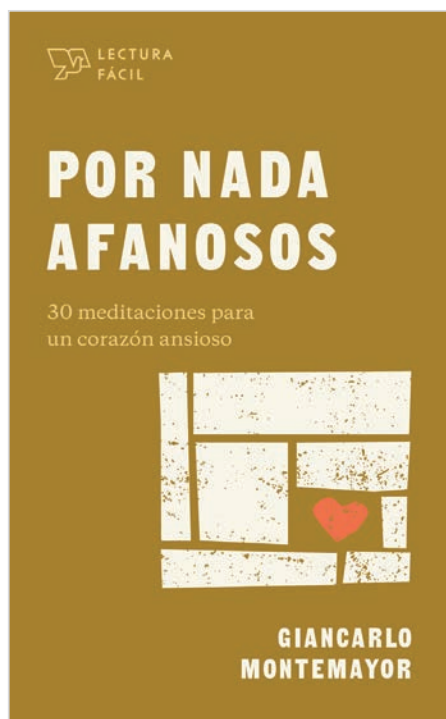

Pero la verdadera paz viene cuando aprendemos a mantener la Palabra de Dios a la altura de lo que nos preocupa. Allí, aprendemos que no podemos arreglarnos a nosotros mismos; no podemos protegernos. En cambio, la Biblia nos dice que podemos descansar, sabiendo que Jesús entró en los lugares rotos, tristes y aterradores para rescatarnos y amarnos. Él es el que arregla. La suya es la única protección que importa.

Por nada afanosos

ANXIOUS FOR NOTHING

GIANCARLO MONTEMAYOR

Anxiety is the one of those feelings that every person struggles with during his lifetime. It comes to our door when the things we thought were stable suddenly are threatened to be destroyed. The Bible tells us that we should never worry about anything, because anxiety never solves what it fears. This book explores what the Bible says about the cure for every form of anxiety.

El afán es uno de los sentimientos con los que todos luchamos durante nuestra vida. Viene a nuestra puerta cuando las cosas que pensábamos que eran estables repentinamente son amenazadas con ser destruidas. La Biblia nos dice que nunca debemos preocuparnos de nada, pues la ansiedad nunca soluciona lo que teme. Este libro explora lo que la Biblia dice sobre la cura a todas las formas de afán.

Si Dios es bueno, ¿por qué existe el mal?

IF GOD IS GOOD WHY DOES EVIL EXIST?

The main objection to the christian faith is the problem of evil. Many Christians still do not know how to understand and explain the reality of suffering and death, and how to reconcile the descriptions of a loving, good, and omnipotent God with a world that sometimes seems extremely perverse and out of control. This book summarizes answers to the genocides of the Old Testament, the imprecatory Psalms, and the existence of hell with eternal punishment and suffering for those who are not a part of God's family. By concluding with how the last chapter of history develops in Revelation and the personal testimonies of how God used evil in the lives of several Christians (including the author's personal testimony), the reader will find answers and hope to biblically understand God's purpose in allowing a fallen world in our time.

La principal objeción a la fe cristiana es el problema del mal. Muchos cristianos todavía no saben cómo entender y explicar la realidad del sufrimiento y la muerte, y cómo reconciliar las descripciones de un Dios amoroso, bueno y omnipotente con un mundo que a veces parece extremadamente perverso y fuera de control. Este libro resume las respuestas a los genocidios del Antiguo Testamento, los Salmos imprecativos y la existencia del infierno con castigo y sufrimiento eternos para aquellos que no son parte de la familia de Dios. Al concluir con cómo se desarrolla el último capítulo de la historia en Apocalipsis y los testimonios personales de cómo Dios usó el mal en la vida de varios cristianos (incluido el testimonio personal del autor), el lector encontrará respuestas y espera comprender bíblicamente el propósito de Dios al permitir un mundo caído en nuestro tiempo.

Paula y el exceso de tiempo en la pantalla

POLLY AND THE SCREEN TIME OVERLOAD
 BETSY CHILDS HOWARD

Technology can be a helpful tool and a source of enjoyment for many families—a way to aid children with learning, to connect with loved ones, and to provide entertainment. But as with many good gifts from God, tech devices are best used in moderation.

In this new picture book, readers meet Polly while on a trip to her grandparents' farm. During her visit she spends all her time on her new tablet instead of enjoying the farm animals and playing with her cousins. A chat with her grandfather teaches her that, though screen time can be good, it can also keep kids away from better things. Using simple language and beautiful illustrations, children ages 3-7 are introduced to the idea that technology is best enjoyed within boundaries.

La tecnología puede ser una herramienta útil y una fuente de disfrute para muchas familias, una forma de ayudar a los niños con el aprendizaje, conectarse con sus seres queridos y proporcionar entretenimiento. Pero al igual que con muchos buenos regalos de Dios, los dispositivos tecnológicos se usan mejor con moderación.

En este nuevo libro ilustrado, los lectores conocen a Polly durante un viaje a la granja de sus abuelos. Durante su visita, pasa todo su tiempo en su nueva tableta en lugar de disfrutar de los animales de granja y jugar con sus primos. Una charla con su abuelo le enseña que, aunque el tiempo frente a la pantalla puede ser bueno, también puede mantener a los niños alejados de cosas mejores. Usando un lenguaje simple y hermosas ilustraciones, a los niños de 3 a 7 años se les presenta la idea de que la tecnología se disfruta mejor dentro de los límites.
