Every Member Matters

Why Your Church Needs You & Why You Need Your Church
JOSH WREDBERG and MATTHEW Z. CAPPS

Why do so many churches neglect to practice meaningful membership? Why don't modern Christians see the importance of membership in a local church? *Every Member Matters* is a small and accessible book that lays out the important role that every member plays in the mission of the local church. This book is written by two pastors leading in different contexts in the same community, one a church planter and the other a pastor of an established church.

Many of us have memberships in big-box retail stores, alumni associations, and online shopping services, memberships that only impact a small slice of life. Those memberships demand nothing more than a small financial commitment and occasional attendance at an event. Unfortunately, that's how many people view membership in the local church.

What if we told you that the Bible not only expects you to be a member of a church—but also expects certain things from you as a member of that church? In fact, every member is called to be a worshipper, minister, servant, disciple-maker, giver, intercessor, and ambassador.

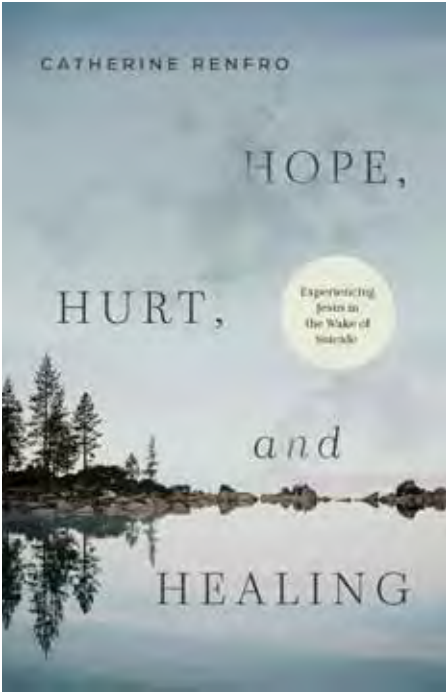

In *Every Member Matters*, you will be encouraged to embrace the awesome privilege of joining a local church and use your gifts to minister and serve His people! The church is God's plan to reach the world, and there is no greater way to spend your life than in the service of Jesus's mission. In the body of Christ, *Every Member Matters*.

Hope, Hurt, and Healing

Experiencing Jesus in the Wake of Suicide

CATHERINE RENFRO

In her early twenties, Catherine Renfro received a phone call that no one should ever have to experience. In broken hopelessness, her brother, Barrett, called out with despair before taking his own life. She and her father would rush over to his home only to find out that he was no longer with them.

Catherine went through a season of grief that hundreds of thousands of people endure every year in America. But even in the midst of anger, depression, and guilt, she would say that Christ never left her.

In *Hope, Hurt, and Healing*, Catherine Renfro addresses the reality of loss, the feeling of brokenness, the guilt of living on while also pointing to the hope of the gospel, the peace of relying on Christ, and the trusting in God even during the broken seasons. She offers a real look at suicide loss, but she does not simply live in the despair. Instead, she uses her own life to point people to Christ and lean on His goodness to discover hope for the present and healing for the future.

audience

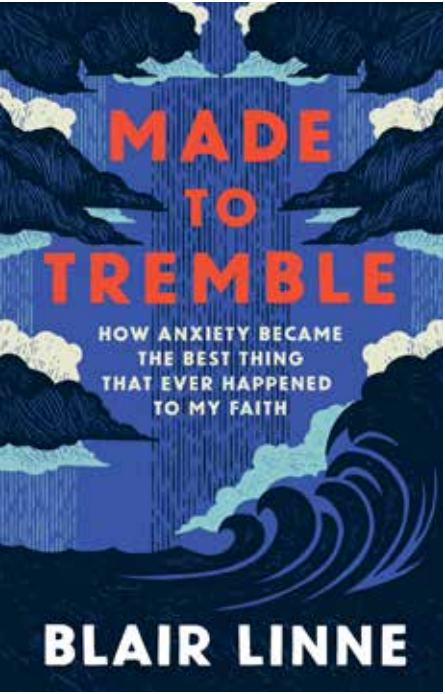

- Individuals grieving the loss of a loved one to suicide, seeking emotional and spiritual guidance to navigate their pain, and finding hope through the gospel
- Christians, church leaders, pastors, and ministry leaders who seek biblical resources to support others through faith in healing from grief, trauma, loss, and deep emotional wounds

marketing highlights

- According to a 2015 U.S. Centers for Disease Control and Prevention study, suicide is the second leading cause of death for Americans ages fifteen to thirty-four and the fourth leading cause of death for those thirty-five to forty-four; a 2017 study done by Lifeway Research found that 76 percent of churchgoers say suicide is a problem that needs to be addressed in their community and 32 percent say a close acquaintance or family member has died by suicide
- This book of practical insights and biblical wisdom provides emotional support for those grieving the loss of a loved one to suicide by offering gospel hope and is an essential tool for church leaders, counselors, and anyone supporting others through grief and loss
- As the National Director of Women's Evangelism at the North American Mission Board, Catherine Renfro has a growing platform, including frequent speaking engagements and podcast appearances, with which to promote this book

CATHERINE RENFRO is a pastor's wife, a mom, and serves as the National Director of Women's Evangelism at the North American Mission Board. She and her husband, Chris Renfro, were married in April of 2011 and have two awesome kiddos. In 2021, they began the journey of church planting and launched Hope Church in Alpharetta, Georgia, where Chris is the lead pastor. Catherine graduated from Southeastern Baptist Theological Seminary in 2010 with a Master's degree in christian education and biblical counseling after being called to ministry at the age of 22, and has been serving in full time ministry ever since. She has a passion for seeing lost people come to know Jesus and for saved people to live out their purpose of making Jesus known.

BLAIR LINNE is the author of *Finding My Father*. She is a Bible teacher, actress, spoken word artist, and the creator of the podcast *GLO* with The Gospel Coalition. Blair has toured globally and is known as one of the originators of the Christian Spoken Word genre. Proclaiming the gospel of Jesus Christ through speaking and spoken word is her passion. She and her husband, Shai, live in Portland, Oregon, with their three children.

Made to Tremble

How Anxiety Became the Best Thing That Ever Happened to My Faith

BLAIR LINNE

Blair Linne can tell you exactly when the ground under her feet fell through. Starting in 2015, she experienced crippling anxiety and panic attacks that spiraled her down a staircase into a basement of dark discouragement and shame. Sometimes the journey downward was so intense it landed her in the Emergency Room. Like many Christians, she “should” cast her frustrations onto God and process with Him, but instead of starting the journey, she blurted out: “I. Don’t. Know. How!”

In the harrowing season that followed—through the episodes of terror, rapid heart rate, difficulty breathing, trembling, dizziness, chills, intrusive thoughts, and even the fear of dying—Blair learned just how quickly she would have to give up the typical quick fixes, simple answers, and theological band-aids she had always previously relied on. As the anxiety waves would come crashing over her, many times without warning and without permission, she realized the truth: this was a complex issue, and there was no bypassing it. No sprinkling it with wishful thinking or spiritual platitudes. No willing herself out of it as if she were a bulletproof demigod.

The only way was *through* it, in tender awareness of her weakness and delicate humanity, *with* God.

On this side of the valley (though she still battles moments of anxiety in lighter measure now), Blair has come to appreciate even the worst moments of her story, for it has given her a felt and confident epiphany of what it means to be human, what it actually means to lean into the Lord, and what it looks like to walk with a limp and a love for fellow strugglers. With profound lessons learned on the other side, Blair now rejoices in her affliction, for it has taught her to tremble in a new way: in awe of God.

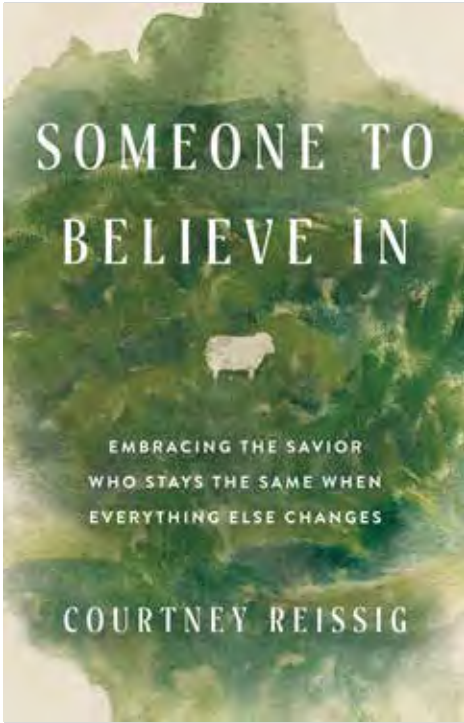

With biblical reflection woven together with gripping narrative, journey with Blair in *Made to Tremble* and experience not only the God of Peace—but the peace of God.

COURTNEY REISSIG is an author and Bible teacher living in Little Rock, Arkansas. She is the author of numerous books and Bible studies, including *Teach Me to Feel: Worshiping Through the Psalms in Every Season of Life*. She is passionate about teaching the Bible and helping women to see the great value God's Word has in their everyday lives.

Someone to Believe In

Embracing the Savior Who Stays the Same When Everything Else Changes
COURTNEY REISSIG

Where do you go when all that once stabilized your spiritual life suddenly shifts underneath you? When your faith is shaken and your leaders fail you? When you're languishing in ministry burnout? When you're grieving a friend who walked away from God? When the doubts, disappointments, and sufferings of this broken world tempt you to walk away from Him too?

Author and Bible teacher Courtney Reissig has wrestled with these questions. And when painful circumstances pulled down the trappings of easy Christianity and pushed her back against the wall of her faith, she had to decide. Will I walk away, or will I stay? If I stay and wade through the rubble, what is there left to believe in?

It is here in the hardest point of her story—in the season where trust was eroded and spiritual stability seemed elusive—where God met her. By opening her eyes to crucial and comforting moments in the Gospel of John, God made it clear: even in the most unstable and changing of times, there is One who stays the same. His name is Jesus Christ, and He's someone to believe in.

If you feel disoriented, doubting, grieving, exhausted, or shaken in your faith, open these pages and encounter the steadying power of the unchangeable Christ.

audience

- Christians who feel like their faith is shaken by the winds of cultural change or by church hurt and need a steadying experience to help them persevere in fresh hope for the future; those struggling with doubt, deconstruction, ministry burnout, disillusionment, disappointment, church hurt, suffering, and broken trust in leaders or loved ones

JULIE BUSLER is a Bible teacher, author, and speaker who is passionate about helping people find hope and joy even in the midst of sorrow. As a mental health advocate, she has authored two books: *Joyful Sorrow: Breaking Through the Darkness of Mental Illness* and *Hopeful Sorrow: Turning to God in Hope When Childhood Wounds Have You Turning Away*. She is also a contributing author to Lifeway Women's Bible study, *Grateful*. Her heart for evangelism led to her serving as the Oklahoma president of Woman's Missionary Union (WMU) from 2020-2024. Julie, and her husband, Ryan, have four children and have served as missionaries in Canada, Mexico, Germany, and Turkey.

Hopeful Sorrow

Turning to God in Hope When Childhood Wounds Have You Turning Away
JULIE BUSLER

Did you grow up feeling unloved, unseen, and insecure? Do you still feel this way today? If so, you're not alone.

Our earliest relationships become the blueprint for how we relate to others later in life, including God. But what happens when those childhood relationships have left you wounded?

In *Hopeful Sorrow*, Julie Busler shares her journey through childhood trauma, emotional neglect, and grief, showing that turning from childhood wounds to God in hope begins with turning toward them in sorrow. Through the biblical practice of lament—bringing honest pain and questions to God—she demonstrates how acknowledging sorrow can lead to hope, resilience, and renewed faith. Blending personal stories with insight from Scripture, Julie will equip you to:

- Face and process childhood pain with hope and forgiveness.
- Stop hiding pain and find peace in God's presence.
- Navigate feelings of abandonment and neglect.
- Trust God as a loving Father.
- Break family patterns that have been breaking you.

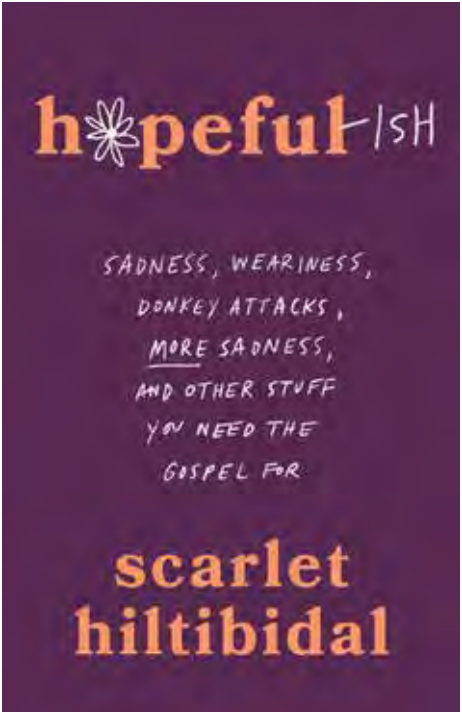

The lens through which we see our parents naturally affects how we view God, but there is hope! We really can attach to Him as a loving Father and learn to live securely in His love.

audience

- Individuals living with complicated grief; Christians ages twenty to fifty who are struggling to reconcile grief, trauma, or mental health challenges with their faith and need guidance on lamenting and healing
- Readers of similar books, such as *Dark Clouds*, *Deep Mercy*, and *The Dark Night of the Soul*, as well as those who engage with podcasts or resources from outlets like Christianity Today and The Gospel Coalition
- Pastors, counselors, caregivers, and church leaders looking for a trauma-informed, Christ-centered resource to help others engage with grief and emotional health through the practice of lament

marketing highlights

- Explores lament as a biblical and healing response to pain, offering hope and guidance to those navigating grief, childhood trauma, or other difficult life experiences; while addressing the rise in suicide-related grief, it equips readers to express their pain in ways that foster healing and deepen faith
- Ideal for church ministries, counseling networks, mental health organizations, grief support groups, and pastoral care teams seeking Christ-centered resources for emotional and spiritual health
- B&H will promote by leveraging connections with trauma-focused organizations, coordinating podcast interviews, launching email campaigns, and securing endorsements from pastors and mental health professionals

Hopeful-ish

Sadness, Weariness, Donkey Attacks, More Sadness, and Other Stuff You Need the Gospel For
SCARLET HILTIBIDAL

Doesn't it feel like the world has just... changed? Optimists are wrestling with pessimism. People who were formerly happy and content now look at the world with disappointment and skepticism. Prestigious professional lives are now lived on video calls in Christmas pajamas. Our relationships have taken a hit and we've lost people we love, and we all just feel a little beat up, you know? A little sad and tired. Life just doesn't feel like it used to.

But does it have to be this way? Is hope possible only if life returns to the way it was? Or is hope something you can experience no matter what?

In *Hopeful-ish*, Scarlet Hiltibidal answers these questions with a resounding yes. In her third and much-anticipated book, Scarlet holds the gospel up to the hard stuff—deep sadness, disappointments, doubts, overwhelm, weariness, and yes, even the pain that comes with random donkey attacks on one's children (true story). And guess what? The gospel doesn't just hold up. It proves that hope is possible and radiant, even here. Even in the mess and the heartache and the disillusionment and the losses.

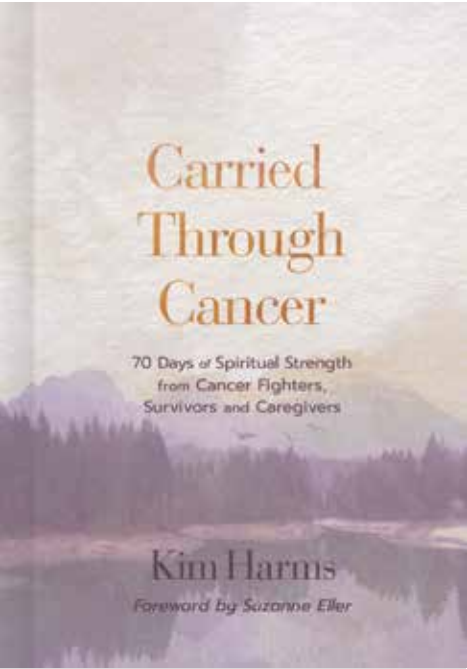

In her trademark relatable, hilarious, and vulnerable voice, Scarlet shares funny and heartbreaking stories, all which ultimately point to God's hopeful love story we are living in right now. If you need a long walk with a friend who can give you fresh hope and even a few laughs along the way, open these pages, because *Hopeful-ish* is for you.

audience

The Man You're Meant to Be

A Call of Self-Examination for Every Believer, Hypocrite, and Outsider
JOHN SIMONS

Every man is being shaped by some kind of wisdom. However, the key question is: What type of wisdom is guiding us? Scripture doesn't suggest every form of wisdom produces a better, more flourishing life. In fact, it warns us of the opposite condition—that we ought to be mightily aware of the possibility that we may be digesting and guided by worldly wisdom, which eventually leads to our own downfall, devastation, and death—yet it will feel so satisfying going down.

The Man You're Becoming: A Call for Self-Examination of Every Believer, Hypocrite and Outsider acknowledges the cultural landscape men are facing, outside and within the walls of the Western church, and challenges them to pursue wisdom from above—rejecting the call of this wayward world to walk on the narrow road of discipleship. This is the path of true wisdom and the calling of Christ, Himself, as we learn His ways and to surrender every aspect of our lives to God.

audience

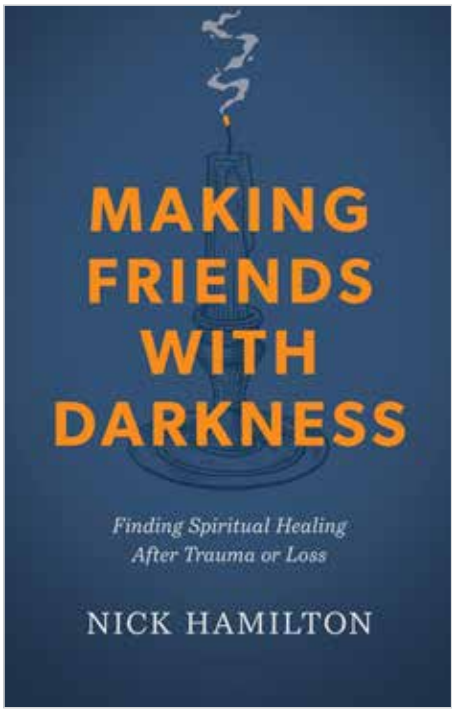

- Young adult Christian men seeking clarity on their biblical calling, purpose, and identity amidst personal, professional, or spiritual challenges
- Church leaders, including pastors and men's ministry leaders, aiming to engage and disciple other men
- Christian men drawn to influential voices like Jordan Peterson (The Jordan B. Peterson Podcast, with millions of global followers) or Joe Rogan (The Joe Rogan Experience, one of the most downloaded podcasts worldwide), but seeking deeper, gospel-centered insights on manhood

marketing highlights

- This book addresses the struggle of disengaged men and offers biblical guidance to men wrestling with feelings of disconnection from the church due to personal wounds or busy life seasons
- Similar to books like Josh Smith's *The Titus Ten*, this book taps into the renewed interest in men's ministry within churches by equipping men to embrace their faith and lead with conviction
- With the rising influence of podcasts and organizations focused on biblical manhood, this book will resonate with audiences connected to John Simons's ministry experience as the current men's pastor at Rolling Hills Community Church and organizations such as the Men's Leadership Network

JOHN SIMONS (PhD candidate in Ethics & Public Theology at Southern Seminary) is the men's pastor of Rolling Hills Community Church. He received his BA in political science from California Baptist University, as well as a MA in Philosophy, and a MDiv from Talbot School of Theology at Biola University. He also served as a small groups & men's community pastor in Southern California. John and his family live in Franklin, Tennessee.

In the Morning You Hear My Voice

365 Poetic Prayers to Remember the Nearness of God
RONNIE MARTIN

When David writes in Psalm 5:3, “O LORD, in the morning you hear my voice,” we hear the cries of a man coming before the Lord in desperation. The good news is God will hear his voice, but David also knows his prayers must include a season of waiting before he sees the Lord intercede in his life. David’s poetic and poignant prayers give words to the groanings of our own hearts.

In the Morning You Hear My Voice captures the unmistakable and awe-worthy presence of God through both the hard seasons and heavy realities of our daily lives. The 365 daily readings detail honest expressions before God, as well as our praise and thanksgiving to Him for never abandoning us, even in our most desperate seasons of waiting. Starting on whatever day of the year a reader begins this devotional, they receive daily encouragement as he or she prays through brief words inspired by the Psalms.

Your Worth Never Wavers

Discover True Beauty as a Girl Made by God
LAURA WIFLER

Snuggle up with a young girl you love and share this beautifully illustrated picture book woven with messages on true beauty, identity, and God’s unending love. As a primer for first conversations about body image, this book will instill deep truths while weaving in fun facts about nature and God’s creation. Best-selling children’s book author, Laura Wifler, wants girls to know . . .

“The same God who made both the otter and pearl,
Is the God who made you—yes you, my sweet girl.
You’re made in His image; He knit you together.
Your worth never wavers—not now, and not ever.”

Research shows that attitudes about body image and self-esteem begin forming in children between the ages of three and five and only become more widespread and problematic as they grow. Many people’s answer to this problem is to “look within,” “trust your heart,” or “try harder” to muster up your own value and worth.

Your Worth Never Wavers sends a better message: True worth and beauty is found by gaining a higher view not of ourselves but of God, the Creator of everything.

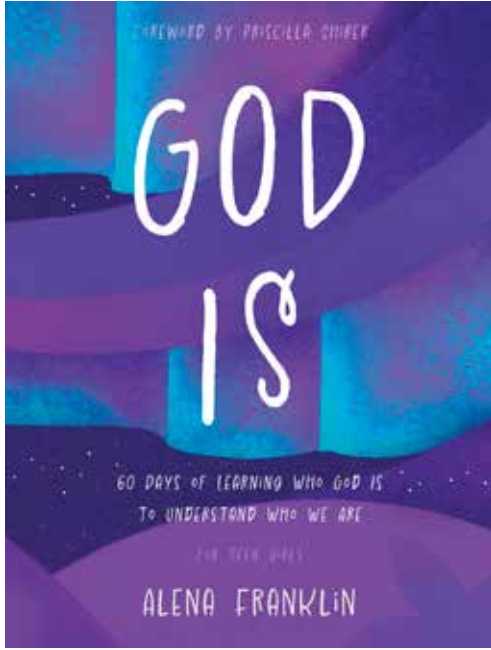

Journey with a diverse group of mothers and daughters as they explore the wonders of creation from colossal canyons to boisterous beehives. Each illustration celebrates God’s handiwork from nature to His design of people, showing women and girls with different skin tones, body shapes, hair types, and abilities. On each page, a child learns fun facts about creation and that the same God who made tigers, snowflakes, sunsets, and stars is the same God who fearfully and wonderfully created each person perfectly in His image.

audience

- Parents and grandparents of young girls looking for positive and faith-based resources to help their daughters understand their value and self-worth in God’s eyes, especially in a culture that often promotes unrealistic standards
- Educators and church leaders seeking engaging materials for teaching young girls about their identity in Christ and reinforcing lessons about self-worth and God’s love in classroom or group settings

From joining friend groups to figuring out what to do after high school and even declaring what career path to pursue, teens are constantly asked to identify themselves in some way. Praise God, All Creatures

A Doxology for Children
JASON G. DUESING

All creatures declare His worth!

The Doxology has been recited or sung by Christians since the late seventeenth century and is frequently one of the first hymns introduced to children. *Praise God, All Creatures* builds upon these familiar words and celebrates the many reasons for all creation to praise the Father, Son, and Spirit.

While learning the words to a beloved hymn, children will delight in the joyful illustrations and will be encouraged to join the creatures on the page—from land and sea and air—as they praise the God who made them.

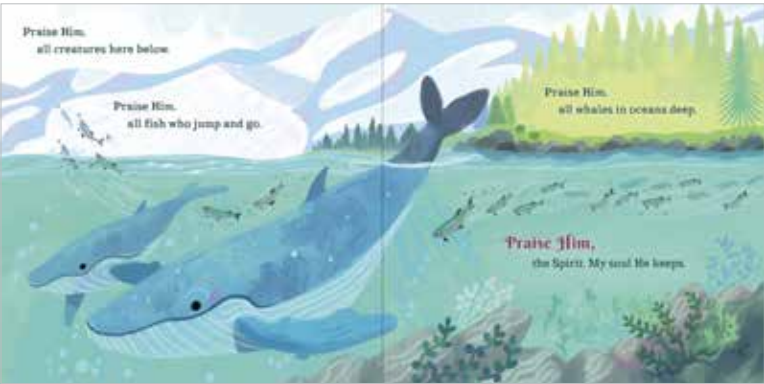

Although *Praise God, All Creatures* is for children ages 0 to 6, the poetry is written to be read and reread by young and old and in-between. It’s a book that all Christians—regardless of their tradition—can read, enjoy, and recommend. “Let everything that has breath praise the LORD” (Romans 150:6)!

Family/New Baby

ALICE MATAGORA lives in Southern California, with her husband, RJ; her children, Regi and Clementine; and her dog, Daisy. In her free time, she enjoys sleeping, eating delicious food, trying new delicious food, being in nature, throwing sticks and rocks in the creek with her kids, silly dancing with her family, working out, and nerdery.

Alice has worked with The Navigators in disciplemaking ministry for more than twenty years and is currently the director of leader development. She is also a licensed marriage and family therapist. Combining her professional experience and passion for disciplemaking, Alice’s first book, *How to Save the World: Disciplemaking Made Simple*, seeks to equip and empower everyday people to make disciples of Jesus wherever they live, work, and play. *You Are My Miracle* is her first book for children.

You Are My Miracle

ALICE MATAGORA

My baby, I’ve waited so long for you!

All parents know what it’s like to wait expectantly to meet a child, whether it’s through a pregnancy, an adoption process, or an infertility journey. This sweet board book celebrates that the child at the end of that waiting is always a miracle!

Children feel safe and encouraged when they are told how much they are loved, so why not show them that they have been loved long before they even had a name? Alice Matagora’s gentle rhyming text tells of the dreams that build during the long, hopeful wait for a child. Little ones will be comforted to hear they are an answer to prayer, created with purpose because of God’s own great love for them.

You Are My Miracle is filled with touching illustrations of parents and children, making it an excellent gift for baby showers, baby dedications, or Mother’s Day. Let all your little miracles know that they were waited for with patience, prayer, and hope!

Angels

Finding Hope in God Who Reigns over Heaven and Earth

MELISSA SPOELSTRA

The Bible speaks of angels often. They were present in the garden of Eden, and throughout the story of the Bible they appear to people with messages, encouragement, and tangible help. Angels ministered to Jesus after His temptation and before His crucifixion, and they shared the good news of His resurrection. Despite their frequent appearance in God’s Word, our impression of angels is more often shaped by the myths and misconceptions that have developed over the centuries.

In this 8-session Bible study, join Melissa Spoelstra as she traverses the terrain of Scripture from Genesis to Revelation to learn about angels—who they are, what they do, and what they have to do with you. There’s no reason to fear or ignore what’s happening in the supernatural, unseen realm—we can live with confidence that God is in control of it all. *Angels* is a call to put your hope in the God of Angel Armies who reigns over heaven and earth.

features

- 8 video sessions, 25-30 minutes each, that illustrate and unpack truths found throughout the study, available via redemption code printed in the Bible study book
- 7 weeks of personal study to be completed between the 8 group sessions
 - Leader helps for group discussion

benefits

- Discover what the Bible teaches about who angels are, what they do, and what that has to do with you
- Find hope knowing that God reigns above your struggles
- Prepare for spiritual battles with more awareness of the schemes of God’s enemies and the presence of angel armies
- See how the work of angels is always pointing back to the purpose and power of God

audience

- Women; small group leaders, fans of Melissa Spoelstra

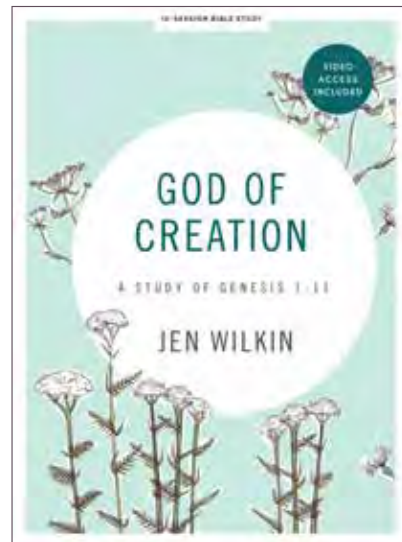

MELISSA SPOELSTRA is a women’s conference speaker, Bible teacher, and author who is madly in love with Jesus. She is passionate about studying God’s Word and helping women of all ages to seek Christ and know Him more intimately through serious Bible study. Melissa has a degree in Bible theology, and she enjoys teaching God’s Word to the body of Christ, traveling to diverse groups and churches across the nation. Melissa is the author of many Bible studies, including *The Gospel of John* and *Isaiah*. Melissa enjoys spending time with her pastor husband, Sean, and their four adult children: Zach, Abby, Sara, and Rachel.

EXODUS 10:1

THE EIGHTH PLAGUE: LOCUSTS

10 Then the LORD said to Moses, "Go to Pharaoh, for I have hardened his heart and the hearts of his officials so that I may do these miraculous signs of mine among them."^a And so that you may tell^b your son and grandson how severely I dealt with the Egyptians and performed miraculous signs among them, and you will know that I am the LORD."

² So Moses and Aaron went in to Pharaoh and told him, "This is what the LORD, the God of the Hebrews, says: How long will you refuse to humble yourself before me? Let my people go, that they may worship me. ³ But if you refuse to let my people go, then tomorrow I will bring locusts^c into your territory. ⁴ They will cover the surface of the land so that no one will be able to see the land. They will eat the remainder left^d to you that escaped the hail: they will eat every tree you have growing in the fields. ⁵ They will fill your houses, all your officials' houses, and the houses of all the Egyptians—something your fathers and grandfathers never saw since the time they

... hardened his heart), and it says that his officials did the same. The second names no agent and simply describes the condition (Pharaoh's heart was hard). The third names the Lord as the agent (I have hardened his heart and the hearts of his officials). The first (9:34) and third (10:1) use the same verb. Compare them (12:14-27; 42:49; 13:1-16; 16:33-34; 17:14-16). The hardening of Egyptian hearts was the occasion for miraculous signs that the Israelites should recount to succeeding generations so they would know who the Lord is (Ps 111:4-6).

10:3-7 This is the first time Moses and Aaron deliver the plague announcement, and immediately began an argument over who should go. Moses's list included everyone and everything they owned, since the entire nation belonged to the Lord. You're heading for trouble translates a terse phrase with no verb, literally, "evil [is] opposite your face." The word translated "trouble" often refers to calamity or disaster; so it may be that Pharaoh referred to the trouble that the Israelites would experience if they continued to annoy him with talk of leaving—"Look out, you are about to be in trouble from me; it's right in front of you!" Or he may have been saying that what they were contemplating was bad, evil from his point of view.

10:12-15 Again, this plague of locusts was the worst in Egypt's long history.

10:16-20 Monarchs cultivate the image of serenity and control. Pharaoh's hurry to call Moses and Aaron back, his longer confession, and his request for relief from the plague show its impact on him. Unlike before, in the aftermath of this plague, Moses said nothing to Pharaoh.

10:19 The Hebrew name for the Red Sea, yam suph, is used here for the first time. It is also applied to what is now called the Gulf of Aqaba or Gulf of Eilat, the branch of the Red Sea that extends to the Peninsula (1 Kg 9:26) or that is sometimes recognized that the word "reed" or "reeds," is 19:6. The name "I ancient Greek usage of the Gulf of Suez, the Arabian Sea Gulf under the Greek name "Red Sea" (eruthra).

10:21-23 Darkness is appropriate as an attack against Egypt, since Pharaoh was believed to be the son of Egypt's chief god, the sun-god Re. It is also part of later judgment pronounced against Egypt (Ezk 32:7-8). Pharaoh had refused to allow a three-day journey

The Cathedral of Theology

Principles of Christian Dogmatics
J. V. FESKO

What is theology and how does one do theology? Author J. V. Fesko answers these questions in the first volume of the Pillars in Christian Dogmatics series. *The Cathedral of Theology: Principles of Christian Dogmatics* is a work of prolegomenon that establishes principles for theology including defining what theology is, the necessary virtues for doing theology, the relationship between God’s knowledge and human knowledge, the foundations for theology (natural and supernatural revelation), the relationship between faith and reason, metaphysics, biblical reasoning (or principles of interpretation), theological organization, the covenantal context for theology, the use of imagination, defining the boundaries of doctrinal truth and error, and the pursuit of beauty. Perfect for both new and seasoned theologians, this comprehensive book offers a clear roadmap for approaching theology in a way that seeks the worship of the Triune God.

Pillars of Christian Dogmatics series is an exercise in the retrieval of classical, orthodox doctrines for the church today. Featuring well-respected theologians and scholars, the authors share a commitment to the authority of Scripture, the truth claims of the Nicene Creed, and the metaphysical building blocks that undergird the Great Tradition. Each book offers an in-depth theological study, using exegetical, historical, philosophical, and doctrinal resources to analyze major loci in Christian theology. The goal is to contemplate the triune God and his works and to show readers how the entire Christian faith intersects and must be encountered as a coherent whole.

The Devil Reads Nietzsche

A Public Theology for the Post-Christian Age
MICHAEL McEWEN

In *The Devil Reads Nietzsche: A Public Theology for the Post-Christian Age*, Michael McEwen intends to both excavate Friedrich Nietzsche and explicate how American culture has selectively adopted and appropriated Nietzschean ideals into its stories, symbols, and practices. To be clear, this project is more than a historical excavation of Nietzsche; it's primary aim is to disciple readers to engage with cultural ideologies from within the biblical-theological narrative. An interaction with the grandfather of postmodernism and deconstructionism will serve as a "case study" of how we might do this charitably, wisely, and winsomely.

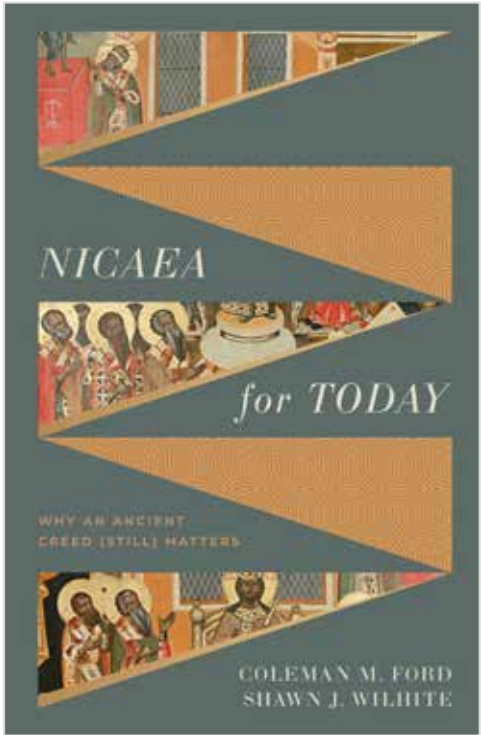

audience

- Graduate courses on Christianity and culture, moral philosophy, apologetics, and theology
- Those interested in the intersection between theology, philosophy, and culture

marketing highlights

- The author challenges specific Christian engagements with culture, particularly those associated with American fundamentalism, which often advocates for complete separation from worldly influences
- Develops a "Culture Parodies Christ" paradigm. Derived from Niebuhr's *Christ and Culture*

MICHAEL McEWEN (PhD, Southeastern Baptist Theological Seminary) is the acquisitions and project editor for B&H Academic and serves as the pastor of Hickory Grove Baptist Church in Trenton, Tennessee.

Nicaea for Today

Why an Ancient Creed (Still) Matters
COLEMAN M. FORD and SHAWN J. WILHITE

The year 2025 represents the 1700-year anniversary of the Council of Nicaea. While the history and theology of Nicaea is thoroughly discussed in academic literature, its importance is much less understood by the “normal Christian.” In the last ten to fifteen years, there has been a renaissance of studies on Nicaea, with works by scholars such as Lewis Ayres, John Behr, and Khaled Anatolis. These insights, however, need to be brought to a more general readership and allowed to impact the way a “normal Christian” understands Nicene theology, both its historical legacy and its modern relevance. In the following work, we aim to situate and explain Nicene theology for the modern Christian church. Specifically, this work will help lay Christian readers grow in their appreciation for Nicene theology and the ways it explains the biblical narrative as well as enhances their spiritual life.

audience

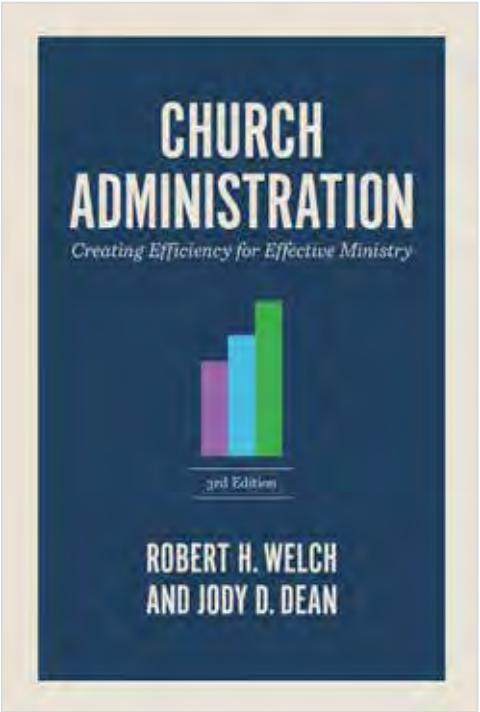

- Graduate and undergraduate courses discussing the early church, such as Patristics
- Readers interested in early Christianity or curious about creedal influence on the church

marketing highlights

- With the anniversary, there will be conferences and events worldwide on this very topic
- These authors have already produced award-winning work together

COLEMAN M. FORD (PhD, The Southern Baptist Theological Seminary) is assistant professor of humanities at Texas Baptist College. He is the co-director of the Center for Ancient Christian Studies and is a fellow of the Center for Pastoral Theologians (St. Basil Fellowship).

SHAWN J. WILHITE (PhD, Durham University) is associate professor of New Testament at California Baptist University and is co-director of the Center for Ancient Christian Studies.

Missional Preaching

Communicating in an Age of Secularism, Plualism, and Deconstruction
STEPHEN STALLARD

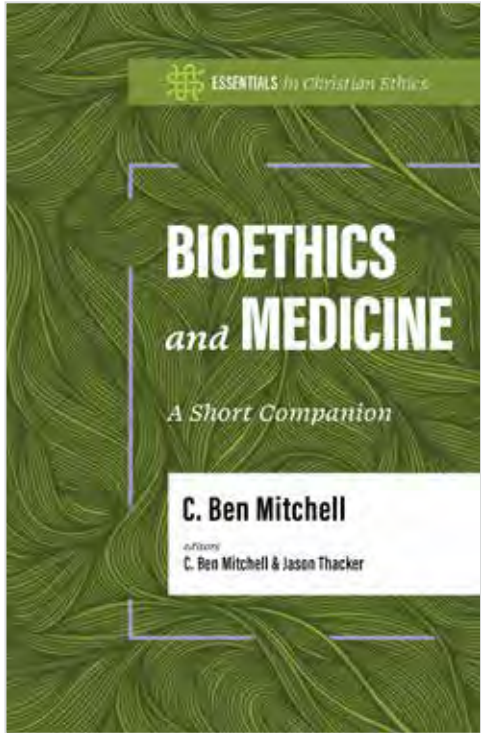

American society has rapidly shifted, and preachers suddenly find themselves preaching in a post-Christian country. Some listeners harbor doubts planted by secularism. Other listeners are on the verge of deconstructing their faith. Still others are members of other religions, and they are hostile, or at least skeptical, to the claims of Christ. Preachers can no longer preach to the safe audience of the choir.

We must learn to stand confidently on the missional frontier, proclaiming the Risen Lord in a society marked by mistrust and skepticism. This primer offers overwhelmed preachers the practical tools necessary to preach beyond the choir. Drawing on his experiences preaching on the missional frontier in New York City and Portland, Stallard provides a hands-on primer to missional preaching.

audience

- This resource helps pastors and preachers step out of their safety zone of preaching to the choir into a more missional mindset
- In the age of deconstruction, it’s important for pastors to be able to change their methods without changing their message

Bioethics and Medicine

A Short Companion
C. BEN MITCHELL and JASON THACKER

In *Bioethics and Medicine: A Short Companion*, C. Ben Mitchell challenges the prevailing view of bioethics as solely a matter of expert problem-solving. Instead, he argues that the ethics of medicine is deeply rooted in an ancient profession with a rich moral heritage. This heritage, embodied in the Hippocratic Oath and other foundational texts, guides the practice of medicine and is at risk of being eroded if not actively defended by Christians.

Mitchell explores key topics such as the patient-physician relationship, the goals of medicine, end-of-life care, and the broader societal implications of medical ethics. By examining these issues through a historical, moral, and philosophical lens, Mitchell offers a thought-provoking exploration of the moral foundations of medicine and a call to action for those who care about its future.

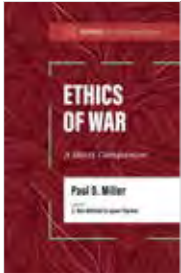

The Essentials in Christian Ethics series is designed to illuminate the richness and centrality of ethics to all of Christian life. The series consists of short, introductory volumes written by renowned scholars in the fields of ethics, theology, and philosophy. Each volume explores a crucial element of Christian ethical reflection, approaching the subject from within the broader Protestant moral tradition.

audience

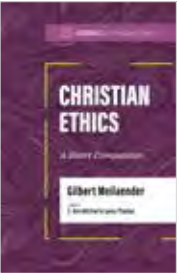

- Graduate medical ethics courses, including courses in public health or medical social work
- Those looking to explore the topic of compassionate healthcare and patient advocacy

C. BEN MITCHELL (PhD, University of Tennessee, Knoxville) is a professor and author who has served at Union University, Trinity Evangelical Divinity School, and The Southern Baptist Theological Seminary.

JASON THACKER (PhD, The Southern Baptist Theological Seminary) is assistant professor of philosophy and ethics at Boyce College in Louisville, Kentucky. He also serves as a research fellow in Christian ethics and director of the Research Institute at The Ethics and Religious Liberty Commission.

Embodied Holiness

The Biblical Call to Bodily Care
LAINNEY GREER

In *Embodied Holiness: The Biblical Call to Bodily Care*, author Lainey Greer challenges the Christian tendency to undervalue the body. Drawing on biblical, historical, and theological arguments, she contends that our physical bodies are integral to our spiritual lives. By neglecting our bodies, the church misses out on opportunities to glorify God and live out its faith fully.

Greer explores the roots of body-neglecting beliefs in neo-Gnosticism and offers practical guidance for embracing embodied holiness. She demonstrates how a renewed understanding of the body can lead to healthier, more fulfilling lives and a stronger witness for Christ in a world that often disregards the importance of physical well-being.

This book offers a powerful call to action, urging Christians to confront body-denying beliefs within the church and culture and to embrace embodied holiness as a beacon of light in a world that often disregards the physical.

audience

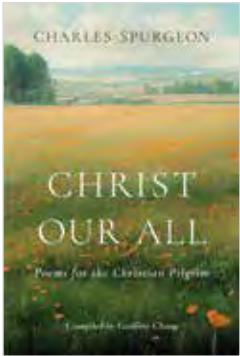

- Those interested in theological anthropology, even in relevant graduate courses
- Those interested in holistic health and bodily care

marketing highlights

30 días con Jesús

30 DAYS WITH JESUS RVR 1960 EDITION

Jesus—He is the central figure of the New Testament, and his life, death, resurrection, and exaltation is the heart of the gospel. His story is foretold by the Old Testament prophets, anticipated in the psalms, and then explained by the apostles who witnessed his work. But nowhere do we see Him more clearly than in the Gospels, the four biographies that reveal His ministry on earth.

In *Life of Jesus in 30 Days: RVR 1960*, author and teacher Trevin Wax has crafted a devotional experience that takes you through the Gospel accounts of Jesus’s life in a “Morning,” “Midday,” and “Evening” pattern, following the Scriptural precedent for praying three times a day. This prayer journey through the life of Jesus features psalms, other songs from Scripture, confessions of faith, and written prayers from faithful Christians who have gone before us. Here is a guide to walking with Jesus each month by lifting our eyes, three times a day, to see and experience the goodness and faithfulness of Christ in the midst of all things.

Jesús es la figura central del Nuevo Testamento, y su vida, muerte, resurrección y exaltación son el corazón del evangelio. Su historia es predicha por los profetas del Antiguo Testamento, anticipada en los salmos y luego explicada por los apóstoles que presenciaron Su obra. Pero en ningún otro lugar lo vemos más claramente que en los Evangelios, las cuatro biografías que revelan Su ministerio en la tierra.

En 30 días con Jesús: RVR 1960, el autor y maestro Trevin Wax ha elaborado una experiencia devocional que lo lleva a través de los relatos evangélicos de la vida de Jesús siguiendo un patrón de “mañana”, “mediodía” y “tarde”, siguiendo el precedente bíblico de orar tres veces al día. Este viaje de oración a través de la vida de Jesús presenta salmos y otros cantos poéticos de las Escrituras, confesiones de fe y oraciones escritas por cristianos fieles que nos han precedido. Esta es una guía para caminar con Jesús cada mes al levantar nuestros ojos, tres veces al día, para ver y experimentar la bondad y la fidelidad de Cristo en medio de todas las cosas.

Entre lágrimas y oraciones

El duelo y la viudez de la mano de Dios

BETWEEN TEARS AND PRAYERS

ODETTE ARMAZA

How do you deal with the loss of the person you love? How do you find strength when life seems to be breaking into a thousand pieces? In *Between Tears and Prayers* , the author shares her experience of faith and hope in the midst of one of the most difficult moments of her life: her husband’s battle with cancer and his departure. But this is not just a story of pain; it is a powerful testimony of the love of a God who sustains and transforms in the midst of pain.

More than a personal story, *Between Tears and Prayers* is a hopeful reminder that you are not alone. God hears every tear, answers every prayer, and walks with you, even in the deepest valley.

Because in Christ, pain is never the end of the story, but the beginning of a glorious restoration.

¿Cómo enfrentarte a la pérdida de la persona que amas?, ¿Cómo hallar fuerzas cuando la vida parece romperse en mil pedazos? En Entre lágrimas y oraciones, la autora comparte su experiencia de fe y esperanza en medio de uno de los momentos más difíciles de su vida: la batalla contra el cáncer de su esposo y su partida. Pero esta no es solo una historia de dolor; es un testimonio poderoso del amor de un Dios que sostiene y transforma en medio del dolor.

Más que un relato personal, Entre lágrimas y oraciones es un recordatorio esperanzador de que no estás sola. Dios escucha cada lágrima, responde cada oración y camina contigo, incluso en el valle más profundo.

Porque en Cristo, el dolor nunca es el final de la historia, sino el comienzo de una restauración gloriosa.

Bajo Sus alas

Encuentra refugio en el Dios que rescata

UNDER HIS WINGS

WENDY BELLO

Did you know that only two books in the Bible are named after women? Both are found in the Old Testament. One of them is the book of Ruth. This fact is surprising because, under the cultural norms of the ancient world, women and foreigners were not highly valued. Ruth was both a woman and a foreigner. However, God determined that this story be part of the Scriptures and reach you today with an extraordinary message you cannot ignore.

In *Under His Wings: Find Refuge in the God Who Rescues*, Wendy wants to help readers see how the book of Ruth goes beyond the love story between Ruth and Boaz or the relationship between daughter-in-law and mother-in-law. The author wants to show how Ruth tells the story of ordinary people who became protagonists of a much bigger story, the story of salvation and redemption that God had prepared from the beginning. This is not an isolated story; it is quite the opposite!

¿Sabías que entre todos los libros de la Biblia, solo dos llevan nombres de mujeres? Ambos se encuentran en el Antiguo Testamento, y uno de ellos es el libro de Rut. Este hecho es sorprendente ya que bajo las normas culturales del mundo antiguo, las mujeres y los extranjeros no eran muy valorados. Rut era, a la vez, mujer y extranjera. Sin embargo, Dios determinó que esta historia forme parte de la Escritura y llegue hasta ti hoy con un mensaje extraordinario que no podrás ignorar.

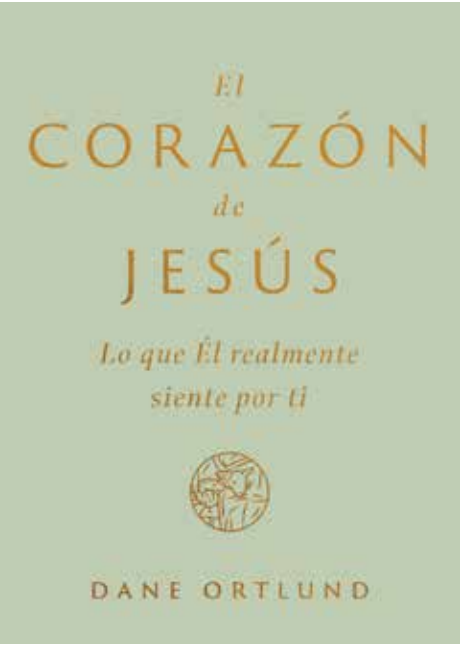

En Bajo Sus alas: Encuentra refugio en el Dios que rescata, Wendy Bello quiere ayudar a los lectores a ver cómo el libro de Rut va más allá de la historia de amor entre Rut y Boaz o la relación entre la nuera y la suegra. La autora quiere exponer cómo Rut cuenta la historia de personas comunes que se convirtieron en protagonistas de una historia mucho más grande, la historia de salvación y redención que Dios tenía preparada desde el principio. ¡Esta no es una historia aislada, sino todo lo contrario!

Ama a los que te vuelven loco

Ocho verdades que promueven la unidad en tu iglesia

LOVE THE ONES WHO DRIVE YOU CRAZY
JAMIE DUNLOP

Loving Those at Church Who Are Hard to Love

Churches are full of differences. Those differences might be rooted in culture or personality or even musical style. In recent years, differences over political and social issues have frayed the unity of many churches. Yet if a church is centered on Christ alone, then unity at church will sometimes require building genuine friendships that bridge across all those differences. How can Christians navigate those relationships? Can they really love people at church who sometimes drive them crazy?

This practical guide explores 8 truths from Romans 12–15 that show us how to find God-exalting unity at church with those we struggle to love. *Love the Ones Who Drive You Crazy* is a roadmap to finding joy in Christ through the many differences we have with fellow believers, a joy that powerfully declares the glory of God. Because easy love rarely shows off gospel power.

Amar a los miembros de la iglesia que son difíciles de amar

Las iglesias están llenas de diferencias. Esas diferencias pueden tener su raíz en la cultura, la personalidad o incluso el estilo musical. En los últimos años, las diferencias sobre cuestiones políticas y sociales han desgastado la unidad de muchas iglesias. Entonces, para que una iglesia este centrada solamente en Cristo, debemos trabajar en la unidad, y a veces esto requiere construir amistades genuinas que superen todas nuestras diferencias. ¿Cómo podemos manejar esas relaciones? ¿Podemos realmente amar a las personas de la iglesia que a veces nos vuelven locos?

Esta guía práctica explora ocho verdades de Romanos 12-15 que nos muestra cómo encontrar una unidad que exalte a Dios en la iglesia, incluso con aquellos a quienes nos cuesta amar. Ama a los que te vuelven loco es un recurso que te guiará a encontrar gozo en Cristo a través de las muchas diferencias que tenemos con otros creyentes, un gozo que declara poderosamente la gloria de Dios. Porque el amor fácil rara vez muestra el poder del evangelio.

La predicación y la metáfora

Cómo crear sermones que forjan vidas

PREACHING AND METAPHOR
OSCAR JIMÉNEZ

This book recovers metaphor’s cognitive power to restructure how people think, feel, and live. Drawing on insights from cognitive linguistics and biblical studies, this book shows how metaphors and parables work to dismantle old patterns of thought and establish new ones. Throughout its pages, the book *Preaching and Metaphor* focuses on the ultimate goal: not merely informing minds but transforming communities into the image of Christ.

In essence, preaching metaphorically invites listeners to inhabit an alternative world—one shaped not by cultural assumptions but by biblical metaphors and kingdom parables. Like Jesus himself, preachers can use metaphorical language to help people move beyond mere explanation to transformation, beyond information to formation.

Este libro recupera el poder cognitivo de la metáfora para reestructurar la manera en que piensas, sientes y vives. Basándose en conocimientos de la lingüística cognitiva y los estudios bíblicos, este libro muestra cómo las metáforas y las parábolas funcionan para dismantelar viejos patrones de pensamiento y establecer otros nuevos. A lo largo de sus páginas, el libro la predicación y la metáfora se centra en el objetivo final: no solo informar tu mente, sino transformar tu comunidad a la imagen de Cristo.

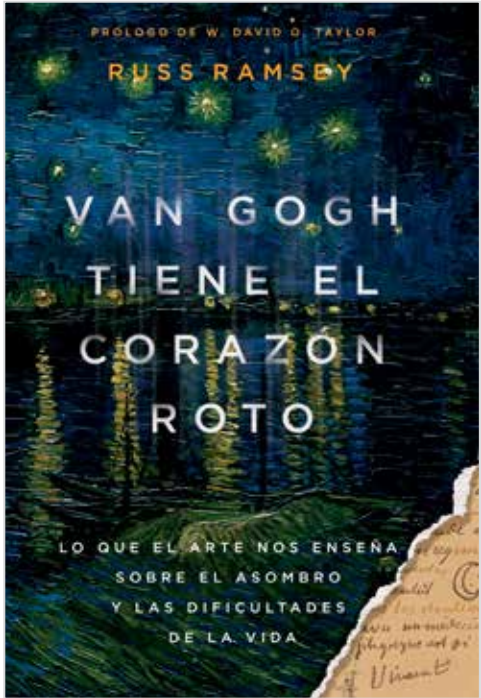

En esencia, la predicación metafórica te invita a habitar un mundo alternativo, uno moldeado no por supuestos culturales, sino por metáforas bíblicas y parábolas del reino. Al igual que Jesús mismo, los predicadores pueden usar el lenguaje metafórico para ayudarte a pasar de la mera explicación a la transformación, de la información a la formación.

Van Gogh tiene el corazón roto

Lo que el arte nos enseña sobre el asombro y las dificultades de la vida

VAN GOGH HAS A BROKEN HEART
RUSS RAMSEY

Beyond a mere introduction to great art, *Van Gogh Has a Broken Heart* is about loving to learn what art has to teach us about the wonder and struggle of being alive.

These stories—and many more—shaped the work these artists left behind. In their art are lessons common to the human experience about the wonder and struggle of being alive: dreams lost, perspectives changed, and humility derived through suffering.

In *Van Gogh Has a Broken Heart*, Russ Ramsey digs into these artists' stories for readers who may be new to art, as well as for lifelong students of art history, to mine the transcendent beauty and hard lessons we can take from their masterpieces and their lives. Each story from some of the history's most celebrated artists applies the beauty of the gospel in a way that speaks to the suffering and hope we all face.

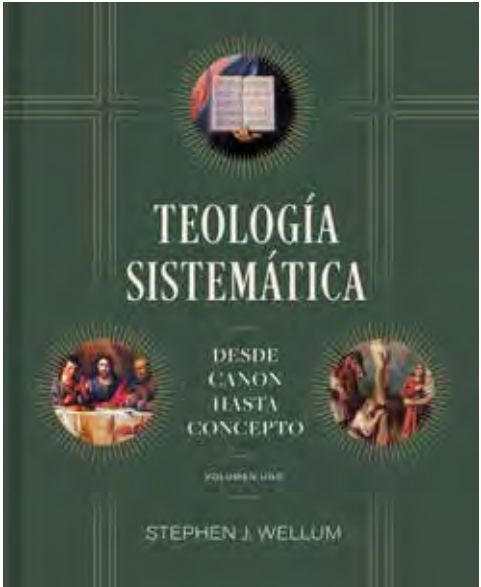

Más allá de una simple introducción al gran arte, Van Gogh tiene el corazón roto es un libro que trata sobre amar y aprender lo que el arte tiene para enseñarte acerca de lo maravilloso de la vida y sus retos.

Estas historias, y muchas más, dieron forma a la obra que estos artistas dejaron atrás. En su arte hay lecciones comunes a la experiencia humana acerca de lo maravilloso de la vida y sus retos: sueños perdidos, perspectivas cambiadas y humildad derivada del sufrimiento.

En Van Gogh tiene el corazón roto, Russ Ramsey analiza las historias de estos artistas para que, ya sea que seas nuevo en el arte o un estudiante de historia del arte, puedas extraer la belleza trascendente y las duras lecciones que puedes obtener de sus obras maestras y de sus vidas. Cada historia de algunos de los artistas más célebres de diferentes épocas aplica la belleza del evangelio de una manera que habla del sufrimiento y la esperanza que todos enfrentan.

THE WINGFEATHER SAGA: THE MONSTER IN THE
HOLLOWS - BOOK 3
ANDREW PETERSON

Things are about to go from bad to wolf in the howlingly entertaining third book of the Wingfeather Saga.

Janner, Tink, and Leeli Igiby, the Lost Jewels of Anniera, are hiding from Gnag the Nameless in the Green Hollows, one of the few places in the land of Aerwiar not overrun by the Fangs of Dang. But there's a big problem. Janner's little brother - heir to the throne of Anniera - has grown a tail. And gray fur. Not to mention two pointed ears and long, dangerous fangs. To the suspicious folk of the Green Hollows, he looks like a monster.

But Janner knows better. His brother isn't as scary as he looks. He's perfectly harmless. Isn't he?

Full of characters rich in heart, smarts, and courage, *The Monster in the Hollows* is a tale children of all ages will cherish, families can listen to together, and book clubs are sure to enjoy discussing for its many layers of meaning.

Las cosas están a punto de pasar de mal a peor en este entretenido y emocionante tercer libro de la saga Wingfeather.

Janner, Tink y Leeli Igiby, las Joyas Perdidas de Anniera, se esconden de Gnag el Sin Nombre en los Valles Verdes, uno de los pocos lugares de la tierra de Aerwiar que no está invadido por los Colmillos de Dang. Pero hay un gran problema: el hermano pequeño de Janner, heredero del trono de Anniera, tiene cola y pelaje gris. Sin mencionar dos orejas puntiagudas y colmillos largos y peligrosos. Para la desconfiada gente de los Valles Verdes, parece un monstruo.

Pero Janner sabe que su hermano no es tan aterrador como parece. Él es inofensivo. ¿O no?

Lleno de personajes con un gran corazón, inteligencia y coraje, El monstruo en los valles verdes es un cuento que los niños de todas las edades apreciarán, que las familias pueden disfrutar juntas y que los clubes de lectura disfrutarán dialogando por sus múltiples significados..

CHARLIE AND THE PRESCHOOL PRODIGAL

GINGER M. BLOMBERG

A Retelling of the Parable of the Prodigal Son

We so often desire to save ourselves, either through running from rules or self-righteously following them—missing the true joy and rest found in the Father’s unconditional love. In this picture book for kids ages 3–7, author Ginger M. Blomberg retells the story of the prodigal son through the eyes of wild-child Eddie and his rule-following brother Charlie.

Eddie decides to run away from home, taking his brother Charlie’s candy and his father’s new tie with him on his journey. When Eddie returns home feeling scared and guilty about his choice, his father is waiting for him with open arms. But Charlie, who is confused by his father’s immediately welcoming reaction, is hesitant to join in the celebration. This book, like the parable, doesn’t resolve Charlie’s story but instead invites young readers to imagine themselves in Charlie’s position—spurring thoughtful discussion between parents and children as they learn about sin, grace, and the unconditional love of the Father through his Son’s death on the cross. A TGC Kids book.

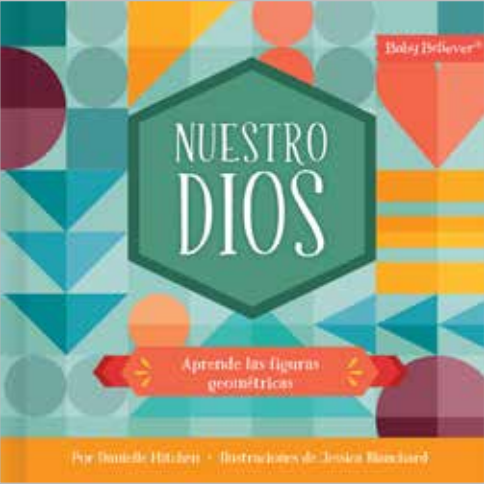

- Written for Kids Ages 3–7:** Accessible story accompanied by colorful illustrations to keep kids engaged
- Teaches Kids an Important Life Lesson:** This engaging story introduces children to the dangers of self-righteousness
- Practical Approach for Parents and Guardians:** A “Note to Grownups” provides advice for parents as they guide their children through the conversation of sin, grace, and the unconditional love of God
- TGC Kids Series:** Teaches kids biblical truths while engaging their hearts and imaginations

Un relato de la parábola del hijo pródigo. Muchas veces deseamos salvarnos, ya sea huyendo de las reglas o siguiéndolas con presunción de superioridad moral, y perdemos la verdadera alegría y el descanso que se encuentran en el amor incondicional del Padre. En este libro ilustrado para niños de 3 a 7 años, la autora Ginger M. Blomberg vuelve a contar la historia del hijo pródigo a través de los ojos del niño rebelde Eddie y su hermano Charlie, que sigue las reglas.

Eddie decide huir de casa y se lleva los dulces de su hermano Charlie y la corbata nueva de su padre en su viaje. Cuando Eddie regresa a casa asustado y culpable por su decisión, su padre lo espera con los brazos abiertos. Pero Charlie, que está confundido por la reacción de bienvenida inmediata de su padre, duda en unirse a la celebración. Este libro, al igual que la parábola, no resuelve la historia de Charlie, sino que invita a los lectores a imaginarse en la posición de Charlie, lo que estimula una discusión reflexiva entre padres e hijos mientras aprenden sobre el pecado, la gracia y el amor incondicional del Padre a través de la muerte de Su Hijo en la cruz. Un libro en colaboración con TGC Kids.

EVERYDAY EVANGELISM BIBLE STUDY
PRESTON PERRY

Sharing your faith is not about winning arguments; it’s about winning hearts. And the way to do that is by engaging others with love, respect, and truth.

In this 6-session study, you’ll be equipped with practical, effective ways to share the truth of the gospel with your friends, neighbors, and coworkers. You’ll be inspired by the author’s own story of how he came to know Jesus through a friend who reached out to him in love, invited him into his life, and showed him what it truly means to be a Christian. You’ll also be challenged to respond to God’s call to be bold—because eternity is at stake.

Everyday Evangelism Bible study book with video access includes printed content for six weeks of study, including group sessions with helpful discussion questions, personal study between group sessions, applicable Scripture, “How to Use This Study,” and tips for leading a group. Also, each book contains unique codes that enable you to access free teaching videos for each session.

Compartir tu fe no se trata de ganar discusiones, sino de ganar corazones. Y la manera de hacerlo es interactuando con los demás con amor, respeto y verdad.

En este estudio de seis sesiones, serás equipado con herramientas prácticas y efectivas para compartir la verdad del evangelio con tus amigos, vecinos y compañeros de trabajo. Te inspirará la historia personal del autor sobre cómo llegó a conocer a Jesús a través de un amigo que se acercó a él con amor, lo invitó a su vida y le mostró lo que realmente significa ser cristiano. También serás desafiado a responder al llamado de Dios a ser valiente, porque la eternidad está en juego.

El libro de estudio bíblico Evangelismo Cotidiano con acceso a videos incluye contenido diseñado para seis semanas de estudio, incluyendo sesiones grupales con preguntas que fomentan el diálogo, estudio personal entre sesiones grupales, Escritura aplicable a la vida diaria, «Cómo usar este estudio» y consejos para liderar un grupo. JOHN MACARTHUR

In *Living Stones: The Gospels and Acts: The Complete Series*, John MacArthur offers a comprehensive study of the foundational accounts of the New Testament. From the coming of the King in Matthew, through the humanity of Christ in Mark, the Savior of the world in Luke, and the Son of God in John, to the spread of the gospel in Acts, this series guides readers through an in-depth analysis of the life and work of Jesus, as well as the growth of the early church.
