Devoted to Jesus

From First Steps to Fully Surrendered

STEPHEN KENDRICK and ALEX KENDRICK

Jesus made disciples who made disciples. He went beyond merely teaching crowds and surprisingly invited His followers to walk with Him in a close, daily, devoted relationship.

They were completely transformed by Him and then spent their lives helping others become His disciples too.

Devoted to Jesus is an exciting new resource designed to help young believers to grow in Christ more rapidly, growing believers to walk with Christ more intimately, and mature believers to make disciples more faithfully.

Including fifty-two short chapters (read daily or weekly), this book inspires readers to:

- establish biblical foundations for living out their Christian walk
- develop deeper intimacy with Jesus in their daily devotional life
- move away from lukewarm religion to a vibrant, loving relationship
- discover fundamental keys to studying Scripture and praying effectively
- walk in victory over temptation, bitterness, worry, and fear
- live out their faith in their local church while personally mentoring others

Presented with simplicity and clarity, *Devoted to Jesus* is a journey you'll want to experience yourself and then walk through with others you influence. There is nothing better you could do with your life than surrender it fully to Jesus Christ, walk with Him in a daily, abiding relationship, and then share your life by helping others do the same.

This is discipleship. Let's begin.

PRISCILLA SHIRER's voice rings with raw power and clarity in packed-out arenas, conferences, and churches throughout the nation and the world. Whether through her speaking ministry, her bestselling books and Bible studies, or even on a movie screen—most recently in *The Forge*—her primary ambition is to lift up Jesus and equip His children to live victoriously. She's written on biblical characters (like Jonah, Elijah, and Gideon), through topical studies (*The Armor of God*), even a fiction series (The Prince Warriors), as well as award-winning, bestselling titles like *Fervent* (ECPA Christian Book of the Year), *The Resolution for Women*, and her *Awaken* devotional. She and her husband, Jerry, together lead Going Beyond Ministries and make their home near Dallas, Texas, where between writing and studying, Priscilla spends her days trying to clean up after (and satisfy the appetites of) the Shirer men, including her three rapidly growing young adult sons.

I Surrender All

PRISCILLA SHIRER

All to Him I Owe

From Priscilla Shirer comes this fervent appeal and invitation to surrender everything to Jesus. To follow Him not just as your Savior but as your priority, your first love, your Lord. To move beyond being a believer to becoming His disciple.

Because there is a difference.

Salvation is a gift of God. It's free. It's grace. It's the cross. Discipleship comes at a high cost. It's surrender. It's effort. It's a daily choice to lay down your life and follow His. Few believers choose this route, but the ones who do will experience the abundance that only the surrendered life can offer. It's the one choice standing between you and the life of freedom and fulfillment, of peace and purpose you've always wanted. *I Surrender All* is all about making that choice.

The choice that changes everything.

This book will be impossible to simply read because it beckons you to make a decision about the kind of Christian you will be. Prepare to engage, to write, to pray, and be called into a surrendered life. An abundant life. A disciple's life.

Count Me In

The Daring Life of a Jesus Follower

TRAVIS AGNEW with STEPHEN KENDRICK and ALEX KENDRICK

Today's students are constantly pulled toward a life of confusion and half-baked beliefs. But Jesus Christ is calling them to something greater than anything this world can offer. He offers eternal life that includes a living relationship with God, a radical commitment to truth, and a life of love, compassion, and purpose. A radical life that counts now and in eternity.

Count Me In walks students through the entire Gospel of Luke and Jesus's bold invitation to follow Him daily, obey Him faithfully, and trust Him completely. Each chapter focuses on an important element of discipleship, from studying Scripture to sharing Jesus with others. Students will be challenged with leading:

- *Do I value the right relationships?*
- *Do I have a healthy perspective of my earthly stuff?*
- *Do I let temptation and sin block my spiritual growth?*
- *Do I have a plan to keep my life intentionally grounded in Christ?*

Including reflection questions and discussion guides, this book can easily work for solo readers or group studies. Students should feel inspired to take on a deeper study of Scripture and challenged to take Christ's call of discipleship seriously in their own lives.

Jesus chose young followers in the first century and invites today's generation of young people to follow Him now. To know Him, love Him, and make Him known. To surrender and put Him first in every area. To be a part of His message and His mission to the nations. *Count Me In* will engage students to hear the amazing call of Jesus and to boldly live out their faith every day.

Rediscovering Christmas

A Twelve Day Journey to the Manger

JOHN GRECO

Year after year, countless believers immerse themselves in the story of the first Christmas, rehearsing the well-known tale of the baby King who was born into the humblest of circumstances. But for some, the nativity story has become so familiar, it has been robbed of its power. For others, the biblical narrative is more like a puzzle: the pieces are all there, but it's not clear how they all fit together. Luke talks about shepherds and a census, while Matthew deals with wise men and an escape to Egypt. There's a star and a manger and more angels than you can count—it can be hard to keep it all straight!

Rediscovering Christmas is a modern paraphrase of the Christmas story, drawn directly from the Gospels and created to help readers see the Father's heart in details that are all-too-often overlooked. The result is a seamless retelling of Jesus's birth that will fascinate new and mature believers alike. Also included are twelve devotional essays that invite readers to step into the first Christmas story as if they were there, going deeper into cultural contexts that will help them discover the goodness of God in fresh and surprising ways. This beautiful, hardcover volume is perfect for quiet times, group study, or family reading, and is sure to become a favorite holiday tradition.

audience

- Christians and busy families looking for an Advent guide that offers a twelve-day format, filled with rich depth of content in one seamless story
- Readers of other Advent devotionals like *The God Who Is With Us* by Ronnie Martin, *Salvation Has Come* by Gregg Matte, *The Expected One* by Scott James, *Come Let Us Adore Him* by Paul David Tripp, *Heaven and Nature Sing* by Hannah Anderson, and others
- Church leaders and pastors looking for a trustworthy Advent resource to recommend to their congregants or adopt into their church's end-of-year rhythm

marketing highlights

- This advent devotional offers twelve Scripture readings accompanied with devotions that offer surprise details about the Christmas story that the reader will find fascinating about the historical content
- John Greco was the theological editor for the *NIV Cultural Background Study Bible*, making him a trustworthy expert as he offers a modern retelling of the Christmas story that weaves together the Gospel accounts chronologically and highlights important cultural background tidbits along the way
- B&H will promote this book heavily leading up to the Advent season with paid social media ads, email marketing, publicity, and more

JOHN GRECO is a Bible geek who has spent the bulk of his career futzing with words in the Christian publishing and ministry worlds. He and his wife, Laurin, live just south of Nashville, where they daily wrangle their three small boys and dream of someday being the ones who get to take all the naps.

Theology/Angelology & Demonology

Angels & Demons

What the Bible Says about Spiritual Creatures

JOHN R. GILHOOLY

Christians in Bible-believing churches often do not receive explicit teaching on angels because expositional sermons focus on the meaning of the text—and the biblical authors are rarely focused on discussing angels. The consequence is that legends or superstitions often cloud our reflections about supernatural beings. Pastors also rarely receive in-depth exposure to this subject in seminary. This book satisfies a need for teaching about the angels for a popular audience who want to speak and think biblically about the spiritual realm, especially because many books on angels teach speculative views or borrow their ideas from other religions of the ancient near east.

audience

- Christians who are curious about the spiritual realm: angels, demons, and spiritual warfare
- Pastors, church leaders, Sunday school teachers, and parents looking for a resource to help them know, teach, and answer questions about angels and demons
- Readers of books that focus on similar theological concepts including *God, Gift, and Guide* and *Formed in His Image*

marketing highlights

- Angels and other spiritual subjects are of perennial interest both in the Christian marketplace and in the mass market
- This book responds to common questions and misconceptions surrounding a topic of great interest as evidenced by the secular bestselling Dan Brown books selling more than two hundred million copies
- Dr. Gilhooly teaches the concepts within this book on a college level, and has published academically on the subject so he is both a trustworthy guide for a harried topic while also writing clearly, accessibly, and joyfully
- B&H will promote this book with paid social media ads, email marketing, publicity, and more

JOHN R. GILHOOLY is a professor of philosophy and theology, who specializes in angelology and anthropology. He is director of the honors program at Cedarville University in Cedarville, Ohio, where he lives with his wife and three children.

Our Cry for Revival

365 Devotions for an Outpouring of God's Spirit

NICK HARRISON

What Christian isn't hungering for revival? Not just an emotional display of faith, but a revival that changes lives, renews churches, and can even change history. Such revivals as the Great Awakening, the Welsh Revival, and the Jesus Movement have earned their place in church history and are evidence that God is still alive and active. Even smaller revivals such as the recent revival at Asbury University in Wilmore, Kentucky, caught the attention of the world as upward of fifty thousand Christians traveled to the college campus to witness this move of God. The recent movie, *The Jesus Revolution* was a surprise success at the box office as, once again, Christians flocked to hear about revival.

Make no mistake, there is a worldwide hunger for revival, and especially so among American Christians. The great news is that every Christian has a part to play in bringing about revival. That part is first, last, and always prayer. Revivals are born from *prayer*. But will Christians pray? Do they really want revival? If recent events are indications of that fresh hunger for God in our midst, then the answer is a resounding yes!

With daily Scripture readings, reflections, prayer prompts, and quotes from classic Christian leaders, this 365-day guide will aid you in your quest to experience both personal and widespread revival through persistent prayer.

Yes, revival is on its way. Will you be one of the prayer warriors to usher in this next great move of God?.

audience

- Individuals wanting to see God move and who are looking for a daily devotional to start in the new year, and Christians interested in the subject of prayer and revival

- Pastors and church leaders taking their groups through a prayer program for the year

marketing highlights

- This 365-day devotional features a daily Scripture reading, reflection, prayer prompt for the reader, and a quote from a famous Christian hero. This format gives daily material for the entire year to help motivate readers toward revival prayer
- The trending topic of revival is on the hearts of many Christians looking for encouragement in the midst of dark days
- B&H will heavily promote this leading up to the new year as buyers are looking for a new year devotional by utilizing paid social media ads, email marketing, publicity, and more

A Short Guide to Student Ministry

A Helpful Approach for Leading the Next Generation

BEN TRUEBLOOD and SHANE PRUITT

Student ministry is one of the most demanding forms of ministry out there. Leaders are normally expected to teach twice a week, partner with parents, and be an active part of the students' lives outside of church. For the most part, many student ministry leaders know this going into the ministry of students, and yet are left realizing there is so much more than taking kids to camp and showing up for extracurricular activities.

In *A Short Guide to Student Ministry*, Shane Pruitt and Ben Trueblood recognize this reality and seek to offer guidance and encouragement to student ministry leaders who are taking on the great task of leading the next generation. On top of offering theological insights that impact one's teaching, they offer practical advice on what it looks like to build a budget, lead a team of volunteers, and foster the growth of students from beginning to end.

Fritz and the Midnight Meetup

A True Story About Kids Who Prayed

MEGAN HILL

It's midnight at the orphanage, and one by one, a group of children are about to begin a prayer meeting. They sneak out of their beds and meet in the kitchen to pray together. *Would anyone else come too?* they wonder. Night after night, more and more children join the late-night prayer meeting. But there's a boy in the orphanage, Fritz, who bullies the children who pray. One night, Fritz sneaks down to the kitchen, intending to disrupt the prayer meeting. But what he finds will change his heart forever.

Readers will share the excitement as the characters sneak down the stairs to the midnight prayer meeting, and they will feel the tension of the bully's threats. But most of all they will discover the difference children can make when they pray. This story offers the perfect way for parents to begin a conversation about the blessing of corporate prayer—and how the youngest members of the kingdom play a valuable part.

Left Out

Believing My Story Is for God's Glory

JILL ATOGWE

Left Out is a rhyming reminder that while God didn't give everyone the same bodies or abilities, everything God left out is something He can use to write our stories for His glory. First-time author Jill Atogwe compels kids to believe that God uses what we see as our weaknesses to make us strong. By leaving some things out, we can learn to trust Him instead of ourselves. After all, God sets boundaries for His children in pleasant places (Psalm 16:5-8).

The cute and quirky illustrations show an array of kids of diverse races, varying cultures, different abilities and disabilities, distinct talents, and various socioeconomic statuses.

As kids read and look through the pictures, they'll see that every child wonders if God accidentally left something out of them. But God doesn't accidentally do anything; He intentionally created each person differently for His special purpose. By the end of the book, kids will be repeating the book's chorus,

"What God left out is part of my story;
It's all for my good and all for His glory!"

Breaking Free

The Journey, the Stories

BETH MOORE

Join Beth Moore on a Bible journey unlike any other. God intends for you to know and believe Him, glorify Him, experience His peace, and enjoy His presence. *Breaking Free* is Beth's life message that she wants to share with you. Taped live at Franklin Avenue Baptist Church in New Orleans, this study includes testimonies of how women like you have found freedom and have been delivered from personal captivity. And for the first time, this Bible study book is available with video access!

This in-depth women's Bible study draws parallels between the captive Israelites of the Old Testament and New Testament believers in Jesus as the Promised Messiah. Beth Moore looks at the book of Isaiah through the lives of the kings who ruled during the prophet's ministry. These kings exemplify many of the obstacles to freedom with which we must deal. Using Scripture to help identify spiritual strongholds in your life, no matter how big or small, Beth explains that anything that hinders us from the benefits of knowing God is bondage. You'll be inspired to discover the transforming power of freedom in Christ.

In this 8-session study, learn to identify the functional gods you are serving daily and the lies they tell. Only when you learn to dethrone modern-day idols can you pursue a deeper, more meaningful relationship with Jesus.

- Leader helps to guide questions and discussions within small groups
- Personal study segments to complete between 11 weeks of group sessions
- Teaching videos, approximately 60 minutes per session, available via redemption code printed in the Bible study book

Fully Devoted

From First Steps to Fully Surrendered

Every disciple is a true believer in Christ. Not every believer is a true disciple. Become a disciple.

Jesus laid down His life completely and wants us to experience the present joy and future rewards of following Him fully. Daily walking with Him. Fully living for Him.

Though salvation is a free gift from God, being a disciple of Jesus includes a radical willingness to give Him everything. Christianity is not a religious performance based upon our best efforts, but a living and abiding relationship with Jesus that vibrantly changes every area of our lives.

This powerful eight-week group study takes readers on a journey through Jesus's invitation to come to Him as you are, trust Him with your faith, surrender to Him with your heart, follow Him with your life, and then intentionally make disciples of others.

We must not fear what following Christ might cost us in this life, but what we are missing by withholding anything at all from Him.

In a culture of rampant confusion and half-hearted beliefs, people desperately need to see followers of Jesus living sincerely and wholeheartedly for Him. It's time to show this generation what it means to be fully devoted.

Teen Devotional

How God Leads Us Through Change
LIFEWAY STUDENT MINISTRY

Change is inevitable. As we grow our bodies change, our minds change, and our circumstances change. How teens navigate these changes is vital as they grow in their relationship with Jesus. How we approach change is very important. Sometimes change is good; like the change that Jesus brings when He we place our faith in Him. Some change is hard; like breaking old habits and pre-Jesus lifestyles. And some things don't need to change, like the truth of the gospel.

Seasons: How God Leads Us Through Change, is a 30-day devotional that will help teens know how to approach the changes of life, deal with the challenges that they face as they grow in their relationship with Jesus, and how to hold fast to Him in a world that is in constant motion and seeking to pull them away from Him.

Lifeway Students Devotions aim to help teens grow in the habit of daily time in God's Word, while aiding them in navigating issues and topics that are important to their stage in life. God's Word is foundational to all people in their Christian faith, but especially in the teen years.

Facing Fear Teen Devotional

Finding Refuge in the God of Peace
LIFEWAY STUDENT MINISTRY

Everyone is afraid of something. But we have choices when it comes to fear. We can be enslaved by it, or we can face it head on. Too many teens are crippled by their fears; the fear of the unknown, the fear of rejection, the fear of making the wrong choice. God doesn't want us to be paralyzed by fear. He wants us to face it as He walks with us through it.

Facing Fear: Finding Refuge in the God of Peace, is a 30-day devotional that will help teens know that our God is not a God of fear. He desires to help us and provide peace as we navigate the uncertain and scary things we face in life. He equips us as we go through challenges, and He leads us through the times when our hearts are tempted to live in fear.

Lifeway Students Devotions aim to help teens grow in the habit of daily time in God's Word, while aiding them in navigating issues and topics that are important to their stage in life. God's Word is foundational to all people in their Christian faith, but especially in the teen years.

Prayer Teen Devotional

The Why, the How, and the Power of Talking with God
LIFEWAY STUDENT MINISTRY

In the Christian faith there are a handful of words that are so important that every believer needs to know them. Prayer is one of those words. Prayer is more than a word that needs to be defined; it's the first word in a conversation. And not just any conversation, but a conversation with God.

Prayer: The Why, the How, and the Power of Talking with God, is a 30-day devotional that will help teens grow in their prayer life. Prayer is crucial to a vibrant relationship with God, and it doesn't come naturally. It is a habit that needs to be developed over a lifetime. Helping teens understand prayer and begin a lifestyle of daily time talking with God, will assist them as they navigate the challenging waters of adolescence.

Lifeway Students Devotions aim to help teens grow in the habit of daily time in God's Word, while aiding them in navigating issues and topics that are important to their stage in life. God's Word is foundational to all people in their Christian faith, but especially in the teen years.

Identity

Teen Devotional

Who Does God Say I Am?

LIFEWAY STUDENT MINISTRY

There are very few things that are more important for teens to grasp today than their identity. The world is constantly telling them to find their identity in so many different things. But God is the one who defines who we are, not the categories the world tries to place us in. And God's opinion is the only one that matters.

Identity: Who Does God Say I Am?, is a 30-day devotional that will help teens know who God has made them to be and how to view themselves as He does. When we come to faith in Jesus, we become a new creation and the old is gone. This book will help teens live and rejoice in that truth.

Lifeway Students Devotions aim to help teens grow in the habit of daily time in God's Word, while aiding them in navigating issues and topics that are important to their stage in life. God's Word is foundational to all people in their Christian faith, but especially in the teen years.

Introduction

John

Circumstances of Writing

A close reading of the Gospel of John suggests that the author was an apostle (Jn 1:14, cf. 2:11, 19:35); one of the Twelve ("the disciple Jesus loved": 21:20; see 13:23; 19:26, 20:2; 21:7, cf. 21:24–25); and, still more specifically, John, the son of Zebedee. The church fathers, too, attested to this identification (e.g., Irenaeus). Since the apostolic office was foundational in the history of the church (Ac 2:42; Eph 2:20), the apostolic authorship of John's Gospel invests it with special authority, as he was a firsthand eyewitness (Jn 15:27; 1 Jn 1:1–4).

The most plausible date of writing is the period between AD 70 (the date of the destruction of the temple) and 100 (the end of John's lifetime), with a date in the 80s most likely. A date after AD 70 is suggested by the references to the Sea of Tiberias in John 6:1 and 21:1 (a name widely used for the Sea of Galilee only toward the end of the first century); Thomas's confession of Jesus as "my Lord and my God" in 20:28 (against emperor worship in the time of Domitian); the reference to Peter's martyrdom, which occurred in AD 65 or 66 (21:19); the lack of reference to the Sadducees, who ceased to be a Jewish religious party after AD 70; and the comparative ease with which John equated Jesus with God (1:1, 14, 18; 10:30, 20:28).

The testimony of the early church also favors a date after AD 70. Clement of Alexandria (cited in Eusebius, *Hist. eccl.*, 6.14.7) stated, "Last of all, John, perceiving that the external facts had been made plain [in the other canonical Gospels] . . . composed a spiritual gospel." The most likely place of writing is Ephesus (Irenaeus, *Haer.*, 3.1.2; see Eusebius, *Hist. eccl.*, 3.1.1), one of the most important urban centers of the Roman Empire at the time, though the envisioned readership of John's Gospel transcends any one historical setting.

John's original audience was probably composed of people in the larger Greco-Roman world in Ephesus and beyond toward the close of the first century AD. Hence John frequently explained Jewish customs and Palestinian geography and translated Aramaic terms into Greek.

Contribution to the Bible

Of all the Gospels and any of the New Testament books, the Gospel of John most clearly teaches the deity and preexistence of Christ (1:1–2, 18; 8:58; 17:5, 24; 20:28). Together with the Gospel of Matthew, it provides the most striking proofs of Jesus's messiahship. It does so by narrating seven messianic signs, by seven "I am" statements of Jesus, by specific fulfillment quotations, especially at Jesus's passion, and by showing how Jesus fulfilled the symbolism inherent in a variety of Jewish festivals and institutions. Jesus's messianic mission is shown to originate with God the Father, "the one who sent" Jesus (7:16, 18, 28, 33; 8:26, 29, 15:21), and to culminate in his commissioning of his new messianic community in the power of his Spirit (20:21–22). John's Trinitarian teaching is among the most overt presentations of the trinity of the Godhead—Father, Son, and Spirit—in the entire New Testament (NT) and has provided much of the material for early Trinitarian and Christological formulations in the history of the church.

Structure

John is divided into two main parts. In the first section (chs. 2–11) the focus is on both Jesus's ministry to "the world" and the signs he performed. Jesus performed seven signs that met with varying responses. The second major section (chs. 12–21) reveals Jesus's teaching to his disciples and the triumphant "hour" of his passion. John's record of the passion focuses on Jesus's control of the events. He had to instruct his adversaries on how to arrest him (18:4–8). Pilate struggled with his decision, but Jesus knew what would happen. Jesus died as the sin-bearing Lamb of God (12:9, 36) and was sacrificed at the very time lambs were being sacrificed for Passover (19:14).

Wisdom from Chambers

This constitutes eternal life: an increasing knowledge of the unfathomable God and his only begotten Son. This is eternal pleasure: to know him! How far removed it is from our conceptions of rewards and crowns and heaven. *Christian Disciplines, Volume 2*, p. 32.

John 1

1074

Prologue

1 In the beginning was the Word, and the Word was with God, and the Word was God.² He was with God in the beginning.

³All things were created through him, and apart from him not one thing was created that has been created.⁴ In him was life,⁵ and that life was the light of men.⁶ That light shines in the darkness, and yet the darkness did not overcome⁷ it.

⁸There was a man sent from God whose name was John.⁹ He came as a witness to testify about the light, so that all might believe through him.¹⁰ He was not the light, but he came to testify about the light.¹¹ The true light that gives light to everyone was coming into the world.

¹²He was in the world, and the world was created through him, and yet the world did not recognize him.¹³ He came to his own, and his own people did not receive him.¹⁴ But to all who did receive him, he gave them the right to be "children of God, to those who believe in his name,"¹⁵ who were born, not of natural descent,¹⁶ or of the will of the flesh, or of the will of man,¹⁷ but of God.

¹⁸The Word became flesh and dwelt¹⁹ among us. We observed his glory, the glory as the one and only Son²⁰ from the Father, full of grace and truth.²¹ John testified concerning him and exclaimed, "This was the one of whom I said, 'The one coming after me ranks ahead of me, because he existed before me.'"²² Indeed, we have all received grace upon²³ grace from his fullness,²⁴ for the law was given through Moses; grace and truth came through Jesus Christ.

²⁵No one has ever seen God. The one and only Son, who is himself God and is at the Father's side²⁶—he has revealed him.

John the Baptist's Testimony

¹⁹This was John's testimony when the Jews from Jerusalem sent priests and Levites to ask him, "Who are you?"

²⁰He didn't deny it but confessed, "I am not the Messiah."

²¹"What then?" they asked him. "Are you Elijah?"

"I am not," he said.

"Are you the Prophet?"

"No," he answered.

²²"Who are you, then?" they asked. "We need to give an answer to those who sent us. What can you tell us about yourself?"

²³He said, "I am a voice of one crying out in the wilderness; Make straight the way of the Lord!"—just as Isaiah the prophet said.

²⁴Now they had been sent from the Pharisees.²⁵ So they asked him, "Why then do you baptize if you aren't the Messiah, or Elijah, or the Prophet?"

²⁶"I baptize with²⁷ water," John answered them. "Someone stands among you, but you don't know him.²⁸ He is the one coming after me," whose sandal strap I'm not worthy to untie!²⁹ All this happened in Bethany³⁰ across the Jordan, where John was baptizing.

Is your attitude today one that springs from a vision of God? Are you expecting him to do greater things than he has ever done? Is there freshness and energy in your spiritual outlook?

My Utmost for His Highest, May 9

The Lamb of God

²⁹The next day John saw Jesus coming toward him and said, "Look, the Lamb of God, who takes away the sin of the world!³¹ This is the one I told you about: After me comes a man who ranks ahead of me, because he existed before me.³² I didn't know him, but I came baptizing with water so that he might be revealed to Israel."³³ And John testified, "I saw the Spirit descending from heaven like a dove, and he

¹1:3–4 Other punctuation is possible: . . . not one thing was created. What was created in him was life. ¹⁵ Or grasp, or comprehend, or overtake; in 12:35. ¹⁷ Or it (the light). ¹⁹ Or The true light who comes into the world gives light to everyone, or The true light enlightens everyone coming into the world. ¹⁸ Or become. ¹⁹ Or lit blood. ¹⁹ Or not of human lineage, or of human capacity, or of human volition. ¹⁹ Or and dwell in a tent, lit and tabernacled. ¹⁹ Son is implied from the reference to the Father and from Gk usage. ¹⁹ Or in place of. ¹⁹ Other mss read The one and only Son, who is at the Father's side. ¹⁹ Or is 40:3. ¹⁹ Or in, also in vv. 31:33. ¹⁹ Other mss add who came before me. ¹⁹ Other mss read in Bethabara.

¹⁹ But to all who did receive him. It requires the greatest effort, and produces the greatest humility, to receive anything from God. We would much sooner earn it. Receiving is the evidence of a disciple of the Lord; reasoning about it is the indication of a dictator to God. Effective repentance is witnessed to by my receiving from God instead of reasoning why God should give it to me. When I am willing to be such a fool as to accept, that is repentance; the other is rational pride. *Conformed to His Image*, p. 350.

¹⁹ The Word became flesh and dwelt among us. Jesus Christ was not a being who became divine; he was the Godhead incarnated. He emptied himself of his glory in becoming incarnate. *Approved into God*, p. 14.

Christ-Centered Exposition Commentary

DR. ADAM DOOLEY

Exalting Jesus in 1 & 2 Chronicles is part of the Christ-Centered Exposition Commentary series. Edited by David Platt, Daniel L. Each chapter explains and applies key passages, providing helpful outlines for study and teaching.

This practical and easy-to-read commentary is designed to help the reader see Christ in 1 & 2 Chronicles. More devotional than academic, the expositions are presented as sermons and divided into chapters that conclude with a “Reflect & Discuss” section, making this series ideal for small group study, personal devotion, and even sermon preparation.

From the Reformation to the Present

THOMAS S. KIDD

Thomas S. Kidd presents a global history of the Christian church in the modern age.

Christian History, Volume 2 provides a composite picture of important, influential, and representative Christian beliefs, thinkers, activists, trends, and practices from about 1500 to the present day. In a highly readable style, Kidd covers the events and figures from the Reformation, the Great Awakenings, higher criticism, and the culture wars of the late twentieth and early twenty-first centuries. This volume also covers the global nature of God's church by examining historical global traditions as well as the recent demographic shift of active Christian communities to the global South.

In addition to the major theologians, movements, and events of the period, Kidd highlights the everyday Christian experience through the centuries, including accounts of ordinary men and women who experience conversion, live sacrificially for the gospel, or endure persecution.

A Savior Is Born

From Heaven's Throne to Bethlehem's Manger

WILLIAM F. COOK III

During the Christmas season, even those who do not know Jesus love the lights and songs. And yet to many, this is all that Christmas is about. Even for Christians who genuinely love Jesus, the holiday bustle drowns out the true meaning of the season: Christmas is God's yearly reminder for sinners to come out of the darkness and into the light.

A Savior Is Born by William F. Cook III offers a fresh, rigorous, and devotional exploration of the birth and infancy narratives of Jesus Christ. Positioned around the accounts detailed in Matthew and Luke, each chapter expounds the biblical text in a chronological order, exploring its exegetical meaning, Old Testament fulfillment, and ancient customs. In addition to exegetical commentary, each chapter concludes with pastoral reflections and a traditional Christian hymn of response.

Written by a pastor and biblical scholar, *A Savior Is Born* is intended for any Christian who wants to dive deep into the passages of Scripture that convey the Christmas story. It is also a valuable resource for church small groups and pastors who want to lead their congregations in a deeper understanding of the Advent season.

audience

- Thoughtful Christians looking for a deeper engagement with the Christmas story
- Bible study and small group leaders looking for alternative, deeper curriculum
- Professors and students in New Testament courses at Christian universities

marketing highlights

- Written intentionally for a lay reader audience, with a blend of scholarly and pastoral insight
- Written by a pastor-professor-theologian and meant for readers who want deep theological thought in their personal or small-group devotion

Apocryphal Prophets and Athenian Poets

Noncanonical Influences on the New Testament

GREGORY R. LANIER

The first comprehensive analysis of non-canonical influences—Jewish, non-Jewish, and early Christian—on the formation of the New Testament writings.

In *Apocryphal Prophets and Athenian Poets: Noncanonical Influences on the New Testament*, Gregory R. Lanier presents in one volume an overarching compendium and analysis of over five hundred relevant instances of non-Old-Testament influence on the New Testament across three categories—Jewish, non-Jewish (mostly Greco-Roman), and early Christian (pre-canonical).

The abundance of non-canonical influences on the New Testament testifies to the breadth of apostolic cultural engagement and the scope and pace of information exchange in the early Christian circles. This comprehensive work will allow scholars and students to give closer attention to the sheer complexity of the crisscrossing lines of direct and indirect influences on the New Testament Scriptures.

audience

- Scholars of Biblical studies and Ancient Near East history and culture
- Pastors and lay theologians looking to add to their library

marketing highlights

- Given the technical nature of the topic, the book is necessarily rigorous and pitched more at a scholarly audience

Proclaiming the Triune God

The Doctrine of the Trinity in the Life of the Church

MATTHEW BARRETT, RONNI KURTZ, SAMUEL G. PARKISON and JOSEPH LANIER

The doctrine of the Trinity is not an optional add-on, nor is it a technical matter for those with specialized training. Pastors and everyday Christians alike should seek to profess the Trinity confidently, whether from the pulpit or in conversation.

Written by four pastor-theologians, *Proclaiming the Triune God: The Doctrine of the Trinity in the Life of the Church* declares that an orthodox doctrine of the Trinity is essential for the life of the whole church, not just for theologians and scholars.

Through adapted sermons, the authors demonstrate how pastors can preach this doctrine confidently and accessibly without compromising orthodoxy. The book begins with an introduction that inspires pastors and churchgoers alike to make the Trinity central in the church once again. The adapted sermons then explore various facets of the Trinity in an accessible way, while maintaining theological rigor.

Proclaiming the Triune God is an accessible, yet academically rich companion for pastors as they seek to proclaim the Triune God to their flocks.

Confessing Christ

An Invitation to Baptist Dogmatics

STEVEN A. MCKINION CHRISTINE E. THORNTON and KEITH S. WHITFIELD

Edited by Baptist scholars Steven A. McKinion, Christine E. Thornton, and Keith S. Whitfield, *Confessing Christ: An Introduction to Baptist Dogmatics* offers a unique and comprehensive exploration of Baptist theology. Grounded in the belief that theology is both exploratory and explanatory, the book introduces a historical, covenantal, ecclesial, and confessional approach to Baptist Dogmatics.

Each essay delves into a specific area of dogmatic theology, covering essential topics such as God, Scripture, anthropology, Christology, salvation, ecclesiology, the sacraments, the Christian life, and eschatology. The volume editors emphasize the importance of renewing Baptist life and mission through a rediscovery of the rich theological heritage. By understanding and engaging with this tradition, Baptist Christians can express their faith more authentically in the contemporary context and future endeavors.

The book's four key elements—historical, covenantal, ecclesial, and confessional—provide a structured framework for exploring core Christian doctrines within the context of Baptist dogmatics. Each chapter incorporates biblical exegesis and dialogue with at least one historical Baptist theologian.

Faith and Science

A Primer for a Supernatural World

KENNETH KEATHLEY

In *Faith and Science: A Primer for a Supernatural World*, Kenneth Keathley argues that, rather than acting as opposing forces, scientific inquiry and the Christian faith go hand-in-hand.

In his mission to offer a fully integrated theology of science, Keathley begins with the Lordship of Christ and the sufficiency of Scripture. He characterizes the study of science as a providential gift and a worthy vocation with Christian origins. Keathley then examines the twin challenges of scientism and fideism, observing their deficiencies as comprehensive worldviews. After defending Galileo as a scientist-theologian, Keathley offers readers a model for how to integrate their Christian faith with their scientific pursuits.

Faith and Science provides a ready primer for students and everyday Christians to challenge their preconceptions about faith and science and to develop a more robust worldview to guide their examinations of our supernatural world..

The Christ in Everything series exists to demonstrate how Christ is connected to all of life. The primers in this series serve as introductions to important cultural topics, including science, freedom, politics, beauty, and the nature of truth. Each book offers a biblical and theological framework from which to view and approach the topic at hand, followed by examples for how to walk in the way of Jesus in that cultural domain.

The Work of Christ

JOHN S. HAMMETT and CHARLES L. QUARLES

In *The Work of Christ*, John S. Hammett and Charles L. Quarles examine Christ's service for his people, especially his atoning work on the cross.

The first half of *The Work of Christ* offers a biblical theology of the atoning work of Christ, from the Pentateuch to the Prophets to the writings of the New Testament. By meticulously examining these cornerstones in Scripture, the authors help readers grasp the full magnitude and significance of Christ's sacrifice for humanity.

While the first half of *The Work of Christ* unearths the biblical roots of Christ's atoning sacrifice, the second half approaches the theology behind the work of Christ systematically, guiding readers to understand how the church has grappled with the atonement through the ages. This section details the work of Christ before the incarnation, in his earthly life and ministry, and on the cross. The authors examine the multifaceted nature of the cross, exploring not just the traditional penal substitutionary view (where Jesus takes our punishment), but also criticisms and alternative perspectives on atonement and its reach. The volume concludes by examining the work of Christ after the cross, from his resurrection to his work still to come in his return.

Equipped with a deeper understanding of Christ's work, readers will be empowered to live a life that reflects the profound impact of the Savior's sacrifice

Recognizing that faithful theological study is an integrative task, the *Theology for the People of God* series uniquely combines biblical and systematic theology in dialogue with historical theology and with application to church and life. This series addresses classic doctrines of systematic theology and other relevant topics, pairing careful scholarship with the practical understanding that theology finds its focus within the context of the church. Together, the series' authors guide readers in developing a theologically informed way of seeing the world, a Christlike response to life, and Christian motivation for ministry.

Metaethics

A Short Companion

DAVID A. HORNER and J.P. MORELAND

The study of ethics is primarily associated with questions of morality: “good” and “bad,” “right” and “wrong.” The field of metaethics asks about what we mean by terms like “good” or “right,” and whether they represent real features of the world.

In *Metaethics: A Short Companion*, David A. Horner and J. P. Moreland provide a primer on how to think about questions surrounding the concept of morality—its nature, status, grounding, underlying presuppositions, and philosophical commitments. From a stance rooted in moral realism, Horner and Moreland explore and evaluate the major metaethical positions on offer in the field, including expressivism, error theory, relativism, constructivism, ethical naturalism, and ethical nonnaturalism. They conclude by arguing for the rationality of a Christian worldview as a guiding metaethical position.

The study of metaethics equips Christians to think deeply about the nature of reality, knowledge, truth, and morality. *Metaethics: A Short Companion* offers a clear and concise introduction to the key concepts and debates in metaethics, providing readers with a foundation for reflecting on their own ethical beliefs and practices.

The Essentials in Christian Ethics series is designed to illuminate the richness and centrality of ethics to all of Christian life. The series consists of short, introductory volumes written by renowned scholars in the fields of ethics, theology, and philosophy. Each volume explores a crucial element of Christian ethical reflection, approaching the subject from within the broader Protestant moral tradition.

A Personal God and a Good World

The Coherence of the Christian Moral Vision

RONNIE P. CAMPBELL JR. and DAVID J. BAGGETT

How people understand God has significant implications for their worldview.

Unlike traditional apologetic approaches that seek to establish God's existence through purely abductive reasoning, *A Personal God and A Good World* adopts a more nuanced approach, delving into the intricacies of modified classical theism, a form of theism that emphasizes God's personal nature. Ronnie Campbell and David Baggett, a philosopher and a theologian, seamlessly blend their expertise to present a comprehensive and engaging examination of this theological framework.

The book is structured into three distinct parts, intended to unravel the complexities of theistic personalism and its implications for morality. Part One provides a comprehensive defense of Anselmian theism and its alignment with the concept of moral truths. Part Two delves deeper into modified classical theism, defending its validity and highlighting its strengths. Finally, Part Three showcases the relevance of the Triune God of Christian theism in illuminating the moral landscape of our universe. Through a series of compelling arguments, the authors demonstrate how the Christian understanding of God provides a profound and meaningful explanation for the existence of moral truths and values.

A Personal God and A Good World is an invaluable resource for anyone seeking a deeper understanding of the connection between the Christian view of God and morality. Through its rigorous philosophical and theological analysis, the book challenges readers to reexamine their own beliefs and consider the profound implications of God's existence in shaping a moral and just world.

La mujer y el trabajo

WOMEN AND WORK

Edited by COURTNEY MOORE

God gave His people work to do in the Garden of Eden before sin entered the world. Work is not untouched by sin, but it is good, as God allows us to image Him and the way He works through our lives. Vocation and work are often a charged topic for women - inside or outside the home. Be a homeschool teacher or send your kids to public school? Wash clothes and dishes to the glory of God or work in the corporate world for the same? In this practical book on the theology of work, read wisdom from women who represent all the realms of where a woman might find herself working and discover:

- How to think about calling
- How to work from weakness
- How to find joy in wise stewardship, no matter the field
- How to join the mission of God in both motherhood and childlessness
- How to image God in both secular and sacred work
- How to manage and work with men
- How to grow through conflict

¿Sabías que el trabajo es más que un efecto de la caída? Dios proveyó el trabajo a Adán y Eva en el Jardín del Edén antes de que el pecado entrara en el mundo. Ahora el trabajo no está fuera de la influencia del pecado, pero significa que es bueno. Dios en su sabiduría nos permite reflejar Su imagen y la forma en que obra a través de nuestras vida diaria.

La vocación y el trabajo son temas complejos para las mujeres, ya sea dentro o fuera del hogar. ¿Ser maestra de educación en el hogar o enviar a tus hijos a la escuela pública? ¿Lavar la ropa y los platos para la gloria de Dios o trabajar en el mundo corporativo por la misma razón? En este libro práctico sobre la teología del trabajo, leer la sabiduría de mujeres que representan todos los ámbitos en los que una mujer podría encontrarse trabajando y descubre:

- *¿cómo pensar en el llamado?*
- *¿cómo trabajar desde la debilidad?*
- *¿cómo encontrar alegría en la administración sabia, sin importar el campo?*
- *¿cómo ser parte de la misión de Dios tanto en la maternidad como en la ausencia de hijos?*
- *¿cómo reflejar la imagen de Dios tanto en el trabajo secular como en el ministerial?*
- *¿cómo trabajar con los hombres de manera saludable?*
- *¿cómo crecer a través del conflicto?*

Palabra, púlpito y Espíritu

WORD, PULPIT AND SPIRIT

OSCAR MERLO

Do you know what the central aspects of preaching are? This book helps us see the importance of the concepts of "word," "pulpit," and "ministering in the Spirit." All three concepts are rooted in the immutable Word of God and are embedded in Latin Protestant traditions. However, there is a complex path to follow when answering the following questions:

- How should we prepare when preaching among the new generations of Hispanic Americans? And in Latin America?
- What topics are relevant to these communities?
- How does preaching shape congregational life in these contexts?

To best serve today's churches and leaders, we must understand the roots of the Hispanic church in the United States and Latin America and ground its practices in the Word of God. Whether you are a preacher or scholar, this book will equip you to navigate the changing landscape of Spanish-American Protestantism and acquire tools for effective preaching ministry.

¿Sabes cuáles son los aspectos centrales de la predicación? Este libro nos ayuda a ver la importancia de los conceptos de "palabra", "púlpito" y "ministrar en el Espíritu". Los tres conceptos tienen sus raíces en la Palabra inmutable de Dios y están arraigados en las tradiciones protestantes latinas. Sin embargo, hay un camino complejo por recorrer al responder las siguientes preguntas:

- *¿Cómo debemos prepararnos al predicar entre las nuevas generaciones de hispanoamericanos? ¿Y en América Latina?*
- *¿Qué temas son relevantes para estas comunidades?*
- *¿Cómo da forma la predicación a la vida congregacional en estos contextos?*

Para servir mejor a las iglesias y líderes actuales, debemos comprender las raíces de la iglesia hispana en los Estados Unidos y América Latina, y fundamentar sus prácticas en la Palabra de Dios. Si eres un predicador o un académico, este libro te capacitará para navegar por el cambiante panorama del protestantismo hispanoamericano y adquirir herramientas para un ministerio de predicación efectivo.

Dios, la tecnología y la vida cristiana

GOD, TECHNOLOGY AND THE CHRISTIAN LIFE

TONY REINKE

What does God think about technology? Many Christians need clarification about modern technology. New iPhones, social media platforms, self-driving cars, and genetic engineering prove that human innovation continues for everyone. But as technologies multiply and our lives become more complex in this age, the questions become more compelling and constant: What does God think about human technology? Does He feel threatened by all that power? Is he trying to dismantle Silicon Valley? In his latest book, journalist Tony Reinke addresses these and other difficult questions directly from the Bible. By drawing on nine key Bible passages and engaging with various theologians and thinkers, Reinke seeks to debunk 12 common myths Christians often have about technology, helping them understand the history of human innovation and embrace the essential role of the church in it.

¿Qué piensa Dios acerca de la tecnología? Muchos cristianos permanecen perplejos acerca de la tecnología moderna. Los nuevos iPhones y plataformas de redes sociales, los autos automáticos y la ingeniería genética demuestran que la innovación humana no se detiene para nadie. Pero a medida que las tecnologías se multiplican y nuestra vida se vuelve más compleja en esta era, las preguntas se vuelven más contundentes y constantes: ¿Qué piensa Dios acerca de la tecnología humana? ¿Se siente amenazado por todo su poder? ¿Está tratando de desmantelar Silicon Valley? En su último libro, el periodista Tony Reinke aborda estas y otras preguntas difíciles directamente desde la Biblia. Al recurrir a 9 pasajes bíblicos clave y relacionarse con varios teólogos y pensadores, Reinke busca desmontar 12 mitos comunes que los cristianos a menudo tienen sobre la tecnología, ayudándoles a comprender la historia de dónde provino la innovación humana y a abrazar el papel esencial de la iglesia en ella.

Palabras iguales, mundos diferentes

¿Creen los católicos romanos y los evangélicos en el mismo evangelio?

SAME WORDS, DIFFERENT WORLDS

LEONARDO DE CHIRICO

Do evangelical Protestants and Roman Catholics share a common orthodoxy? What are you looking for when promoting initiatives like “Evangelicals and Catholics together”? Are there profound differences between evangelical and Catholic theology? How do you view the doctrines of Christ, the Church, and salvation? Are there differences? “Palabras iguales, mundos diferentes” explores evangelicals’ and Catholics’ responses to the same gospel when they have fundamental commitments contradicting each other. It exposes how the words used to understand the gospel are the same but differ in their underlying theology. The book “Palabras iguales, mundos diferentes” deepens our understanding of the differences between evangelical and Catholic theology and how the Reformation has not ended in the Church today.

¿Comparten los protestantes evangélicos y los católicos romanos una ortodoxia común? ¿Qué buscan al promover iniciativas como “Evangelicos y Católicos juntos”? ¿O existen profundas diferencias entre la teología evangélica y católica? ¿En que forma ven las doctrinas de Cristo, la Iglesia y la salvación? ¿Crees que existen diferencias? “Palabras iguales, mundos diferentes” explora las respuestas evangélicos y católicos tienen el mismo evangelio cuando tienen compromisos fundamentales que se contradicen. Expone cómo las palabras utilizadas para entender el evangelio son las mismas, pero difieren drásticamente en su teología subyacente. El libro “Palabras iguales, mundos diferentes” nos lleva a profundizar en la comprensión de las diferencias entre la teología evangélica y católica, y cómo la Reforma no ha concluido en la iglesia hoy en día.

Adoración

Lo que todo músico debe saber (y la iglesia también)

WORSHIP: WHAT EVERY MUSICIAN NEEDS TO KNOW
 ROGERS PERALTA and CARLOS GARCÍA

In the quest to worship God rightly, nothing is more essential than true knowledge of God. This book suggests that God-honoring worship combines biblical foundations with practical application for both the musician (e.g. worship team) and the congregation. The authors, Carlos Garcia and Rogers Peralta, skillfully instruct pastors, musicians, and church leaders to root their congregational worship in unchanging scriptural principles and avoid divisive trends. In addition to that, they answer the polarizing questions around the worship service and guide us to a comprehensive understanding of heart that worships God in spirit and truth.

Cuentos de la vida en Nefas

TALES OF LIFE IN NEFAS

FRANZ MÖLLER

In the heart of the fictional town of Nefas, where the echoes of injustice resound, a battle for human rights unfolds. In this gripping novel, experience a narrative that transcends the boundaries of fiction to grapple with the very real struggles that plague a community on the brink of transformation. Over three centuries ago, a group of visionary families sailed to Nefas in pursuit of freedom. They escaped lands where their beliefs and lifestyles subjected them to persecution, so they set out for a new beginning. These pioneers, driven by the desire to shape their destiny free from constraints, hoisted the flag of dignity and championed the ideals of equality and support for all. But the unspoken longings for power spoiled the raw innocence of the original dream. Within this microcosm, now fraught with uncertainties, a few notable characters emerge. Their stories echo a common thread: enduring adversity for the sake of doing good. In the midst of a shifting landscape, these individuals faced hardships, their journey a testament to the challenges that arise when one strives to make a positive impact. One unlikely conversion becomes a catalyst for a redemptive outcome.

En el corazón de la ciudad ficticia de Nefas, donde resuenan los ecos de la injusticia, se desarrolla una batalla campal por los derechos humanos. En esta cautivadora novela, experimentaremos una narrativa que trasciende los límites de la ficción para enfrentarse con luchas reales que afligen a una comunidad al borde de la transformación. Hace más de tres siglos, un grupo de familias visionarias navegó hacia Nefas en busca de libertad. Escaparon de tierras donde sus creencias y estilos de vida los sometían a persecución, así que partieron en busca de un nuevo comienzo. Estos pioneros, impulsados por el deseo de dar forma a su destino sin restricciones, alzaron la bandera de la dignidad y defendieron los ideales de igualdad y apoyo para todos. Pero los anhelos ocultos del poder arruinaron la inocencia cruda del sueño original. Dentro de este microcosmos, ahora lleno de incertidumbres, surgen algunos personajes notables. Sus historias reflejan un hilo común: superar la adversidad por el bien. En medio de un paisaje en cambio, estos individuos enfrentaron dificultades, siendo su viaje un testimonio de los desafíos que surgen cuando nos esforzamos por tener un impacto positivo. Una conversión improbable se convierte en un impulso para un resultado redentor.

SYSTEMATIC THEOLOGY VOLUME 1

STEPHEN J. WELLUM

Trinitarian, reformational, and baptistic, Stephen Wellum's *Systematic Theology* models a serious evangelical engagement with the Scriptures while being grounded in church history and keenly aware of contemporary issues. Building on decades of research, Wellum formulates doctrine exegetically, covenantally, and canonically for a new generation of students, pastors, church leaders, and seasoned theologians.

El resucitado

Experimentando toda la gloria de Cristo en la Pascua

THE RISEN ONE

SCOTT JAMES

Through this short and sweet devotional (especially helpful if you're teaching little ones with short attention spans), Scott James brings to light the many things that Christ's life and resurrection means for us not only through the season of Lent, but all year long.

These weekly devotions, which are designed for both family and individual use, are timeless and moving reminders of the miracle of Jesus' life, ministry, death, and resurrection. *The Risen One* is a perfect (and doable!) gift for any growing family or beloved friend who needs meaningful and biblical reminders of all Jesus is for them—and how much God loves them—during the busy and the bustle of the Easter season, setting him back in the center of it all.

Con este devocional corto y sencillo (ideal si estás enseñando a pequeños con poca atención), Scott James destaca las muchas cosas que la vida y resurrección de Cristo significan para nosotros, no solo durante la Cuaresma, sino todo el año.

Estos devocionales, diseñados tanto para uso familiar como individual, son recordatorios conmovedores del milagro de la vida, el ministerio, la muerte y la resurrección de Jesús. «El resucitado» es un regalo perfecto (¡y fácil de seguir!) para cualquier familia en crecimiento o amigos que necesiten recordatorios significativos y bíblicos de todo lo que Jesús es para ellos, y cuánto Dios los ama, durante la ajetreada temporada de Pascua, colocando a Cristo de nuevo en el centro de todo.

THE WINGFEATHER SAGA: NORTH! OR BE EATEN - BOOK 1
 ANDREW PETERSON

First they found themselves On the Edge of the Dark Sea of Darkness. Now they must make their way North! Or Be Eaten....

Janner, Tink, and Leeli Igiby thought they were normal children with normal lives and a normal past. But now they know they're really the Lost Jewels of Anniera, heirs to a legendary kingdom across the sea, and suddenly everyone wants to kill them.

In order to survive, the Igibys must flee to the safety of the Ice Prairies, where the lizardlike Fangs of Dang cannot follow. First, however, they have to escape the monsters of Glipwood Forest, the thieving Stranders of the East Ben, and the dreaded Fork Factory.

But even more dangerous are the jealousies and bitterness that threaten to tear them apart. Janner and his siblings must learn the hard way that the love of a family is more important than anything else.

¿Leíste cuando estaban en el Borde del Mar Oscuro de la Oscuridad? ¡Ahora deben dirigirse hacia el Norte! O ser comidos...

Janner, Tink y Leeli Igiby pensaron que eran niños normales con vidas normales y un pasado normal. Pero ahora saben que son realmente las Joyas Perdidas de Anniera, herederos de un reino legendario al otro lado del mar, y de repente todos quieren matarlos.

Para sobrevivir, los hermanos Igiby deben huir hacia la seguridad de las Praderas de Hielo, donde los Comillos Malditos, parecidos a lagartos, no pueden seguirlos. Pero primero deben escapar de los monstruos del Bosque Glipwood, de los Ladrones de la Costa Este Ben y de la temida Fábrica de Tenedores. Pero aún más peligrosas son las envidias y amarguras que amenazan con separarlos. Janner y sus hermanos deben aprender de la manera difícil que el amor de una familia es más importante que cualquier otra cosa.

Llena de personajes ricos en corazón, inteligencia y valentía, "Al norte ¡o nos comerán!" es una historia que los niños de todas las edades atesorarán, que las familias pueden compartir juntas y de la que los grupos de lectura seguramente disfrutarán discutiendo por sus numerosas capas de significado.

Como yo

La historia sobre la discapacidad y la imagen de Dios en cada persona

LIKE ME

LAURA WIFLER

“God made you, God loves you, God is kind to you”. It can be hard for children to take those three life-changing truths into their hearts and treat others with love and understanding, especially when they encounter those whose needs differ drastically from theirs. Through a sibling’s eyes, *Como yo* is a book for young readers willing to tag along on the day of a child with a disability. As the two siblings play with friends, go to therapy, and spend time with family, relatable comparisons will help children understand a different type of family life, building empathy for children with disabilities along the way.

Como yo opens the door to meaningful talks with your child about empathy, compassion, diversity, and God’s love for them and others.

“Dios te hizo, Dios te ama, Dios es bueno contigo.” Pueden ser verdades difíciles de internalizar para los niños, pero son verdades que cambian nuestras vidas y nos animan a tratar a los demás con amor y comprensión, especialmente cuando nos encontramos con aquellos cuyas necesidades son drásticamente diferentes a las nuestras. A través de los ojos de un hermano, “Como yo” es un libro para lectores jóvenes, quienes acompañarán a un niño con discapacidad en un día. Mientras los dos hermanos juegan con amigos, van a terapia y pasan tiempo con la familia, comparaciones comprensibles ayudarán a los niños a entender un tipo diferente de vida familiar, fomentando la empatía hacia los niños con discapacidades.

“Como yo” abre la puerta a conversaciones significativas con tu hijo sobre empatía, compasión, diversidad y el amor de Dios tanto por ellos como para los demás.

Restaurados

Cambiando la forma en que vivimos + amamos

RESTORE BIBLE STUDY

ROBERT K. CHEONG

What is your story? Each one of us has a unique one, a way to link our past experiences, relationships, current joys, and sorrows to make sense of our lives. But if we live our stories without looking to the great Storyteller, we get lost and confused. Changing the deep patterns of life and love happens when we find our place in God's great story and learn to trust His love and care for us.

In this thirteen-week study, pastor and author Robert K. Cheong teaches us that, by being united with Christ, we can approach God, enjoy His love, and live with new patterns and rhythms of life. The study guides participants to create their own 'stories' that will connect them with God's great story and help them to reflect and move forward. As participants interact, engage in practical activities, and learn to meditate on the Word of God, they will reconnect with Him, and their love for Him and others will grow.

¿Cuál es tu historia? Cada uno de nosotros tiene una única, una forma de unir nuestras experiencias pasadas, relaciones, alegrías y tristezas actuales para dar sentido a nuestras vidas. Pero si vivimos nuestras historias sin mirar al gran Narrador, nos perdemos y confundimos. Cambiar los patrones profundos de vida y amor sucede cuando encontramos nuestro lugar en la gran historia de Dios y aprendemos a confiar en Su amor y cuidado por nosotros.

En este estudio de trece semanas, el pastor y autor Robert K. Cheong nos enseña que, al estar unidos a Cristo, podemos acercarnos a Dios, disfrutar de Su amor y vivir con nuevos patrones y ritmos de vida. El estudio guía a los participantes a crear sus propias «historias» que los conectarán con la gran historia de Dios y les ayudará a reflexionar y avanzar. A medida que los participantes interactúan, realizan actividades prácticas y aprenden a meditar en la Palabra de Dios, se reconectarán con Él y crecerá su amor por Él y por los demás.

Sedientas de Esperanza

Preguntas que hacemos a Dios en el sufrimiento, la pérdida y el anhelo

DESPERATE FOR HOPE BIBLE STUDY

VANEETHA RISNER

Have you ever asked, Why am I going through this? What if this never gets better? Does God really care about me? When life falls apart, it's easy to feel alone and slip into despair—disillusioned with God, hopeless about the future, and doubting your faith.

In this 7-session study, Vaneetha Risner tackles the hard questions and offers a scriptural framework to help you find hope in your pain. She will be a gracious guide through this difficult topic, walking with you as you meet women in the Bible who suffered loss, and sharing her own experiences of longing and grief. In the end, you'll find that the answers to your deepest questions can be found in the character, goodness, and sovereignty of God.

¿Alguna vez te has preguntado por qué estás atravesando una situación difícil? ¿Qué pasa si nunca mejora? ¿Realmente le importo a Dios? Cuando la vida se desmorona, es fácil sentirse sola y caer en la desesperación, desilusionada con Dios, sin esperanza para el futuro y dudando de tu fe.

En este estudio de 7 sesiones, Vaneetha Risner aborda las preguntas difíciles y ofrece un marco bíblico para ayudarte a encontrar esperanza en tu dolor. Ella será una guía bondadosa a través de este tema difícil, acompañándote mientras conoces a mujeres en la Biblia que sufrieron pérdidas y compartiendo sus propias experiencias de anhelo y duelo. Al final, descubrirás que las respuestas a tus preguntas más profundas se pueden encontrar en el carácter, la bondad y la soberanía de Dios.

Agradecida

Dando gracias a Dios por todas las cosas

GRATITUDE BIBLE STUDY

The Bible shows us that becoming a grateful person begins with acknowledging how the One who owes us nothing has given us everything. This 4-session study will help you develop a thankful heart that can be cultivated into a continual harvest of gratitude, regardless of the circumstances.

Each week you'll look at a profile of someone in the Bible with a grateful heart, find teaching from Scripture on gratefulness, focus on a psalm of thanksgiving, and be encouraged to practice gratitude. When you're able to see the biblical basis of living with a grateful heart, you will be more motivated to thank God in all things.

La Biblia nos enseña que ser una persona agradecida comienza con reconocer cómo Aquel que no nos debe nada nos ha dado todo. Este estudio de 4 sesiones te ayudará a desarrollar un corazón agradecido que puede cultivarse en una cosecha continua de gratitud, independientemente de las circunstancias.

Cada semana, examinarás el perfil de alguien en la Biblia con un corazón agradecido, encontrarás enseñanzas de las Escrituras sobre la gratitud, te centrarás en un salmo de acción de gracias y se te animará a practicar la gratitud. Cuando puedas ver la base bíblica de vivir con un corazón agradecido, estarás más motivada para agradecer a Dios en todas las cosas.
