DACEY TRIPLETT is a small town girl from Ferguson, NC who was born into a world not made for her. She was unexpectedly born with

Achondroplasia dwarfism and didn't always understand why God chose her to be different. Through falling more in love with God, she began to fall in love more and more with the Dacey that He made her to be. She realized that she isn't that different after all, she's just a girl who loves Jesus, traveling, fashion, and coffee, and has a unique perspective on life.

Nobody Can Be You Better Than You

Loving the Person God Created You to Be

BY DACEY TRIPLETT

Have you ever looked in the mirror and wished something was different about you? Or wondered why God made you the way He did? Or maybe you just feel like you live in a world not made for you?

We live in a world that is constantly telling us that we need to be someone else. The world tells us that to be accepted and loved, we have to look a certain way and act a certain way. How are you expected to have confidence when you are constantly being told you need to be someone else?

These are all questions that I have asked myself. Being born with dwarfism led me to believe that I would always be different than everyone else around me. For so long, I rooted my confidence in things that were constantly changing, like my appearance and who liked me. My life changed when my eyes were opened to see that I had no confidence because I was placing it in myself and my circumstances, instead of in the One who created me.

God never asked you to be anyone except the you He made you to be. God knew exactly what He was doing when He made you. You are fearfully & wonderfully made. You are made in His Image. You are the you He created you to be. He doesn't make mistakes.

Throughout my story, I hope you see that we are all different in a beautiful way, and you realize that nobody can be you better than you. I want to be a friend who lets you in on all the good, bad, pretty, and ugly in hopes that you can find confidence in who God made you to be, just like I did.

Eco-Anxiety and the Cross

Face Climate Fear with Gospel Hope

BY ANDREW J. SPENCER

Eco-Anxiety and the Cross offers hope for a worried world. This book is an honest, encouraging guide through eco-anxiety—rooted in the unshakable promises of the gospel. Written for anyone feeling overwhelmed by the headlines or burdened by the state of our planet, this book brings together real environmental challenges, the emotional weight of climate anxiety, and the hope that flows from the story of God's redemptive love for creation. With care for both mind and spirit, it addresses the often-hyperbolic language of climate activism and doom, anchoring readers in the biblical conviction that God has not abandoned the world he made but is leading it toward renewal.

Blending biblical wisdom and practical action steps, this book guides anxious readers from despair to purpose. It offers a clear-eyed truth about the planet's struggles but refuses to leave readers stuck in guilt or paralysis. Instead, it describes how Christians can embody hope in daily life, grounded in Christ's resurrection and the promise of a restored creation. With chapters on managing fear, discerning facts, praying with the groaning of creation, and simple but meaningful ways to care for the earth, this book is a practical field guide for living faithfully and hopefully amidst environmental crises.

audience

- Individuals who feel responsibility to steward the earth well for the good of future generations and who feel climate anxiety
- Pastors and church leaders who minister to those experiencing eco-anxiety, need help articulating its challenges, and are seeking a resource to recommend to those individuals
- Thoughtful Christians who are interested in trustworthy resources on creation care
- Readers seeking a distinctly Christian entry point into the broader climate conversation

marketing highlights

- A 2021 Pew Research survey found that 44 percent of childless adults ages eighteen to forty-nine do not plan to have children, and many participants cited climate concerns as a key factor; as climate anxiety grows, this book provides a much-needed biblical perspective to address and navigate these fears
- Author Andrew Spencer serves as associate editor for books at The Gospel Coalition and writes frequently on creation care and Christian ethics; his theological depth and ongoing work in this space lend strong credibility and connection to a trusted audience
- B&H will promote this book through strategic marketing targeted to the audience, including paid advertising, podcast placements, and partnerships with faith-based environmental organizations

CAROLINE SAUNDERS is a writer, Bible teacher, pastor's wife, and mother of three who believes in taking Jesus seriously and being

un-serious about nearly everything else. Her most recent projects include her first women's Bible study with Lifeway Women called *Come Home: Tracing God's Promise of Home in Scripture* (with the teen adaptation available through Lifeway Girls) and a storybook Bible, *Kids in the Bible*.

But What Do I Wear?

The Biblical Story of Clothing, How It Helps Us Think About Getting Dressed, and Approximately Seventeen Stories I May Regret Telling

BY CAROLINE SAUNDERS

Clothes occupy more than closet space—they take up mental space too. We regularly face uncomfortable waistbands, dressing for big moments, and managing kids' outgrown clothes. And as Christians, we have deeper questions: How much time and money should we spend? For parents and ministry leaders, how much "clothes-policing" is appropriate? Modesty matters, but are clothes only about covering up? Does God really care about what we wear—and should we? Is the whole idea superficial? What is happening under the surface when we cry in a fitting room, panic over wearing the wrong thing, or feel like we have nothing to wear while staring at a packed closet? Ultimately, how do we honor God, ourselves, and others with our clothing? Does the Bible only offer rigid rules around clothes, or does it have something broader to say—something that might shape how we think about getting dressed?

Fortunately, yes, the Bible's narrative offers powerful hope and meaningful help. When we root ourselves in Scripture's big story regarding clothing, getting dressed becomes more than a daily task—it can be a place of truth, joy, and worship of the God who lovingly covers us.

In *But What Do I Wear?*, beloved (and hilarious!) Bible teacher Caroline Saunders zooms out from the rigid rules and common tropes around clothing and instead traces the larger themes of clothing and covering throughout Scripture, mixing in some humorous and heartfelt stories along the way. As she walks from Genesis to Revelation—from fig leaves to righteous robes—she helps women discover this bigger story and approach clothing with biblical clarity, practical confidence, and a deeper understanding of what it means to be "clothed in Christ."

audience

- Young women looking for a book that goes beyond trite and rigid rules about dressing as a Christian, exploring instead the broader story of clothing throughout the Bible and what it means for our bodies, our thinking, and our daily clothing choices
- Readers of Caroline's past Bible studies including *Come Home*, *Good News*, *Better than Life*, and her kids' books *Kids in the Bible*, *The Story of Water*, and *The Story of Home*
- Readers who enjoy Christian humor and prefer authors like Scarlet Hiltibidal, Sophie Hudson, and Lisa Harper—voices who feel like a friend but also make theological topics accessible and relatable

marketing highlights

- Caroline Saunders is an established author, partnering with powerhouse brands that serve millions each year like Lifeway Women, Lifeway Girls, and B&H Kids to build a committed readership across a broad demographic
- She is a leading voice in pointing women to love God's Word, speaking to women each year at events like Lifeway Women's Leadership Forum, Lifeway Women's Academy, The Gospel Coalition Women's Conference, and her annual Story & Soul Conference

ROBBY GALLATY (MDiv, PhD, New Orleans Baptist Theological Seminary) is senior pastor of Long Hollow Church outside of Nashville,

in Hendersonville, Tennessee. Radically saved in his twenties from a life of drug addiction, his work has grown to include the founding of Replicate Ministries, a network of trained coaches who help churches create and contextualize their own disciple-making culture. Robby and his wife, Kandi, are parents to two sons: Rig and Ryder.

Wait, Hear

Recapturing the Lost Art of Hearing God's Heart

BY ROBBY GALLATY

Christianity too easily becomes a role we play for others, more than a relationship we pursue with God. Because who's got the time to wait like that? Who has time to wait on Him to guide our daily work and decisions, our daily plans and our daily lives? Pastors and church leaders can often be the quickest to set their course on spiritual autopilot, to rely on their own gifts and talents to carry their performance, rather than making a regular practice of listening for God's voice, of living by the Spirit's rhythm.

This book is the honest confession of a serial self-starter, a megachurch pastor struggling underneath a season of losses, a flood of disapproval, a drought of faith, and an extreme case of spiritual burnout. Afraid of failing at everything, he found again the one thing we all need most: ears to hear what God is saying.

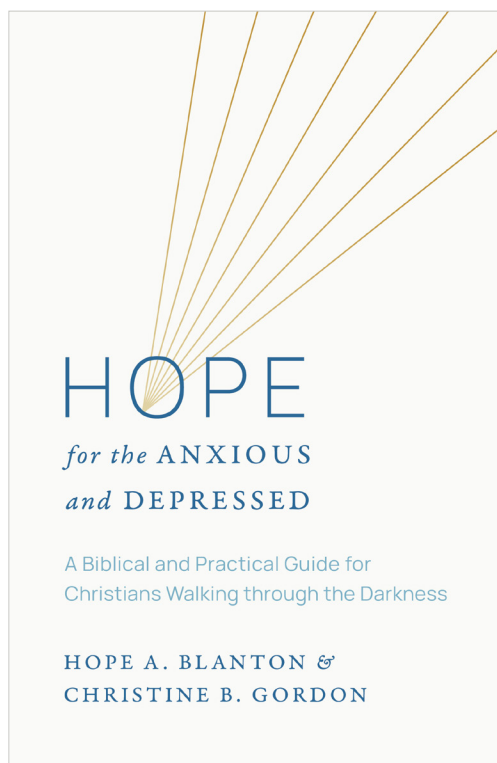

The lessons and disciplines he gleaned from nearly a year of unhurried listening led not only to revival in his life but revival in his church. You, too, can embrace these same practices, experiencing the purity of relationship with God you've been so desperate to recapture. Step out on the porch with him today, where a defeated leader finally got quiet before the Lord.

audience

- Christians longing to hear from God in a personal way and for personal revival as well as revival in their church congregations and communities
- Robby leads Replicate Ministries, where they have consulted with, trained, and resourced more than 375 churches all over the country for more than sixteen years; these pastors and church leaders will be excited for a book inspired from the revival at Long Hollow Church in 2020
- Readers of Robby's previous books and Bible studies, including *Movement-Ready Church*, *Growing Up*, *Firmly Planted*, *Bearing Fruit*, *Recovered*, *Here and Now*, and *The Practice of Prayer*

marketing highlights

- Robby is a sought-after public speaker on the topic of discipleship and revival after his church experienced more than 1K baptisms over the course of fifteen weeks in 2020; events where Robby speaks include the annual Replicate conference where the connection is with more than 2K staff leaders
- In 2025, a study by Barna Group suggests a surge in church attendance in Gen Z and Millennials as they look for personal revival; Robby's story reflects what many are searching for as they look to grow in their relationship with Christ
- B&H will collaborate with Robby to promote the book through a national publicity campaign, targeted email marketing, and paid social media ads; additional marketing initiatives will be added to help maximize exposure

Hope for the Anxious and Depressed

A Biblical and Practical Guide for Christians Walking through the Darkness

BY HOPE A. BLANTON AND CHRISTINE B. GORDON

Whether it's anxiety or depression, if you're a Christian who struggles with mental health, you likely have many questions: *How can I understand what's happening to me? How can I have the hope of the gospel yet struggle with anxiety or depression? Is God okay with me taking medication? How did anxiety and depression even become a problem to begin with? Does anxiety and depression fit into the category of suffering, or the category of sin? Are mental health struggles mostly a spiritual issue, or a physical one? Is going to counseling or a doctor a sign of weakness in my faith? How do I get the right kind of help while staying true to my biblical beliefs? Who can give me an overview of this new, and sometimes dark, terrain?*

Written from the perspectives of a practical theologian and a clinical social worker/therapist, Christine Gordon and Hope Blanton team up to give you exactly the answers you need regarding anxiety and depression. By offering you a biblical framework and clinical definitions along the way, this book explores the spiritual, physical, emotional, and relational dimensions of your struggle, giving you the clarity, hope, and information you need to move forward into a brighter future. On top of that, through relatable stories and heartfelt insights, you'll also receive the compassion and comfort you've been looking for, as these authors are not only experts on the issue—they are fellow strugglers too.

She Just Won't Quit

Embracing the Practice of Everyday Perseverance

BY KAITLIN CHAPPELL ROGERS

Are you burned out and feeling like everyone's promise that your best days are still ahead rings hollow? Or have you pressed on, only to be met with another setback that leaves you doubting the goodness of God?

The mundane, constant small obstacles often feel like a thousand little cuts, keeping us from the abundance we desperately want to trust God has for us. But what if God has given us another way? Following Jesus

God's Ancient Path to Spiritual Maturity

BY RICHARD BLACKABY

The church in North America is in serious trouble. Most churches are not growing. Many are losing their young people. Churches are desperately looking for something new, but maybe what they need is something old.

Discipleship is not attending a Bible study. It is not meeting with a mentor. It's not even going to church. In its essence, discipleship is following Jesus. It's not asking, "What would Jesus do?" It's not trying to do what Jesus did. Discipleship is not a belief system. It's a relationship with a person who invites you to follow Him. Just like Peter, Andrew, James, and John, a day may come when you find Jesus standing beside your fishing boat, inviting you to follow Him. The problem for many Christians is that they want to follow Jesus, but they don't want to get out of the boat! Unfortunately, for many Christians, "following Jesus" has become a metaphor, not a daily reality.

Get ready! When you start following Jesus, He may lead you to do things you never thought you could do, go to places you never dreamed of going, and attempt things you never thought were possible. And along the way, He might just change your world.

Dr. Richard Blackaby, son of famed Christian author Henry Blackaby, and co-author of *Experiencing God*, shares profound yet simple truths about how Jesus trained twelve disciples and how He continues to use those same methods today. Jesus hasn't changed His approach to making disciples. It is just as effective today as it was two thousand years ago. Perhaps if we returned to the disciple-making methodology Jesus employed, we might experience the results He enjoyed.

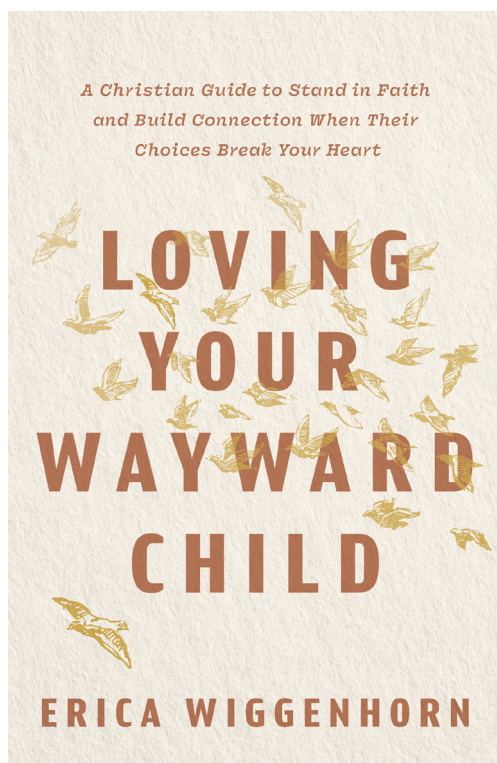

The great opportunity that lies before the church today hinges on whether it will return to the discipleship taught and modeled by Jesus. Merely "doing church" the way it has been done in recent years is woefully inadequate. The truth is: We don't need something new. We require something old. Two thousand years old, in fact.

The First Five

Beating the Odds and Thriving as a Ministry Leader

BY KYLE WORLEY AND DR. JOSEPH WORLEY

Is it possible to do more than survive in ministry leadership? Could you actually thrive?

The alarming reality is that most ministry leaders will not make it more than five years in leadership. Burnout, lack of training, and an absence of coaches are all pitfalls on the road to sustainable ministry leadership. But there is a different roadmap for those willing to learn.

In *The First Five*, Joseph and Kyle Worley present a pathway for thriving in ministry leadership. With over 60 years of experience across churches of every size and shape, they provide a biblically rooted and tested approach to the personal, professional, and pastoral dynamics of ministry leadership.

Readers will:

- Learn the biblical principles of a call to ministry and the early years of ministry leadership
- Embrace healthy personal (physical, emotional, and spiritual) rhythms
- Discover basic principles for professional and pastoral communication
- Receive practical advice on: how to respond to difficult emails, how to build effective teams, how to organize your first funeral service, and many other intensely practical questions for new leaders

The First Five is designed to be a manual for new ministry leaders and those leading them. Don't just read this book—use it!

You can do more than survive as a ministry leader. You can thrive.

Andy and His Big Question

A Story About How God's Love Always Comes First

BY COURTNEY DOCTOR AND BO DOCTOR,

ILLUSTRATED BY ALEXANDRA COLOMBO

Will God's love be the answer to Andy's BIG question?

In this fun picture book, Andy is excited to visit his grandparents' farm, but when he reads a Scripture telling him to love God with all his heart, soul, mind, and strength, his mind begins to wonder. After all, Andy is strong enough to open super-tight jars of peanut butter, but can he love God with all his strength? And Andy is smart enough to spell big words, but is that enough to love God with all his mind? Eventually, Andy's little questions lead to one BIG question, and his grandmother must use her wisdom and humor to help him better understand God's unconditional love.

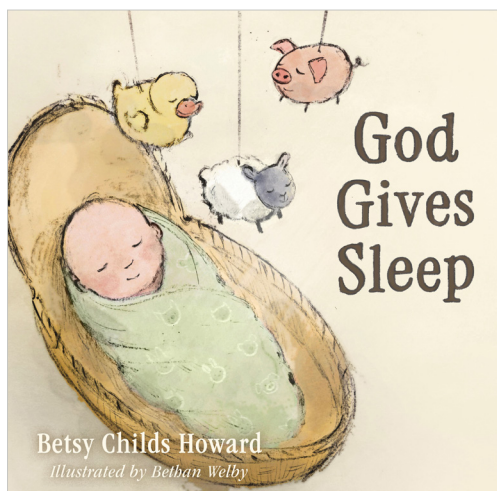

In *Andy and His Big Question*, best-selling author Courtney Doctor and her grandson, Bo, share a young boy's discovery of how God loved us first, long before we could love Him back. With plenty of imagination, rollicking illustrations, and a memorable explanation of Mark 12:30, the story leaves children knowing that God's love for us is stronger, smarter, and kinder than we could ever imagine.

The Melody of Grace

Delighting in the Saving, Sanctifying, and Sustaining Grace of God

WHITNEY CAPPS

Grace. It's a word we hear often and a concept we value. But how do you explain it? It's more than a tried-and-true cliché or a catchy phrase in a worship song. It's more than what God gives; it's who He is. It originates with Him and overflows from His character. Amazing, isn't it?

In this 7-session Bible study, Whitney Capps will examine passages throughout the Bible to explore the transformative power of grace. We'll see how grace shows up in every season of our stories and is active in every area of our lives as followers of Christ. We'll dive deep into the multifaceted beauty of God's grace: grace that saves us, grace that grows us in Christ, and grace that sustains us through the darkest valleys. We'll be reminded that grace is not only something we receive, but it's something we extend. Come learn to receive grace fully, live it freely, and share it boldly, experiencing the sweet sound of grace as it flows through you.

INTRODUCTION TO GENESIS

WHO WROTE IT?

Technically, Genesis is anonymous, but it is one of the five books (Genesis–Deuteronomy, the Pentateuch) associated with Moses by both Old Testament and New Testament writers.

WHEN WAS IT WRITTEN?

Moses, who lived in the 1400s BC, wrote Genesis, even though the events he recorded occurred long before his time and the book itself saw later editorial updates.

WHY DOES IT MATTER?

The book of Genesis is the book of beginnings in the Bible. The God who created human beings and punished disobedience with death began his great plan of redemption with his covenant with Abraham and his descendants. Accordingly, Genesis ties together creation and human history, then largely narrowing its focus to the lives of Israel's famous patriarchs. Chapters 1–11 contain a selective history of the entire human race; chapters 12–50 tell the story of the direct ancestors of the Israelites. Within those two broad divisions, chapters 1–2 deal with creation, while chapter 3 tells of the entrance of sin into the world. Chapters 6–9 detail the great flood and the preservation of Noah and his family, after which God scattered people over the face of the earth (chaps. 10–11). God's plan for redemption centered in Abraham (12:1–3) and continued through Isaac, Jacob, and Joseph, whose lives and works are narrated in chapters 12–50.

Through Genesis we understand where we came from, how we got in the fallen state we are in, and the beginnings of God's plan of salvation on our behalf. Learning the true story of where humanity came from and what God's purpose is for them allows us to see why every person has value, meaning, and dignity as someone made in God's image and living in God's world. Just as vitally, we see that the world was not always fallen but was made "good" and became corrupted by sin. Only by knowing the true story of what went wrong with the world can we understand why the gospel is the true story of how the world can be set right again.

GENESIS 1

THE CREATION

In the beginning God created the heavens and the earth.

Now the earth was formless and empty, darkness covered the surface of the watery depths, and the Spirit of God was hovering over the surface of the waters. Then God said, "Let there be light," and there was light. God saw that the light was good, and God separated the light from the darkness. God called the light "day" and the darkness he called "night." There was an evening, and there was a morning: one day.

Then God said, "Let there be an expanse between the waters, separating water from water." So God made the expanse and separated the water under the expanse from the water above the expanse. And it was so. God called the expanse "sky." Evening came and then morning: the second day.

Then God said, "Let the water under the sky be gathered into one place, and let the dry land appear." And it was so. God called the dry land "earth," and the gathering of the water he called "seas." And God saw that it was good. Then God said, "Let the earth produce vegetation: seed-bearing plants and fruit trees on the earth bearing fruit with seed in it according to their kinds." And it was so. The earth produced vegetation: seed-bearing plants according to their kinds and trees bearing fruit with seed in it.

1:5 God created the universe. 1:8-9 "heavens."

WHERE DO WE FIT INTO THE STORY (1:1–11:32)? Primeval history is a term used to refer to accounts of the earliest events in history. The Bible begins with this kind of history to demonstrate its relevance for everyone who ever lived. The first eleven chapters of Genesis thus provide a primeval history by covering the creation of the world and the fall into sin, the great flood, the tower of Babel, and the distribution of the human race. Accordingly, these first eleven chapters embrace all the facets of human history that led up to and necessitated the call of Abraham to covenant service to the Lord (see Gen 12:1–4). The events recorded here explain, in part, why the world is the way it is and why God's purposes for the family of Adam are significant not only for the people of Israel but also for everyone in the world.

WHY DOES GOD CREATE THE WORLD (1:1–2:3)? As this passage shows, in accord with the entirety of the Bible, God freely created the world to display his own glory and, in so doing, created a good world that was abundantly and uniquely furnished for human occupation and flourishing. In short, God created both for humanity's good and for the glory of his name (see Ps 8:1–9).

1:3 This opening verse of the Bible, seven words in the Hebrew, establishes even key truths upon which the rest of the Bible is based: (1) God exists. The essential first step in pleasing God is acknowledging his existence (Heb 11:3); (2) God existed before there was a universe and will exist after the universe perishes (Heb 1:10–12); (3) God is the main character in the Bible. He is the subject of the first verb in the Bible (in fact, he is the subject of more verbs than any other character) and performs a wider variety of activities than he could ever do; in his active form the Hebrew verb *bara'*, meaning "to create," never has a human subject. This *bara'* signifies a work that is uniquely God's; (5) God is mysterious, though his particular reference to the world for God (referring to the verb form of which "God" is the subject) is singular. This is perhaps a subtle allusion to God's Trinitarian nature: he is three divine persons in one divine essence; (6) God is the Creator of heaven and earth. He does not just modify preexisting matter but calls matter into being out of nothing (Ps 33:6, 9; Job 11:3). (7) God is not dependent on the universe, but the universe is totally dependent on God (Ps 135:3).

1:3a The sense of verse 1 is that God created the earth formless and empty as an unfilled and unfilled state. *Heavenly depths*, a single word in Hebrew, suggests an original state of creation that was shapeless as liquid water. The Hebrew verb translated was *behevel*, used also in (32:11), suggests that the Spirit of God was watching over his creation just as a bird watches over its young.

1:4–5a Another basic truth of the Bible is that God saw this means he is fully aware of his creation. The term *good* used seven times in this chapter to evaluate God's creation, can be used to express both high quality and moral excellence. The physical universe is a good place because God made it. This is the first instance where God separated the *heaven* realms of light and darkness, day and night. God's second act of separation was to divide atmospheric water from terrestrial water (v. 7). Thus, he began the process of giving form to material world. The clause it was so, found six times in this chapter,

GENESIS 1:1–15

What does God's creation of all things tell us about his sovereignty over all things?

Considering God's power and creation of the universe, we see that he is in control of all aspects of creation—from the smallest particle to the millions of living creatures on our planet. The conclusion we should draw is that if God is in control over all things—big and small—then he is even in control over the things in our lives that are beyond our control. Not only that but knowing that God is good and sovereign should humble us, comfort our hearts, and give us the peace to go through life trusting in his wisdom to work all things for our ultimate good.

fruit with seed in it according to their kinds." And it was so. The earth produced vegetation: seed-bearing plants according to their kinds and trees bearing fruit with seed in it.

Do I Have to Choose Between the Bible and Science?

Both the Scriptures and science have a story to tell. From the creeds and systematic theology that result from study of Scripture, we have the *metanarrative* (grand, all-encompassing story) of God as Creator who prepared and sustains a pleasant world for humans. Both that world and its inhabitants have come under a curse due to sin, the Bible teaches, but history will end in the triumphant return of Christ as King of kings and Lord of lords.

The current metanarrative of science is the story of the Big Bang, drawing on evidence from physics that suggests that about 13.7 billion years ago space and time appeared instantaneously from nothing in an infinitely small and infinitely hot singularity. As the universe expanded and cooled, there appeared atoms, stars, galaxies, planets, life, and finally humans.

The many approaches that biblical and scientific scholars have used to relate the Scripture story and the science story can be collected into two overarching approaches: concordism and non-concordism.

CONCORDISM: THE BIBLE SPEAKS OF SCIENCE

Concordism is derived from the word "concord," which means harmony or agreement between persons, groups, or things. Scholars who favor concordism believe that exegesis (interpretation) of the Scriptures reveals a message that is in harmony with current understandings of modern science. This means that any time the Bible addresses a science-related issue, it does so with full accuracy. Concordism is sometimes expressed in terms of the two books of God (nature and Scripture), which will be in harmony when both are properly interpreted.

There are many types of concordism, with a major dividing issue being the meaning of the Hebrew word for "day" (*yom*) in Genesis (1:3, 5, 13, 19, 23, 31; 2:2). One group, known as creation science or young earth creationism (YEC), interprets *yom* in Genesis to mean a literal twenty-four-hour day. This stance is closely tied to "evening" and "morning" being referenced alongside each use of "day" in the opening creation narrative. Another group, known as creationism or old-earth creationism (OEC), adopts a different understanding of the word *yom*, which leads them to conclude that in the Genesis creation accounts it refers to a period of time longer than twenty-four hours. According to the OEC approach, each creation day was a long period of time that involved many acts of creation by God.

NON-CONCORDISM: THE BIBLE SPEAKS TO SCIENCE (BUT NOT OF SCIENCE)

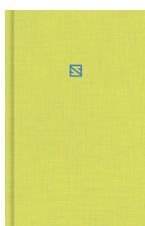

The non-concordist model does not see a harmony between the biblical testimony and the well-supported conclusions of science. Non-concordists believe this lack of harmony is due to the fact that in Scripture God never sought to speak in terms of literally correct science but instead chose to speak in accordance with ancient non-scientific ways of describing nature.

The New American Commentary, Psalms 1-72

An Exegetical and Theological Exposition of Holy Scripture

The New American Commentary (NAC) is for those who have been seeking a commentary that honors the Scriptures, represents the finest in contemporary evangelical scholarship, and lends itself to the practical work of preaching and teaching. This series serves as a minister's friend and a student's guide.

The New American Commentary assumes the inerrancy of Scripture, focuses on the intrinsic theological and exegetical concerns of each biblical book, and engages the range of issues raised in contemporary biblical scholarship. Drawing on the knowledge and skills of over forty scholars and encompassing forty volumes, the NAC brings together scholarship and piety to produce a tool that enhances and supports the life of the church.

The beloved book of Psalms is the favorite of many Christians who there find not only comfort, encouragement, and hope, but also the expression of their own voice in prayer. It has been described as the theology of the Old Testament in poetic form. Nevertheless, few of us are as comfortable with poetry as with prose—especially translated Hebrew poetry from the eastern Mediterranean over 2,000 years ago. So, we welcome the expert guidance of Dr. Estes, whose exposition of this book not only informs our understanding, but also ignites our passion for the God of Israel, who is the God of creation, of history, of redemption, and of the Kingdom of Jesus Christ, our Savior.

The author of *Psalms 1-72* is Daniel J. Estes.

audience

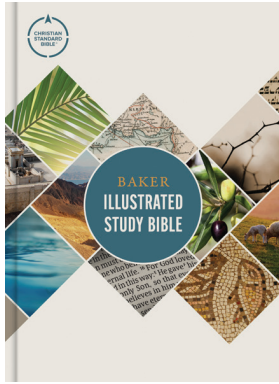

- Individual: Seminary students, professors, teachers, theologians, readers looking to study Philipians, and those who have purchased other installments in the NAC series
- Church/Ministry: Pastors, teachers, small group leaders, lay leaders, ministry leaders

marketing highlights

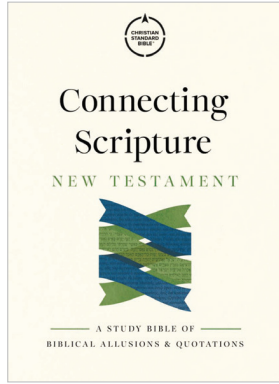

- This series serves as a minister's friend and a student's guide.
- Authors of the series represent the finest in contemporary evangelical scholarship and write for the practical work of preaching and teaching.
- This highly anticipated resource is the final Old Testament volume for the NAC series.

He is also a faculty affiliate of the Human Flourishing program at Harvard University, a senior research fellow at Gallup, and visiting distinguished professor for the scientific study of religion at Pepperdine University.

The Death of Religion?

Nones, Others, and the Flourishing of Faith

BY BYRON R. JOHNSON AND THOMAS S. KIDD

The common media and scholarly story—especially with the rise of people who don't identify with any religion—suggests that religion in America is in serious decline. In *Death of Religion?: Nones, Others, and the Flourishing of Faith*, Byron R. Johnson and Tommy Kidd strongly challenge this view.

In this work, they argue that the idea of religion's decline has been greatly exaggerated and that survey data can often be misleading or incomplete. Their approach is to show that faith is actually healthier and more active than many believe, and that it continues to play a vital role in a thriving society. To support this claim, Johnson and Kidd use recent data from the Global Flourishing Study. This research provides valuable insights into patterns of religious commitment both nationally and Worldwide, helping readers understand that faith remains an important factor in human well-being and societal flourishing.

audience

- Lay and academic readers interested in the shape and future of religion in America and around the world.
- Undergraduate and graduate religion and sociology courses.

marketing highlights

- This text provides a contrarian view to the social perspective on religion today.
- Utilizes data from the recent Global Flourishing Study to show how faith remains a vital part of thriving societies.
- Provides readers with a research-based understanding of the existence of religious "nones" for over 250+ years.
- Written by expert historians who have much respect in their fields.

RAY RHODES, JR. (DMin, The Southern Baptist Theological Seminary) is founding pastor of Grace Community Church of Dawsonville, Georgia, and president of Nourished in the Word Ministries.

Spurgeon

The Man Beyond the Pulpit

RAY RHODES, JR.

Charles Haddon Spurgeon, the “Prince of Preachers,” authored 135 books, filled 63 volumes of sermons, sponsored 60 benevolent institutions, and preached to massive London congregations. His life and work still tower over Christian history. But how did one man accomplish so much, and how did he survive—and thrive—in the midst of relentless controversy, chronic sickness, debilitating depression, and heart-wrenching private grief?

Biographer Ray Rhodes Jr. focuses less on the thunder of the metropolitan pulpit and more on Spurgeon at home, tracing his inner strength back to the simple, quiet pastures of rural England. It shows how the very public man was forged in private valleys, where his faith learned to endure pain, sickness, and the shadows of death.

Spurgeon: The Man Beyond the Pulpit offers readers a substantive, accessible biography that captures the complete portrait of a beloved leader—the human heart beneath the towering legacy.

audience

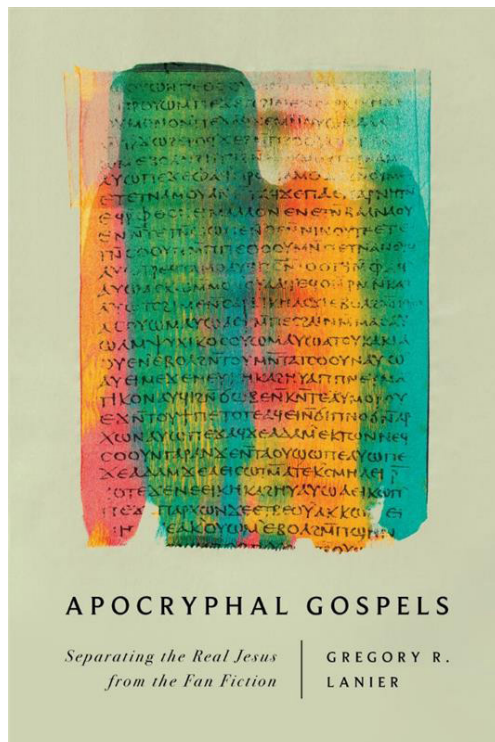

- Those who consider themselves legacy students and scholars of Charles Spurgeon.
- Those in courses where Spurgeon works would be assigned.

marketing highlights

- There are many books that analyze Spurgeon as a preacher, but this title looks at Spurgeon as a family man, community member, etc. What was he like outside the pulpit?
- Rhodes has already authored two books about Spurgeon that have been strong sellers.
- Spurgeon books are usually ones that can garner a good pre-order campaign because of his following.

Apocryphal Gospels

Separating the Real Jesus from the Fan Fiction

BY GREGORY R. LANIER

What do the Gospels of Thomas, Mary, and Judas have in common? Despite their cultural popularity—thanks largely to sources like *The Da Vinci Code*—these are works of fiction, commonly known as the apocryphal gospels, that fail to tell the faithful and true story of Jesus Christ.

In *Apocryphal Gospels: Separating the Real Jesus from the Fan Fiction*, Gregory R. Lanier provides readers with a sober, balanced, and historically grounded treatment of this body of literature. He meticulously compares these fascinating, yet unreliable texts with the four canonical Gospels (Matthew, Mark, Luke, and John), demonstrating the veracity and historical reliability of the New Testament accounts and making a compelling case for the true Jesus.

audience

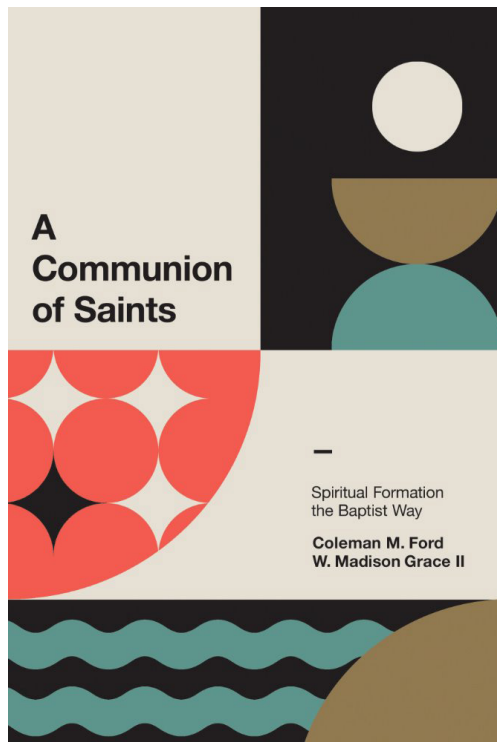

- Confessional Christians interested in primary sources, biblical interpretation, and Christian history.
- Graduate courses on hermeneutics, NT backgrounds, Gospel exegesis, or apologetics.

marketing highlights

- This book will build off the same audience as Lanier's work on non-canonical influences on the New Testament, *Apocryphal Prophets and Athenian Poets*.
- It is a response to popular "documentaries" that seek to find a new piece of evidence or something lost or forgotten by the church for centuries. A refute to modern Gnosticism.
- There is also an apologetics angle to it as it has the potential to help guard against false claims about the unreliability of the Gospels.

A Communion of Saints

Spiritual Formation the Baptist Way

BY COLEMAN M. FORD AND W. MADISON GRACE

Baptists have a rich history of spiritual formation that many modern Baptists pull from unknowingly. In the 21st century, Baptists lean on centuries of faithful practice pulling from the historical and theological dimensions of the Baptist faith. Coleman M. Ford and W. Madison Grace II offer a practical understanding of these dimensions that can only be found in the unique expression of the Baptist faith.

Within the chapters of this book, Ford and Grace offer insight into the Baptist thought and practice that shaped the communal life within the local church. They highlight the distinct liturgy, ordinances, and confessional statements that have shaped those within the Baptist church as well as those outside of it throughout history. They also point to the influence that missions, evangelism, and mercy ministries have played in shaping Baptist life.

This book is more than a historical and theological overview of the Baptist practices; it is a call to understand and appreciate the beauty, complexity, and significance of the Baptist tradition and how it has shaped who we are today.

audience

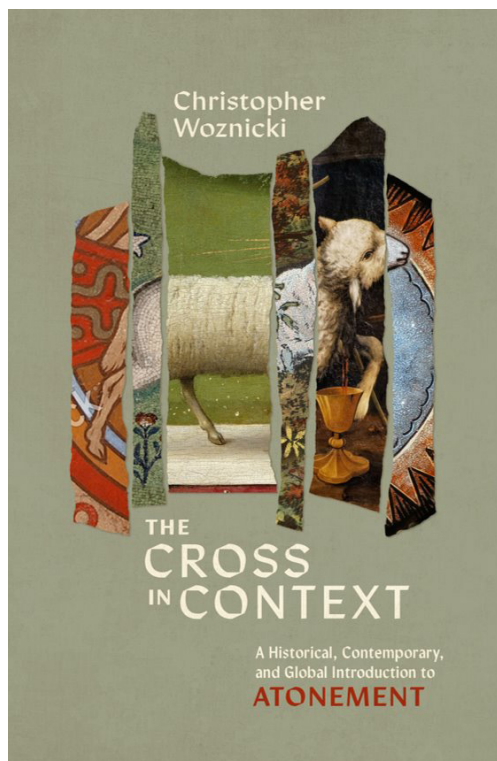

- A primary text for masters and doctoral level Christian Formation courses. It could also be a recommended reading text in courses pertaining to Baptist faith and heritage.

marketing highlights

The Path to the Pulpit

Four Ancient Questions for Faithful Preaching

BY ANDREW HÉBERT AND MITCHELL L. CHASE

The Path to the Pulpit: Four Ancient Questions for Faithful Preaching by Andrew Hébert and Mitchell L. Chase offers a practical framework for sermon preparation that helps pastors and ministers view every Scripture passage from all angles. This book seeks to revive a time-tested method from the Middle Ages—a fourfold approach to understanding the Bible. Preachers will learn to ask four essential questions of each text:

- What does it say?
- How does it connect to the gospel and exalt Christ?
- How does it shape me as a disciple?
- How does it stir hope for the future?

By exploring these questions, ministers can uncover the historical richness of each passage, relate it to God's redemptive work, apply it clearly to listeners' lives, and guide their congregation toward hope rooted in Christ's promises.

audience

- Preachers and Bible teachers who regularly prepare lessons for their church or small groups.
- Graduate seminary students who are learning preaching and teaching techniques.

marketing highlights

- This fourfold method combines the best aspects of several major schools of preaching (such as the historical-grammatical and the Christocentric schools) and synthesizes them into an integrated whole.
- Both authors are full-time pastors in addition to being involved in the academic spheres.

Missionary Theology

The Commission of Confession

BY MATTHEW BENNETT

Missionary work and deep theological study might seem separate, but Matthew Bennett argues they are two sides of the same coin. Sometimes, mission efforts focus so much on getting quick results that they drift away from sound, accurate teaching. On the other hand, theology can become too abstract and disconnected from real life.

Missionary Theology: The Commission of Confession shows how they belong together. He is convinced that true doctrine naturally leads to missions, and missions should always spring from careful theological reflection. Bennett explores all the main areas of Christian teaching (like the nature of God, humanity, or the church) and reveals their direct implications for mission work. This book helps pastors and missionaries stay grounded in the faith while faithfully carrying out the Great Commission.

audience

- Graduate and undergraduate courses related to Missions and Systematic Theology.
- Pastors, missionaries, and missionary training centers.

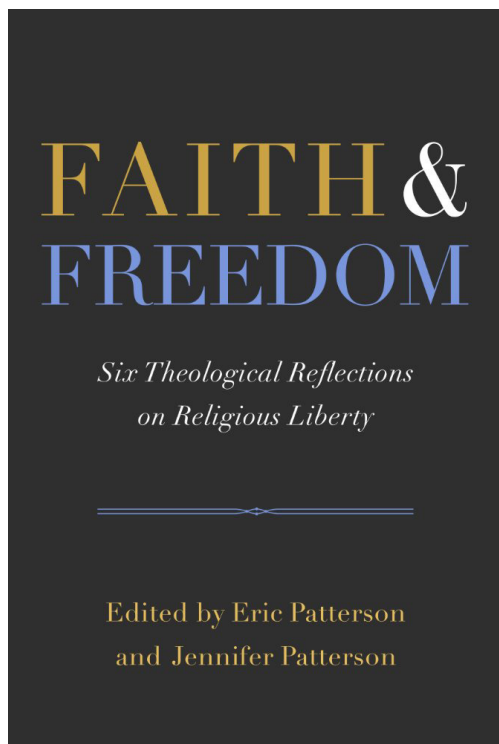

marketing highlights

- This is the first book to explore missional implications of every major doctrine in systematic theology.
- Written by an experienced missionary and professor of missions and theology.
- Includes case studies and discussion questions in every chapter for real world missionary training and classroom use.

Faith and Freedom

Six Theological Reflections on Religious Liberty

BY ERIC PATTERSON AND JENNIFER PATTERSON

For many Christians today, the viability of religious freedom—a right once assumed in the American context—has become profoundly uncertain. In a nation where freedom is increasingly misunderstood and sometimes maligned, the church needs more than political talking points; it needs theological ground.

Faith and Freedom: Six Theological Reflections on Religious Liberty, edited by Eric Patterson and Jennifer Marshall Patterson, answers the call by reviving the rich Protestant heritage of biblical and doctrinal arguments for religious liberty. While most of the world lives under persecution, even the United States context has seen freedom transform from a given right to a hotly contested privilege.

This book brings together top evangelical scholars from across the confessional spectrum—including Wesleyan, Reformed, Lutheran, Baptist, Pentecostal, and African American church traditions. Written in accessible language, this is a vital resource for pastors, seminarians, students, and interested laity, providing the doctrinal clarity needed to meet today's challenges to confessional freedoms.

audience

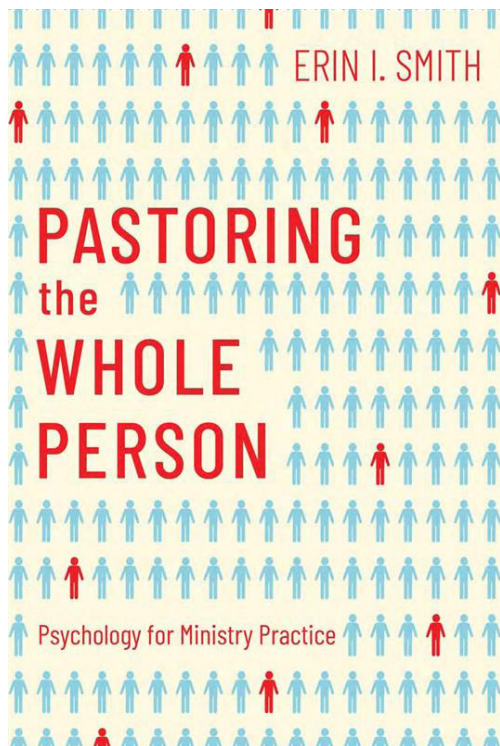

- A single, accessible volume where six Protestant traditions—Wesleyan, Reformed, Lutheran, Baptist, Pentecostal, and the African-American church—each present a theological case for religious freedom.
- Written by widely respected scholars and coordinated by editors with national credibility in religious freedom.
- Faith and Freedom will be the third title in the growing International Alliance for Christian Education (IACE) series.

Pastoring the Whole Person

Psychology for Ministry Practice

BY ERIN I. SMITH

In *Pastoring the Whole Person: Psychology for Ministry Practice*, professor and research psychologist Erin L. Smith draws on two decades of work to equip church leaders with tools from human psychology so they can better understand and serve people with the gospel for the whole person. Smith begins with a case for the value of psychological science for Christians, rooted in a theological understanding of human embodiment and creaturely limits. Building on this, she unfolds a series of chapters covering topics including:

- Neuroscience and learning
- Habits and virtue formation
- Relationality and attachment
- Emotions and memory
- Personality types
- Narratives of individuals and communities

Pastoring the Whole Person is an essential resource for ministry leaders who want to be better equipped to understand the people in their pews. With clarity, candor, and care for the church, Smith cuts through the noise of a cultural moment crowded with conflicting narratives about the nature and value of psychological science.

audience

- Pastors and church leaders who seek to understand the people in their pews more holistically.
- Seminary students who plan to shepherd a body of believers, whether it be through church or a parachurch ministry.

Vida en devoción

Cultivando una relación más profunda con Dios en lo cotidiano

LIFE IN DEVOTION

ANA ÁVILA

Our lives are filled with distractions, with pleasures that make us happy only for a second but leave us empty. Our hearts are troubled and tired, longing for something that lasts. God made us for Himself so that we might delight in His love, but the things of the world pull us away. Our devotional times can give us the structure we need to grow in our communion with God by applying biblical truths that keep our eyes on the things above: The centrality of the Word, the privilege of prayer, the need for constancy, the intimacy of solitude, the freedom of transparency.

Life in Devotion will remind you of the amazing gift we have of being part of the family of God and will offer you practical tools to develop spiritual practices that keep you focused on Him, growing in communion every day.

Nuestras vidas están llenas de distracciones, de placeres que nos hacen felices solo por un momento pero que nos dejan vacíos. Nuestros corazones están inquietos y cansados, anhelando algo que perdure. Dios nos creó para Él, para que podamos deleitarnos en Su amor, pero las cosas del mundo nos alejan. Nuestros tiempos devocionales pueden darnos la estructura que necesitamos para crecer en comunión con Dios, aplicando verdades bíblicas que mantienen nuestros ojos en las cosas de arriba: la centralidad de la Palabra, el privilegio de la oración, la necesidad de constancia, la intimidad de la soledad, la libertad de la transparencia.

Vida en devoción te recordará el increíble regalo que tenemos al ser parte de la familia de Dios y te ofrecerá herramientas prácticas para desarrollar disciplinas espirituales que te mantengan enfocado en Él, creciendo en comunión cada día.

Adoración

Lo que toda la iglesia debe saber (y los músicos también)

WORSHIP

ROGERS PERALTA AND CARLOS GARCÍA

What does it really mean to worship God? In an age where worship is often confused with musical styles, stage production, or personal preferences, *Worship* reminds us that the focus is not on the form, but on the God we are approaching. Written by Carlos García and Rogers Peralta, this book combines solid biblical teaching with clear pastoral guidance, helping musicians, leaders, pastors, and congregations cultivate worship that flows from a right knowledge of God and is expressed with reverence and truth. Far from fueling polarized opinions, the authors encourage us to avoid divisive trends that often fragment the church, and instead lead us to a deeper, more biblical understanding of the purpose of congregational worship.

- Ideal for worship teams, pastors, and believers who want to grow in this area
- Blends theology and practice with clarity and grace
- Invites the whole church to worship from a surrendered and biblically informed heart

Worship doesn't begin on the stage—it begins in the heart. Rediscover its essence and live to glorify God every day.

¿Qué significa realmente adorar a Dios? En una era donde la adoración puede confundirse con estilos musicales, producción escénica o gustos personales, Adoración nos recuerda que el centro no está en la forma, sino en el Dios a quien nos dirigimos. Escrito por Carlos García y Rogers Peralta, este libro combina enseñanza bíblica sólida con una guía pastoral clara, ayudando a músicos, líderes, pastores y congregaciones a cultivar una adoración que brota del conocimiento correcto de Dios y se expresa con reverencia y verdad. Lejos de alimentar posturas polarizadas, los autores nos animan a evitar tendencias divisorias que muchas veces fragmentan la iglesia, y en su lugar, nos conducen a un entendimiento más profundo y bíblico del propósito de la adoración congregacional.

- Ideal para equipos de adoración, pastores y creyentes que desean crecer en este tema
- Une teología y práctica con sensibilidad y claridad
- Invita a toda la iglesia a adorar desde un corazón rendido y bíblicamente informado

La adoración no comienza en el escenario, sino en el corazón.

Redescubre su esencia y vive para glorificar a Dios todos los días.

ARLO AND THE KEEP-OUT CLUB

BETSY CHILDS HOWARD

Arlo has been longing to play with the big boys on the playground. But when he's given the opportunity to join their club, he is faced with a tough decision. Will he gain the acceptance of his new friends by doing what he knows is wrong, or will he do the right thing even though it may lead to rejection? Going against the social grain can often leave us feeling lonely, but in His grace, Jesus enables us to do what is right and stays by our side when we feel left out.

Written for kids ages 3–7, this engaging picture book teaches children that following Jesus may come at a cost, but the Lord offers a greater reward as our ultimate friend and comforter. A section for parents at the end of the book provides tips for raising children who can resist negative peer pressure.

Desde hace un tiempo ya, Arlo ha querido poder jugar con los niños grandes durante el recreo, pero cuando se le da la oportunidad de unirse al club, se enfrenta a una decisión muy difícil. ¿Lo aceptarán sus nuevos amigos teniendo que hacer lo que sabe que está mal, o hará lo correcto, aunque eso pueda hacer que lo rechacen?

Ir contra la corriente social puede hacernos sentir solos, pero por Su gracia, Jesús nos da las herramientas para hacer lo que es correcto y se queda a nuestro lado cuando nos sentimos excluidos.

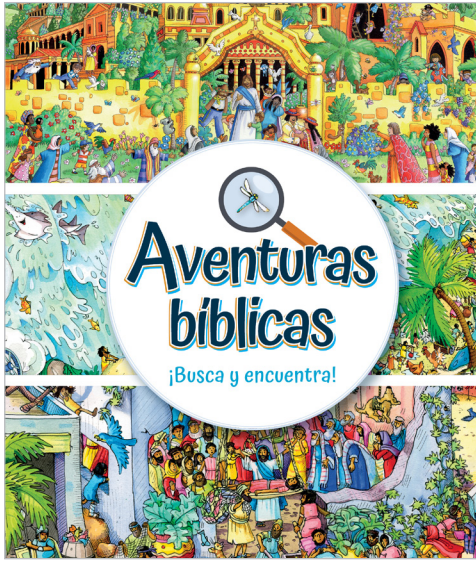

Para niños de 3 a 7 años, este libro enseña a los pequeños que seguir a Jesús puede tener un costo, pero que, a la vez, el Señor ofrece una recompensa mayor como nuestro Amigo y Consolador supremo. También, contiene una sección especial para padres, con consejos prácticos para que los niños puedan resistir la presión negativa de sus compañeros.
